

Over 110 Delegates Attend Central District Y's Men's Conference

E. B. JOLLIFFE Q.C., guest speaker at the Y's Men's Conference in Acton during the Saturday evening banquet, is pictured above second from left with some head table guests. Shown from left to right are, H. Arbie, conference chairman, Mr. Jolliffe, R. McKeown, past president of Acton club, and Al Falls, past District Governor. Mr. Jolliffe spoke on conditions in China as he found them during a recent visit.

Y'S MEN'S FLAGS of the international club were displayed at the head table at the banquet last Saturday evening, during the annual Y's Men's Conference in the Acton Y.M.C.A. Some of the head table guests are pictured following the dinner prepared and served by the Y Ladies Auxiliary. Shown above left to right are: Wilf Cleaver of Woodstock, Mayor W. H. Cook, Al Mesles, Acton and Ernie West, Pan Politec president, formerly of Acton.

Over 110 members of Y's Men's Clubs from the Central Ontario Region gathered at the Acton Y.M.C.A. last weekend for the annual District Spring Conference, Saturday and Sunday, to enjoy two days of fellowship, education and entertainment, with the Acton Club playing hosts.

Delegates in the conference were present from Galt, Brantford, Brampton, Kitchener-Waterloo, Kitchener Pan Politec, Guelph and Acton, and were billeted in private homes as well as hotels and motels.

Also present for the two-day affair was Y.M.C.A. general secretary Ted Sexsmith from Oakville, who was accompanied by several Y members interested in starting a Y's Men's Club in Oakville.

Two of the highlights of the conference were addresses by E. B. Jolliffe, Q.C., of Rockwood, former Ontario C.C.F. leader, and Jason McCoy, International Director from Canton, Ohio.

Tells of China

Mr. Jolliffe addressed over 100 Y's Men and other guests during the Saturday night banquet and reviewed his findings in China during a recent visit after an absence of 32 years.

The guest speaker, who was born of a missionary family in China, lived in that country until he reached the age of 17. He told the audience he recalled many of the problems and situations from his younger days and noted vast changes in the country when he returned last fall for a visit.

In his review of the vast strides China has made in an attempt to modernize in one generation, Mr. Jolliffe remarked, "It is wrong for us to assume that China will not be modernized in this generation. I think it will."

"It is difficult at any time anywhere to find people moving as swiftly as the Chinese of today. Nowhere else in the world do you get such an overpowering picture of history in the making," Mr. Jolliffe informed his interested audience.

The speaker also informed those present that the situation in China was both strange and unusual since the Communists had taken over the country.

Largest Country

He noted that China was the largest country in the world with a population of over 650 million people and stressed that it was increasing each year. Mr. Jolliffe also compared the acreage with Canada, stating it was almost the same as Canada, and if the water resources of the Great Lakes were distributed, China was larger than Canada.

The former C.C.F. leader noted the many changes in the natural resources of the country and said he was much impressed with the

immensity of material changes such as new houses, industries, power dams and steel mills.

The conference delegates and guests were told that at present China is enjoying the first peace in over the last 100 years, due to the communists.

Deserve Credit

In reviewing the present social welfare of the Chinese, Mr. Jolliffe stated that the communists deserve a lot of credit for cleaning up the situation which reigned for so many years.

The speaker considered the fields of education, public health and welfare, stating the new regime had made staggering achievements as it brought order out of chaos. "Corruption and moral decay have been replaced by principles embracing honesty, sobriety with a firm purpose and complete dedication to a new way of life."

Mr. Jolliffe noted that radio and television programs consisted mainly of classical opera with a new modern twist. He noted no rock and roll existed.

He also informed the gathering that primary schools were now teaching the new written language using 26 letters of the English alphabet to get better results.

In stating the methods adopted by the communists, Mr. Jolliffe said, "I don't think it is healthy for everyone to think the same way as it leads to progress sterility."

All Think Alike

The speaker stressed his amazement at encountering the unanimous conformity of thought in Communist China, people thought alike. He also noted that in other countries heretics and dissenters were not welcome but noted that in China this type was conspicuous by their absence.

"The Communist Party is proving that psychology is a more formidable kind of armor than any other weapon," remarked the speaker.

Mr. Jolliffe informed the group that on his return to China he had been welcomed everywhere he visited and noted that the YMCA and YWCA were quite active in that country.

He stressed, however, that there were a good number of people in the government who were not communists but belonged to other political parties working in association with the communists.

It was noted that China placed great stress on physical fitness with soccer and basketball the main sports.

Educational Progress

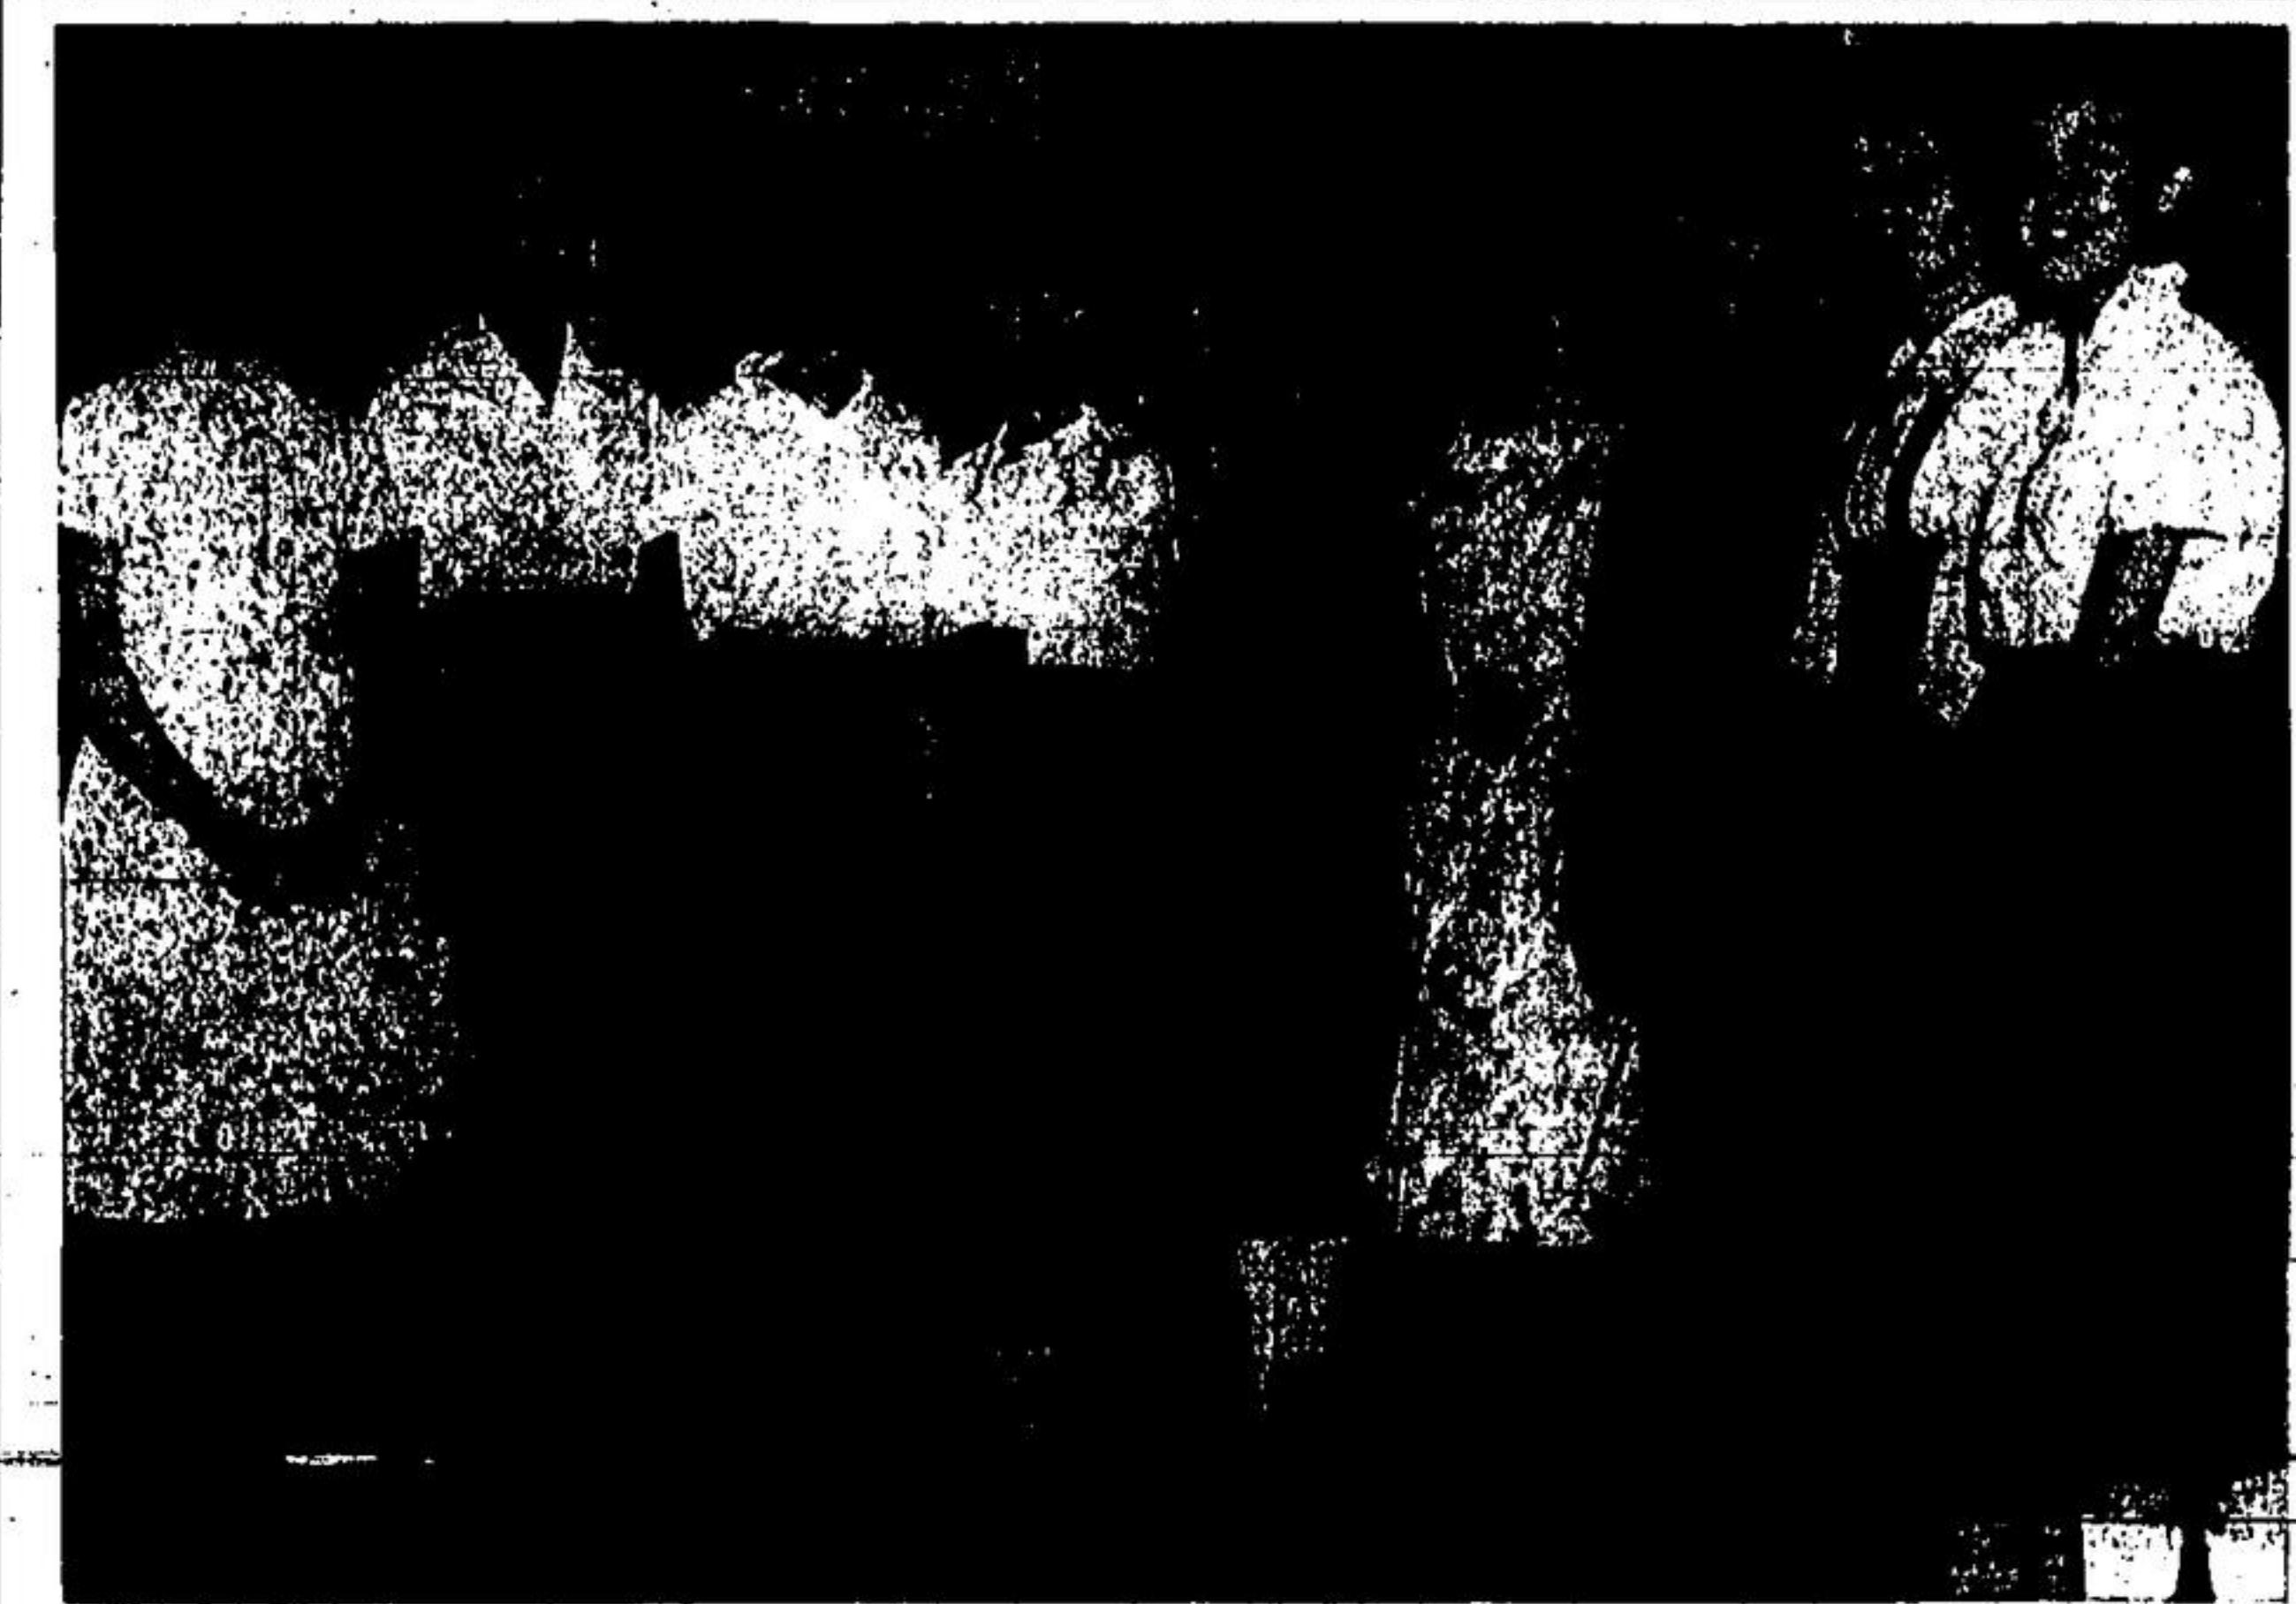

China has made tremendous progress in the field of education

Eighty-Fourth Year.—No. 41.

A TRIPLE TRIO from the Robert Little Public School entertained over 100 Y's Men from various clubs in the Central Ontario District during the Spring Conference in Acton last weekend. Pictured above left to right are: Pat Quennell, Mary Beth Elliott, Carol Evans, Caroline Hibbard, Helen Landshorugh accompanist.

ist, Karen Heller, Helen Benton, Susan Heard, Janet Rognvaldson and Pat Graham. Susan Heard and Mary Beth Elliott also sang a duet and Helen Benton entertained with a solo. The group were trained and directed by Doug Copeland, school teacher and member of the Acton Y's Men's Club.

International Director for Ontario were Carl Ridgway of Brantford as district governor, who succeeds Al Falls of the same club, and Roy Friedland, elected district representative to the district board from the Kitchener-Waterloo club. Percy Krotz of the Kitchener Pan Politec club presented the new slate of officers which was endorsed unanimously by the conference.

Simultaneous workshops were held from 11 a.m. until 12:30, when all break sessions dispersed for lunch.

Ohio Guest

Jason McCoy, International Director from Ohio, was guest speaker during the luncheon and noted that although Y's clubs began in 1922 and is considered one of the youngest service movements, it has expanded in the last 37 years as it has grown to 619 clubs in 32 different countries of the world.

The speaker also noted that although only one half of one percent of Japan is Christian, there are as many Y's Men in that country as there are in Ontario. He also pointed out the Japanese have the same Christian purpose as the Y's Men in Ontario.

Those present for the Sunday luncheon were told by Mr. McCoy Continued on Page Twelve.

Y's Men Keglers Roll Five Pins.

While the bowling was out of the calendar of champion hip meetings, the competition was keen on Saturday between seven teams from Acton, Brantford, Brantford, Galt, Galt, Kitchener-Pan Politec and Kitchener-Waterloo Y's Men clubs. The tournament was part of the two-day program of the Central Ontario District Conference of Y's Men.

The team from Brantford consisting of T. Remond, R. Remond, J. Goodman, D. Steer, E. Farnon and D. Lyons ran up a team score of 2711 to win top honors. Kitchener Pan Politec gave the Brantford boys a run for their money with 2720.

These two teams competed with Galt, with 2644, Brantford, 2424, Acton, 2461, Kitchener-Waterloo, 2430, Galt, 2405.

Tom Remond of Brantford was high scorer for the day at 624. A Martin of Brantford and high singer with 260. Sam Thompson of Galt had the dubious honor of being the lowest game of the day at 38.
