

SPILLING FIVE PINS AT ACTON BOWLING LANES

by KEN HULFORD

High School

February 1: Being February the first and all that, Whizbangs decided to stay in first place by taking down the big portion of a 5-2 go from the Alley Gators. Pat Ouenell rolled a 229 for the Gators in the first, but Wayne Mason was in there for Whizbangs with a 240 and it was the Whizbangs who won by 11 pins. Whizbangs failed to hang out any big scores in the second. Neither did the Gators but they evened up the games with plenty of pins to spare. A lack of big ones in the third but the Whizbangs were again the winners to add to their point total.

Comet Take 2nd Place Hoops

The second place, Hula Hoops did a bit of falling by the way side when they met the Comet in the second game. The Comet won one and were the two and totals winner. Hula Hoops squeezed out their win in the second by five pins. Gary Walker's 221 single stood out for Comets as did Terry Masales' 218 for Hula Hoops.

Sliders Try to Leave Cellar

Sliders were making a determined bid to get out of the cellar and got off to a good start by winning the first game from the Flyers. Flyers managed to get going in the third to rack up their single win. Sliders tucked away the odd point for totals by plenty. The Sliders' sharpshooters were Allan Hall with singles of 209 and 217 and Bob McCurdy with 298. Jim Bullough with a 200 and 208, along with John Duffield 215 were rolling the best for Flyers.

League Standing

Whizbangs 73, Hula Hoops 65, Comets 57, Flyers 56, Alley Gators 54, Sliders 52.

February 1: Wayne Spires 204, Ben Rudy 216, Ed Phillips 216 and Jeff Fryer 248 took care of Fred Kentner 254 and Phil LeSueur 276 in the first and Chrome were off and running. Spires went for 210 in the second but John Dennis 202, Ed McGilgoway 202 and LeSueur 272 clinched the equalizer for Rolling Room. Chrome fell to pieces in the third and with Hec Lambert 210, McGilgoway 303 and LeSueur 274, it was a two and totals win for the Rolling Room. Top triples in this go were McGilgoway 486, LeSueur 822 and Fryer 627.

Leathers Have Triple Win

In the first for Tan Yard, it was Harry Rogers 206 and Gord Taylor 203, but anchor man Johnny Tvers was in there for the Upper Leather with a 256 and it was an Upper win. Bill Howell was the pacer for the Tanners in the second, but again it was Tvers with a 272 to salt away the second win for Upper Leather. Lloyd Flear came up with a 201 in the Tan Yard cause in the final but Upper Leather's Ken Papillon had found the range and his 281 headed up the Upper Leather's triple win. Tvers' 707 tricount was the best bowling in this affair.

Curry Take Seven Points

Curry, paced by Wes Allen's 256, made short work of winning the first from the Office Girls. Allen continued to latten up his average with a 239 in the second and Curry went two up. The final game saw the best efforts of the Girls with Helen LeSueur 261 and Bobby Agnew 270, but Curry were after seven points and got them when Hugh O'Rourke 202, Joyce Masales 256 and Ginnie Masales 224 found the pin range. Triple tops for this affair were Allen 685 and Joyce Masales 607.

Legion Ladies

February 1: Angells made off with the first game from the Lazy Susans when Phyllis Angell headed up their win with a 232. Lois Gordon rounded in a neat 229 for the Angells but it was a win in the second for the Susans when Dot Earle sparked the win with a 217. Angells threatened in the third but it was the second win for the Susans headed up by Earle's 221.

Threebees Take 2nd Games

Ivy Martin's 210 almost put the Threebees on Win Street in the first but the Frisky Belles had Dot Thompson 223 and Mary Cooney 214 and it ended up in a tie game. Martin was again the pace setter in the second, with 253 and Threebees made no mistake in winning this one. Mary Cooney hit for a 266 in the third to try and make the Bellec ring.

Blue Springs Nursery

February 2: The first and second place teams, Glads and Asters, had themselves a right lively battle for top spot. Asters almost had the first game with Rhona Haggart 200 and Gavele Hullford 214, but the clutch bowling of the Glads paid off to win by nine pins. Haggart and Hullford went for 256 and 259 in that order in the second and a win seemed in order for the Asters but Dolly Tyler paced the clutch shooting Glads to another close win—this time by six pins. Pauline McHugh headed up the Glads' bowling in the third with 226, but Asters were heading for the pavil station and with Hullford's 210 sparking them, grabbed off the last game and the odd point for totals.

Joan Knight's 211 for the Services in the third failed to laze the Motorettes who, paced by Nan Hurst's 210, wound up with the win and the odd point for totals.

Lovell's Show Potential

Lovell Bros. continue to pick up points and it looks as if the Lovells are beginning to show the potential we thought they had at the start of the season. Peggy Lawson's 207 single topped Corona's rolling.

Benson's Take 3 Games
