

APPLYING MAKEUP to Sir Joseph Porter (Chris Denny) is R. R. Parker, who supervised the operation. Transformation of the characters portrayed in the two plays was amazing and speedy as Mr. Parker, Bruce Shoemaker, Mrs. W. Sproston and Mrs. N. Franklin worked with powder and paint. The application of the makeup was so expert that it was hard to detect the true identity of many of the actors and actresses. The auditorium was packed for the presentations both Tuesday and Wednesday evening.
