

English Young Farmer Delegate To Study Halton Farming Methods

Dairy Princess To be Selected At Annual Meet

This year's Halton Dairy Princess will be selected at the annual Halton Holstein Twilight Meeting to be held on Friday, May 22, at Hays' Sales Arena at Trafalgar.

The Dairy Princess will represent Halton at the Canadian National Exhibition in the Dairy Queen Competition for Ontario.

The decision to hold Halton's selection at the Holstein Twilight Meeting was made at a directors' meeting of the Halton Holstein Club held in Milton on Thursday, April 16, after reviewing a request made from the Halton Dairy Queen Committee.

Popular Decision
This decision should be a popular one since the annual Halton Holstein Twilight Meeting is always well attended by dairy enthusiasts in the county.

This year's Twilight Meeting will follow the format of other years, with demonstrations in judging, grading, plenty of prizes, and lunch.

One of the highlights of this year's program will be Dr. Gordon Macleod of the Animal Husbandry Department of the O.A.C., who will be the guest speaker.

Miss Dorothy Clough, English young farmer delegate, will be visiting with members of the Halton Junior Farmers' Association from July 27 to August 4.

The visit of Miss Clough will be a further step in the series of exchange visits between Junior Farmers in Ontario and members of young farmers' clubs in England, Scotland and Ireland.

Visitor from Yorkshire
Miss Clough is from Lowland Farm, Conston Cold, Skipton, Yorkshire. She first joined the Young Farmers' Club in 1946, and has held various offices as Regional and County representative. She is at present working at home, particularly with the poultry enterprise carried out on their farm.

During her stay, she will visit farms in Halton and study farming methods carried on in the county. While here, she will be entertained by the Halton Junior Farmers' Association.

Halton Plowmen To Enter Match

Plans for the Local Day at the International Plowing Match were made at a meeting in Dundas on Friday, April 17. The Local Day program will be the first day of the International Plowing Match to be held in Westworth County, and will include seven counties.

Halton Plowmen will be represented in the program, and two representatives of the Halton Plowmen's Association will be acting as stewards.

Clebert McDowell and Roy Elenton attended the meeting in Dundas, and will be acting as the Halton Plowmen's representatives in the Local Day program.

Peel County Entry Wins Drama Festival

The entry of Peel County was awarded the decision in the Junior Farmer Zone Drama Festival held at Acton on Friday, April 10. Four counties were represented with one-act plays, including Peel, Halton, Dufferin and Wellington counties.

Halton's entry in this program was the one-act play presented by the Palermo Junior Farmers.

The Zone Drama Festival is a new venture resulting from the keen interest in drama on the provincial level. The number of counties taking part in this type of program has increased greatly during the past two years.

As a result of the increase in entries, several Zone Festivals were held, and the winners competed at a Provincial Festival at the Ontario Agricultural College, Guelph, on Wednesday, April 22.
