LETTER TO THE EDITOR

Former Actonians United By Address in Free Press

778 Grosvenor Ave., El Cajon, Calif.

Dear Dave,

Just felt I must write and congratulate you on your wonderful paper, The Acton Free Press. I don't think we ever really appreciated it so much as now when we are so far from home. Not only does it bring us the local news but has brought old friends to our door.

We received July 23rd's edition on the following Monday and read Jack and Ruby Calvert's address in it. That evening, we dropped them a line to let them know we were only 120 miles south of them. On Wednesday evening, we drove in to "The Calverts". We were ever glad to see them! As you can imagine, we talked far into the night and were only sorry they had to leave the next day as Jack's job was waiting.

Suggestion to Keep in Touch.

It did give me the idea, though, as so many families seem to be moving to the United States since Milton's shut-down, it would be a wonderful thing if each sent their address to your paper, to be published in any spare corner you
