

SPILLING FIVE PINS

AT ACTON BOWLING LANES

by KEN HULFORD

High School

February 8: A 209 and a 210 from Ray Toth and Terry Masales did not faze the Sliders, who got behind Duke Brown's 200 and marked up a first game win. Pete Homer was on the board for the Hoops in the second with a 208 but Sliders were in for win number two with steady bowling. Toth came through with a 209 in the third for the Hoops but Sliders saw the chance to emerge from the cellar and with Brown 213 and Allan Hall 286, powered home the clincher for a seven-point.

Comets Take Whizbangs
After dropping the first game to Whizbangs, Comets went for the next two and totals with the singles of Ian Jeffers 236, John Foley 208 and Gerry Walker 240 sparking the wins. Don Price's 238 single and Wayne Mason's 632 triple was tops in bowling for Whizbangs.

Gators Take 2 Close Ones
Flyers and Alley Gators' first game was close with Gators getting the decision by 42 pins. Flyers zoomed in the second with Dot Duffield 215 and Jim Bulough 236 doing the piloting. Dot Duffield and brother John did a combo of 239 and 200 in the third for Flyers but they dropped a close one-by 16 pins when Gators got in for the win, headed up by Trudy Scott's 201 single. Allan Hall 641 and Wayne Mason 632 were tops in the triple field with Dot Duffield just missing the upper plateau with a 592.

Beardmore

February 8: With Jeff Fryer rolling an 863 (395) triple to beat his own league single and triple records, plus Wayne Spires' 624 and Ben Rody's 221 single, Tan Yard did not stand much of a chance of getting a win from the Chrome. A 204 single from Harry Rogers was the best for the Tan Yard.

Curry Takes Leader for Works
Curry kept pace with the Chrome in the matter of wins, taking the Upper Leather for the works. Joyce Masales with 671 headed up the triples for Curry with E. Pann 200, H. O'Rourke 256, Owen Masales 246, Wes Allen 240 and 202 cutting in with singles. Ken Papillon 205 and John Tyers 232 were the Upper Leather's best.

Rolling Room Takes 2 Totals
The Office Guys and Gals hand the Rolling Room an upset in the first, based on with a rush in the third, only to get nosed out by 10 pins. Rolling Room picked up the odd point for totals. Bill Williams 681, Helen LeSueur 675 and Kay James 625 turned in a neat chore for the Guys and Gals. Fred Kentner with 738, Ed McGilloway with 639 and Phil LeSueur with 613 were the triple trio for the Rolling Room.

League Standing
Chrome 116, Curry 113, Rolling Room 106, Upper Leather 84, Tan Yard 44, Office Guys and Gals 29.

Ivy Martin kept Threebees on the right track in the second with a 270. Threebees went all out for the third game but Janet Rogers took over for the Lazy Susans with a 217 and Threebees settled for the major portion of the 52 go.

Belles Frisky for 2 Games
Frisky Belles went on the win sheet with Mary Cooney's 208 looking good as the Angelis failed to click. Angelis' wings were rustling in the second but the Belles rang in their second win by 14 pins. Dot Thompson with 228 was the friskiest of the Belles in the third but Elsie Roach 205 and Anne Wheeler 202 gave the Angelis a lift to latch on to the singleton win.

League Standing

Lazy Susans 77, Frisky Belles 68, Threebees 67, Angelis 59.

Pauline McHugh's 610 tricot, along with Lois Brown's singles of 258 and 203 stood out in the Glad win. Beryl Jordan with a 276 single put Violetes on the map as far as scores were concerned.

Mums Take Over 2nd Spot
Mums replaced Asters in the second spot when they went down the line for three winning efforts. Millie Siitt's 219 single and Cheryl Morton's 210 likewise, sparked the Mums' win. Gayle Hulford's 652 for Asters went for Sweeney.

The Carnations replaced Roses on the fourth rung when evening game went to Carnations' credit and they cashed in on it. No triples in the Carnation win but for singles it was Sharon Owen 201, Terry Arbie 229, Edna Dobbie 203, Wanda Smith 213, Jean Hepler 212 and 234. Scores for Roses were twinned up in Marij. H. K. Porter

February 9: Trowels are still grimly hanging on to that one point lead. Taking a two and totals win from the Rules keeps them up there. Trowels eked out a nine pin win in the first. Rules got even in the second with a 19 pin win, then Trowels broke first in the third and were never headed. Trowels' triple shooters were Larry Porte 608 and John Corens 615. Single shooters were Sophie Oelrich 203 and Frank Maloney 204. Keith Livermore lived it up for Rules with a 630 tricot. Bill Hagan was a double star in the singles with 208 twice.

Bits Hold Ground
Bits failed to gain on the Trowels but they did not lose any ground when they took the Files for two and totals. Files managed to avert a zero point when they won the second chunk-ker-by-four pins. Bill Penfelter was dangling for Bits with a 646 tricot. Ern MacKenzie and Bill Fox looked very graceful bowling their singles of 232 and 226 in that order. Pearl Jackson was the little ray of sunshine for Files with her 240 singleton.

B. Jordan Breaks Own Records
Beryl Jordan broke her own league triple and single records with 786 (313). This, along with Martin Oelrich's 689 and Jack Persons' 225 gave Knives the edge for 25 games over the Saws, but the Saws saw to it that they picked up the odd point for totals, along with their solo win. Bill Nicoluk 669 topped the triples for Saws. Joanne Duvall 201, Shirley Moore 224 and Owen Coultrup 200 came up with the singles. A resume of the games saw the Knives win the first by 21 pins, the second by 27 and then gotlobbered but good in the final.

League Standing

Bossman Ches Pevcha 681, Ross Morton 659 and Jim Lindsay 408 (double) rolled the big ones for Reliable. Had DeForest with a 422 double was the only one able to deliver the goods for the A-1 Delivery.

Woodcraft Take Rogers for 2
Acton Woodcraft did a right good job of bringing down the colors of the Jolly Rogers in the first two games, then the Rogers rallied to grab off the last game. Hacking away for the Woodcrafters were Bill Johnston 742 and Dunc Ellis 616. Jeff Fryer 670 and Wayne Spires 635 turned in the best efforts for the Jolly Rogers.

I.G.A. Take Goy's for 7 Points
Ledges' I.G.A. had no trouble in taking seven points from Goy's Carriage, who were lacking in both manpower and scorepower.

Acton Ladies

Mac Wiat's 208 looked good for the Lamb Real Estate in the first but Peg Lawson's 235, Helen Otterbein's 251 and Georgina Van Fleet's 214 were better for Coronas and Coronas had the win. Otterbein came through with a 219 for Coronas in the second but Joan Barr's 236 sparked the equalizer for the Lambs. Dianne Spielvogel came up with a 237 for the Lambs and Lawson had a 208 for Coronas and the issue was in doubt until the last pin had fallen and it was the Real Estates' win by one lonesome pin. Firemen Take 1, Totals
With their ranks depleted through the variability of late, Casarin Flevers have fallen upon evil days and the wins come harder these nights. Ontario Editors, Families Tour

Members of the Ontario Weekly Newspapers' Association and their families attending the annual convention in Hamilton toured the nation's largest steel-making plant on February 6.

They were guests at Hamilton Works of the Steel Company of Canada, Limited which is marking its 50th anniversary this year. Steelco produced 2,480,000 tons of steel in the past year compared to 93,000 tons in its first full year of operations.

\$300 Million Expansion
Located on 800 acres of property banking the south shore of Hamilton Bay, Hamilton Works reflects a great deal of the \$300 million Steelco has spent in the past 20 years to expand its capacity.

Editors saw the plant blast furnaces, visual symbols of the industry, and watched coke being pushed from batteries of 19 ovens. They walked through Steelco's No. 3 Open Hearth shop. Here they witnessed construction of a new furnace which will bring the company's capacity to 3,000,000 tons in 1961. Steelco is spearheading an anti-air pollution drive in central Ontario by building a million-dollar precipitator into that furnace.

Last stop on the tour allowed the editors to build coke being produced in a \$25 million blooming mill which began production in 1958.

Headpin Hillites

"Man, oh man, what a sad day for Acton in the inter-county! First, the Acton Merchants traveled to Oakville and at first, we did not believe the message received by carrier pigeon, but it was later confirmed — the Oakville Oakes took the Merchants for all games... Next, on the home front, in a weird and erratic exhibition of pin spilling, the Dixie Jets on the occasion of their first appearance here gave the Van Norman Electricians a shock when they took 'em for the well known two and totals..."

Victoria Play Game

What does a bowling operator do on his day off? He goes bowling in some other establishment and that is what Long Branch's Jake Halliwell, one of Toronto's better bowlers, did. Jake and his buddy, Al Jefferies dropped in to say hello and a bit of a match between two of our local gals, Ivy Martin and Gayle Hulford, was soon going and the pins started to fall... They fell for Jake all right. He got hot in his second game and crashed through the 400 barrier with a big 416. With that single in the boys' favor, it was too tough for the gals to win. Here's a run down on the scores: Hulford 206-196-113 (715), Martin 221-222-189 (632), Jefferies 215-206-194 (615), Halliwell 220-416-323 (959).

Big Tournament

One of the biggest tournaments to hit the game of five pins is the Masters' Five Pin World Championship. Sponsored by the makers of Sportsman cigarettes, the prize list is one of the biggest yet and the winner will truly be a world's five pin champion... And that, amigos, winds it up for another week. Adios.

Award Winners

With the award winners this week, it was Beryl Jordan making use of the Acton Dry Cleaners' services with a 766 triple... Ivy Martin can stack up on Ledger's I.G.A. groceries as none of the femmes beat out her 355 single... Jeff Fryer, who just missed the 400 mark, has the Gordon's Hardware voucher to console him for his 395. He also picks up the Paid's Clothing voucher with an even 900 triple... Our thirsty winning Team Builders who bowled better than their averages to win the Reinbarts, Coca-Cola and Seven Up bottled beverages were Bobby Anderson, Brian Dunn, Sandra Franklin and Jill Hurst (look out, Nan, your daughter is back on the beam)...
