

Start of Church Shown in Bible

Knox Presbyterian Senior Auxiliary W.M.S. met in the Sunday School room Thursday, March 16, at 2:30 p.m. Owing to a most unfortunate accident to Mrs. O. Moran, the president, the chair was taken by the vice-president, Mrs. E. J. Hissard, who opened the meeting using Acts 1:8 and the Korean version of the 23rd Psalm.

After singing "Oh spirit of the living God" and repeating the Lord's Prayer Mrs. Buchanan and her committee took charge of the study "Into all the world with the younger churches".

Mrs. A. J. Buchanan showed through the Book of Acts records of the beginning of the early church. After Christ's ascension the Apostles waited for the Holy Spirit, the coming of the Spirit, the growth of the Christian community and how their possessions were shared, the appointment of people to special tasks and the commission given to carry the Gospel to distant lands.

What happened so long ago has been happening in many lands including our own ever since. Mrs. H. L. Bonnie took the ladies in retrospect to Formosa. Mrs. A. McKenzie told of the work in India. Mrs. Buchanan the work among the Koreans in Japan.

After a short discussion period Mrs. Buchanan closed this part of the meeting with prayer, and turned the meeting back to Mrs. Hissard.

Mrs. C. G. Jones sang "Softly and Tenderly". The secretary and treasurer presented their reports which were approved. Attention was drawn to the Holy Week services to be held in the United Church March 26-30 at 8 p.m. The W.M.S. will attend as a group Wednesday evening. The next meeting will be Easter Thankoffering. The Mizpah benediction closed the meeting.

A social half hour was enjoyed.

Ladies Honor Mrs. W. McLeod

Despite a howling storm, 35 members of the Ladies' Aid of Knox church gathered at the church for a dinner party catered for by the Heather Club of the church. This was the first time this group had planned a gathering for their members and it was disappointing that the weather was so unkind.

Following the dinner, the party met in the Sunday school room where they joined to sing "The Church's One Foundation." Then a short program was enjoyed with a quiz game with prizes for the winners and Mrs. W. J. McLeod getting the big question on "How Many Labels" and When we got the New Coffee Maker. Her many months of sorting and wrapping was rewarded with the gift of a cup and saucer. Very much surprised, Mrs. McLeod expressed her thanks for the gift.

Dr. and Mrs. A. J. Buchanan showed pictures taken in Ireland during their visit the past year which was indeed much enjoyed by all. The repeating of the Lord's Prayer concluded the delightful evening.

Lions Present Trophy To Galt Skating Club

Acton Lions Club members and their wives journeyed to Galt Saturday evening and witnessed club president Alec Johnson make the presentation of a trophy to the Galt club in appreciation of their interest in presented their annual Ice Carnival in Acton.

Scheduled to be presented in the Acton arena the carnival was finally cancelled after one postponement due to weather conditions. The trophy, suitably inscribed, was to be presented to the Galt Club on the evening of the Acton carnival.

In making the presentation Mr. Johnson thanked Galt club president Stan Hall and his members for their interest shown and expressed his regrets their show could not be presented in Acton.

Included in the party from Acton were Lions Alex Johnson, Anthony Tronside, Barry Inscoc, Bert Halliday, Syd Lamb, Fred Briggs, Ed Owen and Jerry Jerome with their wives and friends.

Following the Galt show, the trophy was prominently displayed at the Highlands where a reception was held.

Any Questions?

At the present time, what would help the committee considering arena renovation and ice installation most is a chance to discuss and answer any questions citizens have regarding the whole arena renovation and artificial ice program. It is felt that questions will arise which the committee have not thought of and if citizens would pass along their questions, it would be a great help.

If you will jot your questions down on a piece of paper and get them to any committee member or to the Free Press, the committee will then try to get an authoritative answer. Don't hesitate to ask the question, no matter how trivial it may seem. It may be a very important question a hundred other people may not have considered.

The questions and answers will be published in the Free Press.
