"Open End" Films, Provoke Discussion The speaker at next Monday's Home and School meeting, Gordon Noble of the National Film Board, will appear that noon on Kitchener TV with social convener Mrs. E. Bowne to talk about his films, Elaine Cole will interview them.

Mr. Noble will be showing two "open end" films which present a problem, with no definite conclusion. A panel of Acton students will discuss one film and the adults the second.

It was at the M. Z. Bennett school last Friday being "test run" and found a very enthusiastic panel, with the members unwilling to stop when Mr. Noble finally had to leave for Toronto.

Recent Visitors Sunday visitors with Mr. and Mrs. Charlie Fountain were Mr. and Mrs. Ted Fountain, Georgina and Barbara, Mr. and Mrs. James Fountain and Marion, Guelph.

Weekend visitors with Mrs. John Altan and Miss Jennie Traxel were Mr. and Mrs. Leonard Thomson, Mr. and Mrs. Robert Patten and family, Guelph.

Visitors with Mr. and Mrs. Roy Handley this week were Mr. and Mrs. George Hindley, Linds-Saskatchewan, accompanied by Mr. and Mrs. Earl Hindley and Mr. John Hindley, Oustic.

After a grueling hour and a quarter in the water under the eagle eye of the examiner, the four Acton youngsters passed all the tests and qualified for Junior Lifesavers.

The four successful candidates will be presented with crests and certificates in the near future.
