

## Broom Ball, Girls', Boys' Hockey Games Spark Entertainment at Arena to Raise Funds

**TURNABOUT** could be the title for this picture as opposing players assist each other with pad adjustments prior to a game last Saturday evening in the Acton arena when Acton girls downed Milton 4-2. The game, part of the program sponsored by Acton Legion Minor Sports, drew the close attention of all the spectators as they cheered the plays. Pictured above, left to right, are Janet Mitchell of the Milton team assisting goalie Blair Hochen of the Acton club and Gordie James, referee, watching as Joanne Fay, Milton goalie, has her pads tightened by Ruth Spielvogel of the local girls.

**LAST MINUTE CHECK** is made on the goalie's pads before Acton and Hespeler Squirts played last Saturday evening during the fund raising event to assist the Listowel Disaster Fund. A small crowd was on hand in the Acton arena to see the hockey and broomball but Minor Sports officials stated they may make another attempt at raising funds. Pictured above, left to right, are G. Sotheran, manager of the Hespeler team and his goalie, Bruce Knibbs, while Brian Robertson, Acton goalie, has his pads adjusted by manager Don Bothwell. Hespeler won the game 6-0.

A valiant attempt by Acton Legion Minor Sports executive to raise funds for the Listowel Disaster Fund fell short of expectations Saturday night when a very small crowd attended a special evening in the arena to see boys' and girls' hockey as well as a broom ball game.

Alce Johnson, president, said later that other attempts to raise money for the fund would be made by the group.

Tearing off the evening's performance was an exhibition game between Hespeler and Acton Squirts, with the former taking a decided win when they packed up six goals to Acton's zero.

Not indicated by the score was the game of art put forth by the Acton youngsters, even though outclassed by their opponents.

Coach Don Bothwell jugged his times time and time again, using timely strategy, but was outdone by the Hespeler coach, who side-tracked Acton's every move.

Penalties were handed out to Hall for Acton and Lloyd for Hespeler. Each was banished for boarding.

#### Girls Win

The "Rockettes", Acton's female entry in hockey circles, outclassed Milton Sports and Cycle girls 4-2 in a rough and tumble display of everything short of hair-pulling as five penalties were handed out, with the Milton girls sharing four of them.

Ruth Spielvogel, local forward, sparked the Acton girls to their win as she scored three goals and figured in one assist, with Mary Lou Creighton sharing the honors for the fourth goal.

Milton opened the scoring in the first period when Jackie Childsopped a hard, low shot past Blair Hochen in the Acton net.

The lead taken by the Milton team was short lived as Ruth Spielvogel blasted her way through the Milton line to blink the red light and tie the score.

#### Score Close

Janet Mitchell put Milton one again on a short pass from Jackie Childs, only to be equalled by another tally by Ruth Spielvogel on a pass from Mary Lou Creighton.

The first period ended in a 2-2 tie with a couple of penalties handed out for roughing and boarding to Acton and Milton.

and Mitchell for roughing. Acton's lone penalty was dished out to Susie Detels for roughing.

The second period started out fast, rugged and closely watched by the referees as the girls, tempers slightly frayed, boarded, tripped and swung the occasional stick. Both goalies played a remarkable game in the net as they held the period scoreless.

Going into the third period with the score tied 2-2, Acton, sparked by Ruth Spielvogel once more, notched their third goal when team captain Susie Detels passed a fast shot to her, and she popped it into the Milton net.

Mary Lou Creighton scored the fourth and final goal for the locals on a pink wide pass from Ruth Spielvogel before the end of the game.

Milton penalties were handed out to Ellsworth for boarding, Finn for tripping, Mitchell for slushing

**GOAL NUMBER ONE** is popped in the net by Bern Van Fleet of the Acton Fire Department as Lorne Wreck, Acton Citizens Band goalie makes a valiant attempt to stop the ball. Ted Tyler Jr. blew his horn for the band and evened up the score in a brilliant effort, assisted by his team mates Ray Wallis and Julian B. Dodds for throwing his broom, Don Van Fleet for tripping and Bill Spielvogel for causing the Firemen to have too many players on the ice at one time.

Referees Vic Masters and Kerwin McPhail, the only two on

the ice, held the players in check by handing out penalties to Firemen B. Dodds for throwing his
