On the altar 13 candles were placed. The larger one in the centre was the Christ candle...

The Christ candle alone was lighted as the worshippers entered. The large candle represents Christ because He is the light of the world...

St. John says: "In Him was life; the life was the light of man; and the light shined in the darkness; the darkness comprehended it not."

Represent Apostles: The rector explained that the light which radiated from the Christ candle passed on to His disciples...

The apostles and their successors the bishops of the church, make a connecting link between Christ and the church of all times...

Now the responsibility has fallen on us, the rector said. We must receive the light and bear the responsibility for Jesus who not only said: "I am the light of the world" but: "Ye are the light of the world."

Light Church: The light was borne from the altar to the candles in the church fastened to each pew. These candles represented those who are spiritual heirs of Christ and His disciples.

The choir progressed in singing Silent Night. The Junior and Senior choirs are under the leadership of Mrs. F. G. Oakes, the organist...

Prayers were said by the rector. Carols were sung interspersed with readings from Holy Scripture. The first lesson was read by Andrew Knox, choir boy...

The rector thanked Mrs. Oakes and the members of the choir for their faithfulness and hard work in leading all the parishioners in the worship of almighty God.

The benediction was pronounced by the rector. The choir sang the recessional hymn, Hark the Herald Angels Sing.

White chrysanthemums, poinsettias and greens decorated the attractive church for the Christmas season. The church was crowded for the service.
