## Juniors Receive Watches For Calf Showmanship

The Lovella got to cracking in the last and was able to mark up a win as a result. Bea Anderson's 219 for Benson's and Charlotte Holmes 250 for Lovella were the single highlights in this go.

**League standing: Prouse Motors** 15, McCallum Service 14, Corina Shoes 11, Lamb Real Estate 10, Beaman's 7, Lovell Bros. 6.

### Acton Major

October 8: Nicol's Tiger Cats had to go all-out to hang onto first place. They needed a three-game win from the Ten Pro to do it because the high flying Casarin Flyers were breathing hot and heavy down their necks with a three game win from Acton Billiards. Dominion Hotel won the first game from the Firemen, then the Firemen broke their winless string by winning the second game. This surprised the Firemen that they felt easy victims for the Dominion in the third go.

One of the keenly contested competitions in Acton county is the Calf Showmanship Class at the Georgetown Fair. There are two divisions in this competition, one for boys and girls under the age of 16, and the other division for contestants under 21 years.

In these competitions, the boys and girls show either a beef or dairy calf, and compete for showmanship awards. In judging showmanship, the manner in which the calf is presented to the judge, the method of fitting, and the deportment of the contestant while in the ring, are all considered.

**Judge from Q.A.C.**  
Prof. M. W. Staples of the Animal Husbandry Department, Ontario Agricultural College, Guelph, acted as this year's judge.

Jean Hunter, daughter of Mr. and Mrs. Clifford Hunter, R. R. 2, Georgetown, was awarded a Junior watch as the outstanding Bull-ter Showman.

In the senior section, Ernest Alexander, son of Mr. and Mrs. Mac Alexander, Norval, R. R. 1, was awarded the gold watch as outstanding Showman.

## Five-Day Trip to Jamaica Reward for Contest Winners

A five-day, expense-paid trip to Jamaica will go to the winning boy and the winning girl in the Ontario Federation of Agriculture's annual Prince and Princess Competition. The contest is especially designed for Ontario's rural young people from 16 to 25 years of age, and is a competition of knowledge, poise and ability to think. Beauty does not enter into the contest at all insofar as the girls are concerned.

The annual contest is designed to create greater interest and understanding in farm organizations, farm problems and general agriculture. Contestants must enter county contests, and a winning boy and a winning girl will move on to zone eliminations.

From the zones, a winning boy and girl is sent on to the finals to be staged at the Ontario Federation of Agriculture annual convention at Toronto on November 2, 3 and 4.

Contestants answer written questionnaires at each level, and must deliver a short speech in the

Tiger Cats won their first game by plenty from the Raiders but the Raiders outlasted them in the second and took down the verdict by six pins.

Top doubles honors went to Bruce Shultis 118-192 (310), Sandra Franklin 137-134 (271), John Dunn 161-121 (282), Lorna Macpherson 147-103 (250), Don Harris 159-140 (299), Jill Hurst 165-182 (347), Keith Andrews 118-249 (365), Frank Morton 161-97 (258). Cheltenham, Orangeville, Inglewood, etc. industries are dependent upon the Credit River for their operation. At the present time, Georgetown and Meadowdale have planned additional industrial developments.

The Credit Valley Watershed has one of the best scenic routes in all of Ontario, stretching from the northern reaches of the Credit River, north of Orangeville, to Lake Ontario at the south; from Caledon East on the east to Acton on the west. The entire of the scenic routes could not be completely travelled by auto in one day.

#### High School

October 5: The "pursuers of knowledge", better known as the Acton High School bowling league, got underway with several of last season's Saturday morning league balloting the ranks, turned in some very creditable efforts.

On the team scene, Pin Spillers won games one and two from the Whizbangs, then the Whizbangs biggest home a winner in the third to take onto one game.

Flyers duplicated this when they met up with the Sliders. They won the first two and dropped the third.

**Win Odd Point for Totals**  
The Hula Hoops - Comets go was a bit of a struggle. Hula Hoops scratched out a win in the first, only to have the Comets overwhelm them in the second. The Hoopers rallied in the third for their second win but the Comets biggest home a win gave them the odd point for totals.

A healthy trio of triples were trounced by Mike Rogers 912, Pete Homer 628 and Bob McCurdy 608. Some neat singles crumpled up in the afternoon's trundling. Dave Peat 205, Bob Foyers 205, Gary Walker 232, Ian Jeffers 216, Nancy Wallace 203, Don Brown 223.

**League standing: Pin Spillers** 5, Flyers 5, Hula Hoops 4, Comets 3, Sliders 2, Whizbangs 2.

#### Knives

October 8: Knives really stuck it into the Trowels when they met up with them in the Porter league. All games went into the swing bag of the Knives Trowels threatened to win the second and cut but it went to the Knives by 26 pins. Deing sharp on the heap for the Knives were Beryl Jordan with 698 and Martin Oehrlrich with 681. Earl Waller turned in a 223 single for Knives. For the Trowels, it just wasn't their night.

**In Second Place**  
Files overruled the Rules for all games in the weekly rollfest and found themselves in second place as a result. "Dapper Don" Kennedy and Gerry Funk, with singles of 218 and 221 respectively, topped the Files' bowling. Rules just didn't measure up to the occasion.

Bits were doing a bit of all right when they took the four line against the Snws. They completed an all or nothing night by winning all three games from the Snws. Eric McKenzie 645 and Bill Pendleton 710 were the big wheels for Bits with Claire Lynch doing her bit with a 172 single. Joanne Duval posted a 203 effort for the Snws.

**League standing: Knives** 17, Files 16, Bits 12, Snws 9, Trowels 7, Rules 2.

#### Industrial-Commercial

October 7: Guy's Cartage was highballing along like the Guy's of old when they met up with Acton Woodcraft. Bud Warner with a 223 initial win for Guy's. In the second, Ed McHugh 213 and young John Creasey 209 kindled the victory flame. In the third, Don Bexton 204 and McHugh again with 245 completed the rout of the Woodcrafts. It just wasn't the Woodcrafts' night to howl, unless it was a dismal vein.

**Bolster Lead**  
A jolly, jolly crew are the Jolly Rogers. They made it two and two from Reliable Taxi to bolster up their first place lead. The first go was a 172 single. Highlight of this go was the appearance of a birthday cake for Jack McCutcheon on the occasion of his birthday. Amidst a rousing chorus of "Happy birthday to you", the shy and modest Jack accepted his tribute which he generously cut up and shared with his teammates.

**League standing: Phantoms** 15, Wash Outs 14, Turtles 14, Happy Seven 12, Bluffers 4, Debatables 4.

#### Acton Mixed (Ex. Avro-Orenda)

October 9: With Jim Pope as president, Bob Martin as secretary and Dot Earle as treasurer, the ex Avro-Orenda league, which in future will operate under the name of the Acton Mixed League, got underway with six teams, namely the Jokers, Eagles, Jesters, The Bombs, Little Rascals and Broken Arrows, along the fun line and in some cases going over it.

It was a good start for the Broken Arrows. They won all three games from the Little Rascals. The Bombs, after dropping the first canto to Jesters, found the range and blasted home wins in the second and third.

**One Enough for Win**  
Eagles flew high in the first game with the Jokers for a win. In fact, they flew so high they forgot to return to earth and the Jokers won games two and three. Eagles had consolation in that their single win was enough to pick up the extra point for totals.

#### Acton Ladies

October 7: Prouse Motors took over the top spot on the losem pole when they won games one and two from Corina Shoes. Corina Shoes stepped out in the last game to win by 20 pins. The win enabled the Coronas to hang onto third place. Singles of 220, 221 and 227 from Marion Pope Faye Pink and Elsie Swift in that order sparked the Prouse win. Helen Oehrlrich with 601 (253) headed up the Coronas' bowling.

McCallum Services squeezed out a 1 pin win from Lamb Real Estate in the first, won the second fairly easily, then needing a third game win to keep pace with Prouse Motors. fell flat on their faces and watched the Little Lams barrel home with the win and totals. Joan Knight with a triple of 600 and Marion Storey with singles of 219-319 were serving em up for McCallum Services Diane Spurdew with singles of 219-242 topped the Real Estates' trundling.

**League Stand: Lovell Bros. Win**

#### Legion Ladies

October 5: Frisky Belles with a two and totals win from Angelis tried hard to push said Angelis off of cloudeight. As it is, Angelis have barely room to stum their harps.

The Belles are crowded right alongside of em.

Lazy Susans were playing "knees up, Mother Brown" with Threesbes and handed them the short end of a 3-2 go leading lady for the night was Phyl Angell who rolled a neat 231 to round out a triple of 520. Dot Earle crowded la belle Angell with 511.

Some of the ladies took time off from their knitting to register some good singles. Joyce Buchanan 213, Dot Thompson 213, Partridge Jordan 225, Dot Emerson 228, Marilyn Hill 200 on the nose.

**League standing: Angelis** 16, Frisky Belles 16, Lazy Susans 14, Threesbes 10.

#### Blue Springs Nursery

October 6: Astors are showing plenty of early loss in the league race and for the second night in a row, have taken all games. However, with the rest of the teams beginning to jell, Astors will probably need these points.

Boys seemed to have trouble with corner pins and it spelled their downfall. Gayle Hulford's 614 triple and Carol Wallis' 217-212 singles did not do the Astors any harm.

**Two and Totals**  
Mums, with the singles of Millie Stitt 240, Audrey Urquhart 209, Ruth Hulford 206-304 and Cheryl Morton 226 to offset Violeta Beryl Jordan 628 triple, made it a two and totals win.
