"I am not concerned with what

think in my opinion it is". Urges Pressure

A three man delegation from the | formed the group council had visit-

Mr. Moss suggested that council people to distress as they can't sleep. "Make him realize it is no only getting on people's lungs but getting on their norves," he remark-

Raises Objection

Mr. Moss asked council what they were going to do and remarked 'Mayor Cook has stated what can be done." This statement raised an objection from the mayor as he emphasized "I object, Mr. Moss, have done more than you or 50 people like you". Mr. Moss enquired what he (mayor) had achieved and heard the reply, "What I have achieved is nothing compared to what
