9 acres rocky woodland, cons. 4, 7 mi. N. 401. No mineral water claimed nor promised . . . not even 2500 thimblefuls 1 day. The notes about assumed proximity to quote "mineral spring water flow 2500 gals. 1 hr." unquote on farm to the West, is given out, quite frankly, as added attraction to lagging buyers like carrots to tired donkey. Don't be a pessimist or an optimist but coolly calculate the value of advertised mineral water in proximity of 9 acres before bidding or passing up chance of same at $80 per acre. 170' frontage on good road, hydro. 186' backage on "55,000" 200 acre farm. Five Municipalities To Study Problem

Continued from Page One

Milton as 1959 chairman and councillor B. Reid of Milton as vice-chairman.

In relinquishing the office to his successor, Mayor Cook thanked the board members for their co-operation during the past term and informed them that although not too much had been accomplished, they had maintained a spirit of co-operation between the three towns.

The Georgetown mayor also informed the group that he felt the board had accomplished considerable with the three towns working together for the past five years since the board was formed. He commended former Acton mayor E. G. Tyler Sr. for his interest in the board during its initial formation.

Mayor Armstrong thanked Mayor Cook and former vice-chairman J. T. Hurst (who recently resigned from Acton council) for the manner in which they had carried out their work on the board.

The board agreed to hold their next meeting with representatives of the township on June 3 in Milton.
