

Steinberg's FESTIVAL OF VEGETABLES

Ontario farmers grow fine crops of young vegetables... and you'll find the choicest of Ontario grown vegetables at Steinberg's.

From the moment of selection by Steinberg's expert buyers, these vegetables are kept flavorful and fresh through quality control, expert handling, quick shipment from location to market, and protection by refrigeration.

Visit your Steinberg's Market and join in the festival - THE FESTIVAL OF ONTARIO GROWN VEGETABLES.
