**Accident Snarls Traffic When Paper Blocks Road**

Sunday morning a collision took place on Main St. opposite the Presbyterian church between a Hutton trailmobile and a car driven by Paul Shilver, R. R. 5, Rockwood. The transport, loaded with some 15 heavy rolls of newsprint, failed to make the turn. The impact caused the rolls of paper to slide off and partially block the highway, causing traffic to come to a halt till the way was cleared sufficiently.

As a result of the impact, a hydro pole was broken off at ground level but propped up and a rope attached to a tree nearby. Mr. Shilver suffered cuts to his right hand and other minor injuries. His car had a badly dented left front fender. The wrecking outfit had the highway cleared early in the afternoon. Hydro service was temporarily affected for a few minutes during the church service.

**Mrs. Melvin E. Burns Interred at Everton**

A resident of Acton for 18 years, Mrs. Melvin Burns passed away at her home, 29 Mill Street West, on Friday, October 14.

Mrs. Burns was born in Nassagaweya Township, and was a daughter of the late William Dennis and Emily Lamb. Nearly 40 years ago she was united in marriage to Melvin E. Burns, and they resided in Eramosa Township until their removal to Acton.

Mrs. Burns was a member of Acton United Church and a member of the Women's Missionary Society of that church.

In her earlier life, she was active in musical circles, having been the organist at Cressworn Corners Methodist Church, and also later a member of a ladies' quartette along with her three sisters, who gave generously of their talents.

Mrs. Burns leaves to mourn her loss, her husband and Miss Dorothy Simmons, who has been a member of the family for many years, and who gave loving care to the deceased.

Surviving also are a brother, John C. Dennis, of Acton, and three sisters, Mrs. Arnold Marshall (Edith), Mrs. Cyril Knight (Hazel) and Mrs. Ertel Sprawl (Kathleen), all of Guelph.

The funeral took place on Monday from the Rumley Shoemaker Funeral Home and was conducted by Rev. Dwight Engel, assisted by Rev. Reginald Brook. The pall-bearers were Clarence Gamble, Orrie Lamb, Cameron Leishman, Robert Burns, Clifford Hall and Harvey Sprawl. Interment was made in Everton Cemetery.

Following the showing of the films, Mr. Lendi picked the bell up, which was decorated with Swiss material and weighing some 30 pounds, and asked the audience to imagine the din of some 30 to 40 bells used at times for ceremonial occasions. Another article of interest was a milk pail made from spruce and birch, carved in a beautiful form. At the conclusion of the meeting, members of the club adjourned to the home of Mr. and Mrs. Bruce Truscott for a social time.
