—About 50 high school students left early this morning by train to see Romeo and Juliet at the Stratford Shakespearean Theatre.

—Acton Lions club began their fall activities with a steak barbecue at the home of their president, Alec Johnson, Tuesday evening.

—Acton Y's Men's Club enjoyed their opening meeting at the Brosses in the form of a corn-winner roast, Thursday, September 8.

—Corporal Ray Mason was on duty as requested by council at the Main - Mill Street intersection to escort school children across the busy intersection.

—Midway rides and concessions for Acton Fall Fair have begun to arrive and directors are promised a busy time making last minute preparations for the annual event.

—Acton United Church Sunday School teachers held a meeting on Tuesday evening in the Young People's room to discuss plans for school classes and rally day. Mr. T. Ironsides the new superintendent chaired the meeting.

Lions Sponsor Juve Team To Play in O.M.H.A. Group

The first regular meeting of the new season was held by the Acton Lions Club on Monday last and took the form of an outdoor steak roast at the home of Lion President Alec Johnson. After a good meal of steak, corn, etc., a very pleasant evening was spent discussing club business and projects around a log fire.

Three members of the sponsoring Georgetown Lions Club, Lion President Jim Jones, and Lions Jim Carney and Ross Otto attended as guests, and gave the new Acton club the benefit of their experience on certain topics.

The club was informed that the District Governor, Lion Jack Vickery, of Niagara Falls, Ont., would be attending the next dinner meeting at the Station Hotel on September 26th.

A decision was made by the Acton Lions to sponsor a juvenile team in the Ontario Minor Hockey Association league this winter. The new team, to be known as the Acton Lions, will be managed by Lion Ernie Marks, with Ben Bayliss as coach, and Lion Rino Bráida as secretary treasurer. The Lions Club will provide all equipment for the team, and arrange transportation. The hockey club members graduated from the Legion Minor Sports last year.

Form Club
A Teen Town Club is also being formed in conjunction with the teen dances organized by the Acton Lions Club at the Legion Hall. The basic aim of this Teen Town Club is to maintain the high standards set by the two successful teen dances which

have been held in recent weeks. A teen committee comprising Yvonne Duval, Sharleen Marshall, Jimmy Lindsay and Doug Radick is working with the Lions, giving valuable help and ideas which will be used to make these dances even more enjoyable. They have already co-operated to enable the following Teen Town Club rules to be formulated:—

1. No one will be admitted without a membership card unless accompanied by a member.
2. No one will be admitted after 11:00 p.m. without special permission, obtained previously.
3. Dress appropriately for all occasions. (No jeans.) Your personality is judged by the clothes you wear.
4. Coats and rubbers must be checked.
5. Persons under the influence of alcohol will have their membership cancelled. Chaperons will evict anyone creating a nuisance.
6. The committee reserve the right to cancel membership.
7. If membership card is lost, a replacement will cost 50c.

Plans are being made to obtain popular bands, also disc jockeys, for future dances.

The next teen dance is scheduled for Friday, September 23rd, at the Legion Hall. Membership of the Teen Town Club (Fee \$1) is necessary for admission to the dances of course, and any teenager interested in joining should contact any of the above four teen committee members. Membership cards are being printed and will be available in a few days.

Board Attempts Solution To Ratepayers' Requests

Esquering school board met with three delegations during their meeting in Norval school Tuesday evening and attempted to solve problems presented by each group.

First delegation were three ratepayers representing Union Church area who asked the board to transport school children direct to Norval school rather than have them dropped off at the townline in Norval. This request was granted.

Second delegation was from Terra Cutta when three ratepayers complained that children were departing from home too early in the morning and arriving

home late at night. They asked the board's consideration in remedying this situation.

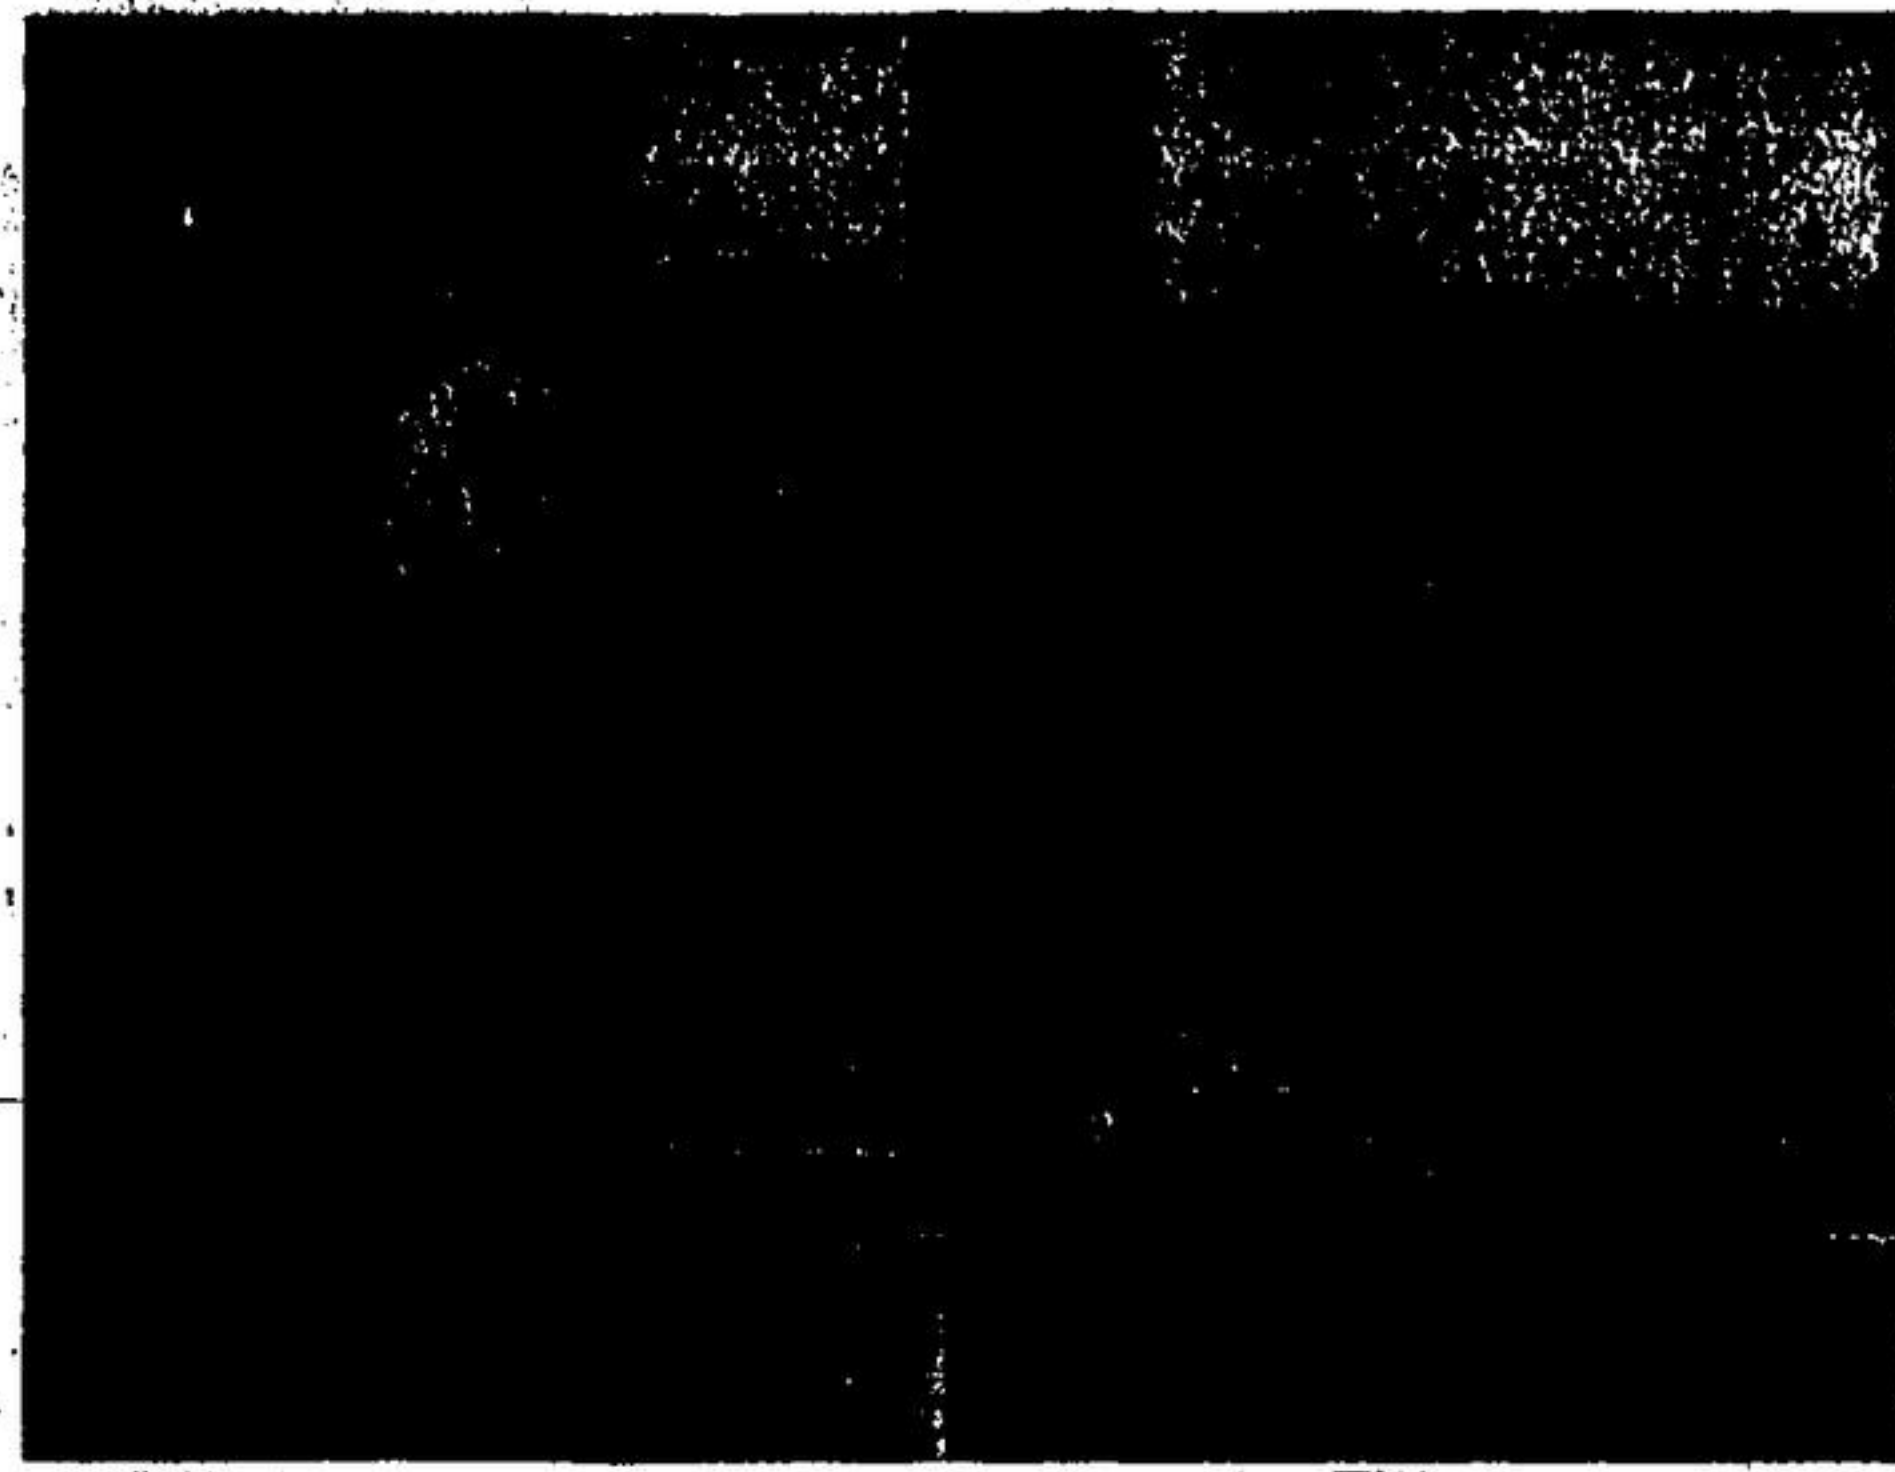

After a discussion the board agreed to investigate the problem and attempt a solution.

Eight ratepayers from the third line Esquering requested bus pickup for school children living on the third line rather than have them walk a distance of two miles for the service.

Following a lengthy discussion the board agreed to have the bus proceed to the third line and Dublin sideroad in order for children to board the bus.

Commend St. John Ambulance During Inspiring Service

St. John Ambulance Brigade and members from the Hamilton area gathered in Acton Sunday for their annual corps church parade and heard their organization described as one of the most ancient orders in existence, a compassionate movement whose labors on behalf of the sick and needy have been meritorious and inspiring.

Rev. R. Brook, retired United Church minister speaking during the service in Knox Presbyterian church, linked Christ's compassion for the sick and needy with the work of the St. John Ambulance Association.

Prime Importance
Emphasizing that the welfare of human beings was of prime importance to Jesus Christ, Rev. Brook urged his audience of members from the different brigades to continue their endeavors although he realized this would mean self-sacrifice.

Warning that indifference is a great enemy to the support of good causes, the speaker pointed out that many so-called Christians are rich in words but not in works.

Rev. Brook praised the association for their work in coping

with home and accident hazards and giving first aid until doctors arrived. He traced the origin of the movement back to the first crusade in 1096 when Benedictine monks provided an ancient hostel for travellers.

Welcomes Gathering
Host minister Rev. A. H. McKenzie welcomed the gathering to the church, adding his personal tribute to the brigade for their volunteer services. He urged them to carry on their excellent work.

Forming up in Prospect Park and led by Acton Citizens' and Acton Junior Pipe Bands, the parade marched via Park, Mill and Church Streets, to St. Josephs and Knox churches, where services were conducted.

Prior to the parade, a wreath was placed at the cenotaph by Superintendent Fred Raegle of Guelph, accompanied by a guard of honor.

Present for the short ceremony were superintendent Robert S. Hart, Acton brigade; Jack Hunter, district officer, Guelph Ambulance Division; Godefrey Coleman, Oakville; Wally Hackett, Guelph superintendent; Oliver Flint, retired superintendent

and Charles E. Jenkins, area superintendent, Hamilton.

At the conclusion of the church services, the parade marched past a saluting base at the post office where Dr. James Hutchinson, Hamilton, former area commissioner, took the salute. He was accompanied by Mayor John Goy, Acton; area superintendent Jenkins; Mrs. W. Ferrer, area superintendent nursing division and Mrs. R. Chapman, area staff officer nursing division.

At the conclusion of the parade, members gathered in Acton park to enjoy a picnic supper.

Here's the Modern Plan to get the things you need!

BANK OF MONTREAL

Family Finance Plan

Bring all your personal credit needs under one roof with a low-cost B of M life-insured loan

Here is the modern approach to finance the things you want to buy for your home and family . . . to take care of expenses for school, college, vacation and so on . . . and, of course, to meet emergencies.

The Bank of Montreal Family Finance Plan enables you to plan your purchases and helps you meet unexpected expenses under one single comprehensive plan.

Here are four good reasons why - whether single or married - you should use the Bank of Montreal Family Finance Plan . . .

- 1 All loans are automatically life-insured. Should you die before your loan is repaid, your debt to the Bank will be cancelled.
- 2 Monthly repayments can be extended up to two years - or even three, if need be. This means that PPP can be tailored to suit any salary.
- 3 You can borrow up to \$2,500, depending on your income, to buy the things you want for your home and family, or to meet emergencies.
- 4 Planned repayments help you run your income - instead of letting it run you.

If you have a steady income and can make monthly loan-repayments without hardship, you can finance almost any useful purpose through the Bank of Montreal Family Finance Plan. Why not talk to the people at your neighbourhood B of M branch . . . you'll like their helpful attitude. Whether you are a B of M customer or not, you will find a warm welcome.
