

JOE LASBY, bulldozer operator for Mansell Nellis Construction, escaped serious injuries Friday, March 25, when the bulldozer he was backing off a truck, slipped sideways and trapped him as it fell to the ground. The operator was in the process of unloading the machine to clear the snow from the Michigan Bulb property on Bower Avenue when the accident happened.

Don Tomlinson, of Michigan Bulb, saw the bulldozer fall while the operator and rushed to the scene to assist Mr. Lasby. Another bulldozer was brought to the scene to right the damaged machine. Damage to the bulldozer amounted to a badly crushed operator's seat. Oil and battery fluid drained out while it was overturned.

Teachers' Association Sees Films, Hears Speaker

"Good designing versus functionalism" chosen as the topic by guest speaker George Wallace, highlighted the monthly meeting of the Mississauga District Industrial Arts Teachers' Association Monday night when local teachers Keith Black and Phil Caddick played host to 17 association members.

Mr. Wallace, a graduate of Dublin University, explained the various aspects of designing and told his interested audience that Japanese tools were considered among the best in the world to lay in design. In backing up his statement he noted that his viewpoint was based strictly on productivity matters. Eskimo tools also ranked high in the speaker's estimation.

The guest speaker pointed out various means of improving present methods of teach shop work to students.

Shows Film
Mr. Wallace during a film entitled "Seven Guidelines to Good Design" gave an illustrated talk on modern and Victorian age designing.

The following district members were present for the meeting: Dave Williams, Al Robb, John Vala, Hugh Rodger, All Barnes, Ray Nellis, James Dunning, R. Davis, R. Smith, W. Capel, G. Graham, C. Wilson, D. Kackey, G. Merritt, W. Griffin, G. Luther, Professor J. Spry, K. Black and P. Caddick.

Following the meeting lunch was served by the two hosts.

Social Worker Outlines Children's Aid Society

Mrs. Goodwin, social worker for the Children's Aid Society of the County of Halton, was guest speaker at the March meeting of the Dublin Women's Institute, Thursday, March 24, at the home of Mrs. Alex Near, Sixth Line, Nassagaweya.

Mrs. Goodwin told of the origin of Children's Aid Societies before the turn of the century and how the counties of Peel and Halton for many years worked together.

Halton Alone
However, for the past few years the county of Halton has operated alone. The work of the Society was reviewed and it was learned it has enlarged considerably due to the large increase in population in the county. Her talk was very interesting to the ladies.

Mrs. Willard Britton introduced Mrs. Goodwin to the meeting and Mrs. J. C. Dennis voiced the thanks of the ladies to her, presenting her with a small gift.

Articles for Children's Aid
Mrs. Horace Blith, the president, occupied the chair for the opening exercises. Mrs. Clark Armstrong, the secretary, read the minutes, correspondence, and called the roll, which was answered by giving an article suitable for the Children's Aid. A generous box was then presented to Mrs. Goodwin.

Articles for the penny sale on April 2 were also brought to the meeting and have been put on display in Simon Hardware's window, under the convenership of Mrs. M. Nellis.

There was some discussion regarding the Tweedsmuir history book and it was left to the discretion of the historical research committee.
