Gators struck a winning gait with Terry Wilson 611 triple and Bob Foyers' single of 202, along with Trudy Scott's 201. April 4: The blue chips were down when the Chrome and Curry toed the foul line. Before hostilities started, Curry enjoyed a one point lead and were sitting cozy as they thought when they won the first game. After that, though, instead of sitting cozy, they were sitting ducks. Chrome's sharpshooters were Jeff Fryer 654, Bob Agnew 613, Wayne Spiers 647 and Ben Rody 618. John Constanjige 665 and Joyce Masales 669 were tops in pin tumbling for Curry. Roses won the first game from the Asters, then Asters squared things away in the second by 12 pins. Asters powered home the big ones in the third to wind up with the major share of the 5-2 go. Gayle Hulford 683 triple and singles from Betty Hardie 219 and Betty Brown 204 sparked the Aster win. Adele Nolan 246, Audrey Pendleton 201 and Avelina Rochey 201 came up with the best single efforts for the Roses. There were no triples in the higher brackets.

Mums Pile Up Score for 1, Totals

Violets won the first and third games from the Mums but they took a nose dive in the second and Mums piled up enough pins to grab off the odd point for totals. Violets' win was paced by Beryl Jordan's 613 triple and Eleanor Gov's 285 single. Miffie Stitt with a 660 triple, Cheryl Marton with a 205 single and Ruth Hulford with 228 and 223 singles highlighted the Mums' bowling.

One lonely score for McCallum's—Joan Knight's 221 single.

Prouse Takes 1, Totals

Lamb Real Estate took the first game from Prouse Motors, dropped the second, then won a close third game by 13 pins. Prouse Motors reved up enough pins to take the singleton by 24 pins. Dianne Spielvogel 720 and Joan Barr 612 hit the triples for Lamb's. Dianne's triple was good enough for a silver spoon. New League Triple Record

In the Strikers' Top Notchers affair, Mary Cooney did something that she has been threatening to do all season—come up with a hot-trident. Mary did just that—chucked up a 735 triple for the league record. This, along with Ethel Harris' 201 single and Vera Blanch's 222, got the Strikers in for a one game and totals win. The Rotary Club of Acton has its Easter Seal campaign under way. We who enjoy good health and are able to participate in physical activity can give thanks in a material way by helping a crippled child. It is your annual contribution to the Easter Seal fund that brings help to that silent lit army, chiefly noted for their medical or surgical treatment. Therapy, speech correction, artificial appliances, braces, crutches, wheelchairs and camping holidays are just some of the services that are needed to make it possible for them to have a future. Every Easter Seal donation works a little miracle that you never hear about. Every donation helps. How about it? . . . And that, amigos, brings us to the deadline, Adios.
