

"Live" Concert On P.A. System

The band concert last week almost turned out to be a solo by the drum section.

With frosty winds swirling around the players grouped on the front steps of the Y.M.C.A., various complaints arose from the benches, clarinets and saxes.

Bandmen kept dabbling into the Y to warm up their instruments and racing back into position to add a few notes before the valves froze again.

"Live" Entertainment

Although the combined sound of the carols wasn't too bad, the band moved in massive and thoughtful fashion, but their warmth and finished their Christmas serenade over the public address system.

Chief Jack Newton announced the change from records to "live" entertainment, and his voice boomed out over town Christmas "from both the Firemen and the Citizens' Band.

The players enjoyed coffee and cookies in the fire hall.

Tips on Touring

Lost car keys must be one of the most frustrating experiences in modern life. Here are some tips for avoiding it.

Agree on one place the keys should be when they are not in use—a hook in the kitchen, a drawer by the telephone—and be sure they are there. Keys and a hub cap are harder to get at, but they're safe enough. Spare keys should be in a separate envelope in your wallet.

Copy the serial numbers of the keys and keep them in a safe place. Then if all keys are lost, you can have more made.

Never lay your keys inside the luggage compartment, even for a minute.

Take the keys with you every time you leave your car. This avoids the embarrassment of locking the keys inside.

But what if the keys are locked inside? If a window is open a little, pressure may open it enough to let you reach the door lock. Or, if the door is open, a coat hanger can be slipped by the door handle.

They're plowing out the roads in the community following Tuesday's snow storm.

—Town workmen are busy plowing out the roads in the community following Tuesday's snow storm.

—N. L. McMillan of Irlington, noting this begins his 54th year as a subscriber.

—TV aerials were bending at weird angles during the snow storm. Some of them wrenched away from roofs altogether.

—Some residents report that the snow in this past week was the worst since New Year's Eve in 1929 when power lines were knocked out.

—Garbage collection and town cleanup work is being done this week. The garbage with the snow and ice coated on containers.

—Noticed one smudge pot burning in a vain effort to throw the ice from the branches of a hydro wire.

—A unique display was in the window at Action Home Furnishings store Christmas week. A delightful Hansel and Gretel Christmas house made of candles, cookies and gingerbread. The cake house was even furnished inside! The cake reminds her of her native Czechoslovakia.

Group at Prayer

A watchnight service will be held New Year's Eve (tonight) at Action Pentecostal Tabernacle. Members of the congregation will be in prayer when the new year arrives, said their pastor, the Rev. Kenneth Reid. He plans to begin prayer shortly before midnight.

The service will begin at 10 p.m. with special music, choruses and testimonials.

Solos will be sung by Mrs. Gordon Bowen, L. F. Porter and Mrs. Jim Baker, and a duet by Mrs. Simon and Eddie Lawes. The organ and Harold Reid the piano.

Two Services At Dutch Church Christmas Day

On Christmas Day the Christ Lutheran Reformed church was filled with worshippers for the morning service in English and the afternoon service in Dutch. The church was decorated with mums for the service and with short under the direction of Casper Pauw, the organist, sang special selections.

The Rev. Jelle Nuijma spoke in the morning on Luke 2, the first seven verses, continuing the seven verses in the afternoon which he based his message on verses eight to 12.

There will be a service at the church on New Year's Eve, starting at 8 p.m. in the Dutch language. On New Year's morning at 10 a.m. there will be a service in English.

N.Y. Driver Unhurt In Yule Accident

A Christmas day was unharmed for a driver who was involved in a crash on the New York State Thruway near Cassville, Ontario.

The car skidded into the south side of the road, causing \$1400 damage. He was unhurt. Capt. A. Connor of Dundas O.P.P. detachment investigated.

Design Rocket Nose

Dr. Molozzi helps Ottawa and his wife spent Christmas in Georgetown with her mother, Mrs. G. Sargent.

Dr. Molozzi used to live in Acton and is a brother of Mrs. Ken Bell. He went to school here before proceeding to Georgetown high school. He obtained his B.S. degree in engineering after graduation and then joined the government research program in Ottawa.

He is at present at Walling's in Land Virginia, where a rocket launching is planned. The rocket contains a Canadian nose cone and he is one of the designing engineers.
