**Birthday Cakes Lend Festive Air As Oakville Church Ladies Visit**

Between two and four o'clock on Monday afternoon, June 8, the residents spent a very happy time in the company of a number of very friendly and generous ladies from Oakville. These ladies were members of groups two and four of the W.A. of St. John's United church in Oakville. Mrs. F. C. Thomas was the convener of this pleasant event.

At two o'clock the residents were taken on enjoyable little automobile tours around Milton and the adjacent countryside in cars driven by the Oakville ladies. Returning to the dining room of the Manor, the residents enjoyed a social hour with the visitors. Led by Mrs. Thomas and accompanied by Mrs. Radley on her accordion, the visitors and residents joined voices in community singing. Mrs. Radley played several accordion solos also.

A most delicious lunch was then served. Two attractive birthday cakes, one of which was topped with lighted candles, lent a festive air to the scene. Explaining that the birthday cakes were in honor of everyone present, Mrs. Thomas asked Mrs. N. Given to blow out the candles. Sandwiches, gingerale, ice cream and the birthday cakes were then served.

Before leaving the Manor, the ladies left two gifts with each resident. Each woman resident received a prettily wrapped cake of soap and a dixie cup filled with cookies, while each man resident received shaving lotion and a dixie cup of cookies. The friendliness and generosity of these gracious visitors made a deep impression on the residents and future visits would be keenly anticipated.

**Ladies' Choir Visits**  
On Tuesday evening, June 9, the residents had an opportunity to renew their acquaintance with the members of the Burnhamthorpe Ladies' Home and School Choir. The residents had first heard this fine choir at the Christmas party given for them at Holy Rosary school in December last, and were very glad to have an opportunity to greet them again. The choir is connected with the Home and School Association of the Burnhamthorpe public school.

On this occasion, as in December, Mrs. P. Feast was the very capable conductor, and Mrs. A. Savage the equally capable accompanist. The president of the choir, Mrs. N. Moore, was also present. There were 15 visiting ladies in all.

The program was presented in three portions. The first and third portions were made up of choral numbers, while the second or intervening portion was a very humorous skit directed by Mrs. E. Sanderson. The first group of five choral numbers included Tammy, Autumn Leaves, and Oh, What a Beautiful Morning. The last group was made up of sacred selections, which included Nobody Knocks but the Lord, and May the Good Lord Bless and Keep You.

The intervening skit was most amusing. It depicted four charwomen engaged in the task of mopping up the stage of a theatre after an evening performance. Each charwoman gave an exhibition of the particular talent she thought she possessed — acting, singing, playing the piano and ballet dancing. The acting was so natural and realistic and the dialogue so humorous that the entire skit

was heartily enjoyed by the very appreciative audience. A pleasant social period was spent with these ladies when soft drinks and cookies were served. An added touch of humor was enjoyed when Mrs. N. Moore recited Albert and the Lion at the close of the evening.

**Coronation Film**  
Friday night, June 12, found the residents making the acquaintance of a very friendly and hospitable group of young people in the persons of seven members of the Young People's Society of St. Paul's United church in Oakville. It was a pleasure for the residents to meet, in addition to the young people, the minister of their church, Rev. George Watt, B.A., B.D., who had made the arrangements for the meeting. The president of the group, Miss Betty Warlow, was among those who came.

The entertainment took the form of three motion picture films. Before the showing of the first film, Mr. Watt extended greetings from the group to the residents. First film featured a barber shop quartet singing a number of old ballads in which the audience was invited to join. The third film depicted the antics of three bear cubs and was called Three Little Bears on a Spree.

The highlight of the evening, however, was the showing of the colored film, Canada at the Coronation. While watching it, the audience witnessed again the thrilling scenes of the Coronation of Queen Elizabeth II on June 2, 1953. This film was of special interest, due to the fact that our Queen will be touring Canada this summer.

During the social hour that followed, an enjoyable time was spent by the visitors and residents in getting acquainted. Delicious refreshments of ice cream and cookies brought by the visitors and soft drinks provided by the Manor were served. A speech of thanks by Mariel Thompson was responded to by Mr. Watt, who expressed the pleasure that the whole evening had given to the visitors, and by Miss Warlow, the president. The residents hope that these newly formed friendships will be strengthened by further visits from this fine group of young people.

**Vineyard Laborers**  
Rev. E. Orsborn's sermon at the church service in the chapel on Sunday afternoon, June 14, was based on the parable of the laborers in the vineyard as told in chapter 20 of St. Matthew's Gospel. Mr. Orsborn explained that in order to understand this parable, we must understand the circumstances surrounding it.

**Firemen Awarded Trophy For Prevention Program**

Halton firemen had a busy Sunday, with a parade in Oakville in the morning and a fire prevention bureau meeting in Burlington in the afternoon.

The morning parade marked part of the Oakville brigade's 50th Anniversary celebration. In the afternoon the group travelled to the new West Burlington fire hall at Aldershot, where Fire Chief A. E. Clement of Milton accepted a fire prevention trophy won by the county in national competition last fall. George Alexander, a deputy from the Fire Marshall's Office, made the presentation.

**Radio Use**  
The firemen held a lengthy discussion on radio communication for brigades and saw a film on evacuation and Civil Defense. Guests made an inspection tour of the large new hall.

**Commend Youth**

Spectators at the scene of an accident in Rockwood last Saturday evening, when two Acton girls received serious injuries, commended Don Brown, an Acton youth, with being instrumental in removing the fallen tree and other debris from the trapped girl. Hospital authorities later praised him for accompanying the injured to the hospital and assisting with information.

**Sportsmen?**

Three Guelph residents were apprehended by Conservation Officer R. M. Keld on the Sixteen Mile Creek near Milton Heights Thursday of last week. The men were taking undersea trout "by means other than angling," said the Game Warden.

"Needless to say it is very un-sportsmanlike, and they will be dealt with accordingly," he added.
