Oakville Oaks **Edge Merchants** 5-3 Last Night

Second place Oakville Oaks knew they were in a baseball game last night. But they squeaked through with a 5-3 win over Dude Lindsay's Merchants in the local ballyard.

In as neat a contest as you'd care to watch, the Oaks chalked up an early lead but were hanging on desperately in the seventh and final inning when an Acton rally came within an ace of succeeding.

Lefty Left 'Em Relief pitcher, a lefty named Shepherd, left two Acton runners on the bags by getting the heavy end of the Acton line-up out in order. He was called in when May,

a fastballing righthander, was hit below the knee by a line drive from the bat of Chuck Jewell, his pitching opponent, and Acton lead off batter. Jewell stole second and when

bobbled by Oaks' second sacker Schmidt, Jewell went for home and made it on a call loudly disputed by the Oaks. Bob Bruce waited out a walk and when a was missed at first, both runner moved ahead putting the ticing run on second. However both Paul Lawson and Tracy Barrager flied out to centre and Pete Lawson's ground ball was grabbed up at short to end the rally.

Triple to Track Oakville scored two in the first inning when Lawrence was issued a pass and Hall whacked a triple to the race track scoring the runner. Redshaw, next batter hit a high fly ball that fell between short and centre, scoring Hall. Kennedy singled but Acton reeled off a double play when Pollock

Rained Out Rain disrupted Tuesday night's softball game with the league-leading Dominion Hotel and Citizens' Band disputing sole possession of first place in the standings.

Dominion Hotel led 5-0 when umpire Chuck Shultis called the game in the last end of the fourth.

It was fortunate for the bandsmen that the rain came. Ed Phillips, ace thrower for Normie Morton's Dominions was in fine fettle and up to that functure had allowed the bandsmen nary a hit.

Dominions scored two in the first inning and added three in the third when a back-to-back double and triple scored runners on the bags through an error and a wild throw at third. Jeff Fryer pitched for the band.

The game will be replayed at a later date.

Before you install any type of automatic heating in your home, why not "ask the man who chose gas". We're confident most of the answers will sound like this:

"Cleanest fuel ever"

"Dependable-even in the severest weather"

" — the records prove natural gas is the safest automatic heating fuel"

"Quiet as a kitten"

"Costs no more than other automatic fuels" "Heating payments are easy — I

distribute them evenly over a 10 month period from September to June"

"If you need service - it's free"

Now is a good time to install natural gas automatic heating equipment. No down payment - no charges 'til September and be sure to ask how you can receive a big \$50.00 allowance.
