In the International league, played at the Acton High School playgrounds, Rochester, and Buffalo play while Montreal and Toronto, battle it out for a berth in the finals.

Bantams Ousted as Milton Wins 13-6

Acton Bantams baseball team can bring their uniforms away in multi-balls following their 13-6 defeat at the hands of the Milton team in the final game of the playoffs Saturday morning in Milton park.

Acton started the scoring off in the top of the first inning when they notched two runs but their lead was short lived as the Milton youngsters took advantage of the Acton errors and soon had the locals headed all the way.

T. Johnson started the pitching duties for the Acton bats but was retired in favor of Bruce Simits in the fourth inning, who gave up only three hits during the balance of the game.

Masles on short stop for the Acton team headed the ball on a couple of occasions and was joined by Malcolm and Homer, in the error column.

The Milton lads racked up 11 hits while Acton only notched three during the game.

Doug Beattie of Acton, plate umpire, and Mike McConnell of Milton on bases, judged the game steadily and fairly as they called the plays.

No excuses for the local team. Just a little more fire and interest and they have the makings of a top-notch club.

Bruce Andrews continued to pace his way to victory on Saturday, when he placed second in a very close race at the Emily Begley Memorial track meet in Faircourt Park, Toronto. Entered, as usual, in the one mile event, he crossed the tape right behind the winner, Ergus Leps of the East York track club at 4:27. Bruce's time was 4:28.

There were eight in the race. Trophies went to the first, second and third place winners.

Results to the two-mile race were so close that the first place winner, Dick Carmichael of the Toronto Olympic club, and second place winner, Al Claremont of Guelph both clocked the same time - 9:38.5.

Bruce Andrews runs for the Guelph Legion track club. Another Guelph entrant, Art Hackett, placed third in the open mile.

Huntsville Win Boxla Tilt 17-7

Acton Nicola Lacrosse Club suffered a 17-7 defeat at the hands of the Huntsville Club, when they journeyed to the northern town Saturday night.

Playing short handed the locals ran out of steam and failed to keep pace with the fast moving Huntsville lads boosted by several of their juvenile players.

The Acton team played the game with only nine men and suffered another setback when Ted Foutitt of the local club and K. Wood playing with the northern woodsmen, were handed a match misconduct for a penalty box fringe.

Scores for the Nicola team were Garbutt and Hibson, two each. Incoe, Foster and Page, each counting once. Holiday played havoc for the home towners as some of their top notch scorers were absent for the game.

Trouble that looks like a mountain from a distance, usually is only a hill when you get to it.
