Congratulations to Mr. and Mrs. (Flip) Ralph Shepherd on the arrival of a little daughter at St. Joseph's Hospital, Guelph, early Monday morning.

**Bran Muffin Contest**  
A novelty number conducted by Mrs. D. Fines was quite amusing and concluded a lengthy program. In the bran muffin contest, Mrs. George Young was winner.  
The next meeting is to be an evening affair at the school, when a member of the Provincial Police will be guest speaker, and all the families are to be guests. A raising pie contest will be held and later served for lunch.

**REVERSE FLOW OF RIVERS**  
To produce the hydro-electric power required for the aluminum smelting project at Kitimat, B.C., required the reversal of the flow of rivers by the highest rock-fill dam in Canada, ten miles of tunnels the first underground powerhouse in Canada, and the largest impulse turbine operating in the world.

**Ice Breaks Up at Dam Firemen Pump Cellar**

As a result of mild weather last week, ice on the river adjoining the Valley Road started to move out, and during the weekend, the river was more open.  
Monday, ice on Hort's mill dam started to break up due to the swift current of water adjacent to the new highway bridge. Toward the latter part of the afternoon, Jack Peart and Louis Hill were busy with crew bars loosening ice on the north side of the dam to enable ice to move away, and shortly after the greater part of the dam was clear.  
Riverside Park adjoining the highway was under water and the floor of the pavilion was under water over the weekend. At the present time there is no sign of good conditions due to cold weather overnight.
