

The sunshine today makes the "For Sale" signs evident on thought of spring two days away quite a few homes in town.

—Don't put away the snow shovels yet, cold weather is to remain for a few weeks yet!

—Glen Banks has been conducting try-outs for the music festival at the paddle schools.

—Phone calls are being made this week soliciting entries for the Second Annual Mothers hot cross bun sale.

Perhaps it is wishful thinking but entries have been seen on the streets with wagons, markies and other summer toys.

Dishes in Lakeside subdivision that were cleaned out the first of last week were plugged again with ice and snow to the weekend.

The newly-organized maps of the town have proven quite popular. They are on sale at the town office and Fire Department for 25 cents each.

—How about it people who used to remember we happily spend the winter in fashioned winters? Now winter's here and yet nobody's satisfied.

—On Thursday you could tell the look from the main Canadians Shantock lodges and lodgments had got festooned, but they were more modest.

Parents Should Become Proud Of Home, Family—Moderator

Most item on the program was a panel discussion on the subject Health and Sex Education at the March meeting of the Amalgamated Home and School Association in the auditorium of the Robert L. D. Loudoun public school Monday. The panel consisted of Mrs. D. Ferguson, lawyer; Guelph the moderator; Dr. Loudoun, Guelph Medical Group; Rev. Crawford Smith, Guelph; Mrs. R. Parker a parent; Action; and Mrs. M. McAdam, school nurse; Action.

It is disappointing to report that despite the choice of a subject of vital importance to all parents and the selection of a well-qualified panel the attendance was poor. The panel noted that the apparent apathy in Action was not confined to this town, and the increasing disregard shown by parents towards their children's welfare was the cause of much concern to prominent people in public life.

Thought Provoking Questions

Mrs. Ferguson acted as a lively moderator and many thought-provoking questions were advanced.

4-H Work Discussion Highlight of Meeting

The March meeting of the Women's Institute was held at the home of Mrs. K. Kiessler, with the president, Mrs. K. Archibald in the chair.

Mrs. W. Arey read the minutes, business letters and several thanks-you notes.

In honor of Old Ireland the rally was answered with an Irish joke and as usual poor Pat and Mike bore the brunt of humor.

During the business session it was agreed to send a delegate to the coming Officers' Conference at the O.A.C. A cash donation was voted to the Red Cross and items of a baby's lavette were to be offered to the local public health nurse for distribution.

Mrs. S. Fuller, Mrs. R. Taylor and Mrs. B. Robertson were named as a nominating committee to bring in a slate of officers to the next meeting.

Country roads were blocked with snow this past week and some of the high school students couldn't make it to the school but because of sorrow they not only missed school but examinations as well.
