"Back," she complained one day. "I'm ashamed. Papa pays our rent - mama sends money for food - my sister sends me all my clothes..."
"You shore ought to be," Buck broke in. "You got two uncles back east that don't send us a stinkin' dime."

OWEN MULLIN AND FAMILY
LIBERAL CANDIDATE - HALTON COUNTY

Dear Fellow Voter:
As a candidate, worker, and fellow property owner I have a personal interest in the affairs of Halton County. If you will give me your support on June 11th, I will insure that the following are forcibly presented to the government of this province:

1. Rigid code of inspection for natural gas installation to protect against accidents such as those which have occurred in Halton County.
2. A complete review of our educational system to provide equal opportunities for all regardless of economic position.
3. Portable pensions to insure that worker's pension seniority will not be lost due to change in employment.
4. Department of marketing to assist in distributing and marketing farm produce.
5. To restrict the powers of the Ontario Municipal Board whereby the final decision remains with the voters and not the municipal Board on issues of major importance.

Good government can only be attained if the elected member gives effective representation for his own riding. Vote for the candidate you feel will best protect your interests in Halton County. Your vote will give me the privilege to represent you and I will insure that your views are forcibly presented at Queen's Park.

Owen Mullin
Liberal Candidate.
