FOR SALE
9 acres growing rocky treeland, 4th line north of 401, 3 mi. S. No. 7.3 mi. E. No. 25 by gravel. All miles guaranteed truthful to small unimproved acreage. Being on public property, can be checked up without trouble (if thought necessary with me). In addition, this land about a 1/2 mile to the West, which farmer's 200 acres is assumed to be of crown land, 200 acres advertised in 1957 Tr. paper except that 200 acres in ad is quoted as 2 miles south of Acton, off 25 Highway, whereas about 200 acres (i.e. land) is, in truth, 3 mi. from 57 Acton signpost by gravel area and 25 Highway, including 1 1/2 miles "off" No. 25 (and line) by gravel. None the less (despite this discrepancy in geography) the 200 acres in ad is assumed to be of crown land. Thus (by same ad) is noted "90 acres of hardwood, mainly maple, worth about \$20,000." Because of this history, unknown but fortunate information and the resemblance in climate and ground of our tree lands, my buyers are the trees on 9 acres should be worth (if and when of similar status in future) "about" 2,000 (1957) converted into future dollars. Even if these trees do not materialize and the trees become worth only a fraction, so what? The land itself and the rocks will always be there with a certain value. But no guarantee or promise of the future value of the trees. In years to come 9 acres might actually get on a Highway (the "off" highway) and become more valuable. But since it now is, in truth, 3 mi. from nearest (No. 25) right hand road price is \$80 an acre for building, 150 ft. on good road, wood, 200' backage onto "55,000" 200 acres. Pre-25 25 acres sold for cash day after day in Georgetown paper. Write only.

Hobby Class to Contribute For Purchase of Loudspeaker

Twenty-six ladies attended the last regular meeting of the current Hobby Class season on Wednesday afternoon, May 6. Mrs. Lockie and Mrs. Allen presided over the meeting. The chief item of business was the passing of a motion that the class contribute the greater part of its current financial fund to the purchase of a loud-speaker for the auditorium in the new addition. The brief business period was followed by an hour of bingo, with Mrs. Allen calling the numbers and Mrs. Lockie helping the handicapped. In the nine games played Miss H. Melcalf was so fortunate as to win three prizes and Muriel Thompson two prizes. One prize was won by each of the following: Mrs. N. Barlow, Mrs. H. Langhorne, Miss Joan Menzies and Miss Kate Hill. The serving of a cold orange drink and delicious sandwiches provided with compliments of the kitchen staff added an enjoyable half-hour to the meeting. The Missph benediction brought this very enjoyable final meeting to a close. The class expects to begin another season of regular meetings in the early fall.

Corages for Ladies
On the morning of Mother's Day, Sunday, May 10, each woman resident had the pleasure of receiving a carnation corsage from Mr. B. Allen, the Superintendent. These pretty corsages were given in observance of Mother's Day and were worn for the balance of the day. Rev. E. Orsburn, minister of Knox Presbyterian Church, Milton, conducted the service and Mrs. S. Lockie played the piano and led the singing at the church service in the chapel on Sunday afternoon, May 10. Mr. Orsburn read part of Chapter 15 of St. Luke's Gospel as the scripture lesson and then delivered a most interesting sermon on the Parable of the Prodigal Son as related in this chapter. Mr. Orsburn explained that the story of the Prodigal Son revolves around two requests made of his father by this son. The first request begins with the words, "Father, give me" and the request itself proves what a selfish, self-centered person he was. Later, when far away from his home and his father, he came to himself. Now he planned to say "Father, make me as one of thy hired servants," and to throw himself upon his father's mercy. This parable was told by Christ to the scribes and Pharisees in answer to their criticism that He was mingling with sinners and that Christ drew an analogy between the Prodigal Son on the one hand and the other.

Choose Many Local Paintings For Art Show in Burlington
One hundred paintings displayed by Halton County residents drew a crowd of close to 200 visitors to the Agricultural Hall in Milton on Saturday and Sunday. From the entries, 40 were chosen to represent the County at the regional art show at Burlington this coming weekend, when 20 paintings will be chosen to enter competitions at the Canadian National Exhibition. Better display space and a better turnout of paintings were cited as the reasons for the large success of this year's show. Mrs. Elsie Church of Milton was chairman and Mrs. Joyce Henry also of Milton, was vice-chairman. Show judges were John Schlaeter and Mrs. Pauline Horjine, both of Kitchener. Locals Chosen
