

School Pupils to Boost \$60,000 Arena Program

Principal G. W. McKenzie of the Robert Little school received the nod of approval from the school board Tuesday evening to have the pupils participate in supporting the Community Centre Committee for an arena program in Acton.

Mr. McKenzie asked permission to have the pupils write an essay as part of a publicity program and pledge support from proceeds out of various projects. The board members favored the suggestions wholeheartedly and approved use of the auditorium by the committee for a general meeting Wednesday, April 12.

In his report the principal noted that \$113.20 had been given the Red Cross Society out of school funds. He also reported the resignation of two teachers and the hiring of one.

The secretary advised the board he had prepared an agreement to be signed by the Nassagaweya and Acton school boards regarding tutoring 100 Nassagaweya pupils in the home economics and industrial arts classes.

Accounts totalling \$5,615.92 were approved for payment.

Baking Problems, Recipe Trade Highlight at Daughters of Knox

Mrs. Herb Price, Elmore Drive, was hostess to the April meeting of the Daughters of Knox. Mrs. Allan Holmes presided for the business portion which included finalizing arrangements for the Daffodil Tea to be held in the near future. Members were invited to join the group visiting the Hutton Manor this week.

Mrs. Clifford Ashley, leader of the group in charge, conducted a beautiful service of worship centered about the Easter theme "He is Not Here, For He is Risen as He Said."

The study, concerned with Profits of Women in the New Testament which figured in the life of Jesus, was presented by Mrs. Ben Van Fleet. Mrs. John Lind occurred, Mrs. Howard Coles and Mrs. Jim McKnight.

The roll call was answered with an article of clothing for this year's sale. An exchange of recipes took place along with a discussion of specific baking problems which showed result in more interesting and varied menus for the families of group members this spring!

Radio, TV Evaluation Creates Interest at Greenock Meeting

The March meeting of Greenock Women's Institute was held at the home of Mrs. G. Wallace. Mrs. C. Aitken read the scripture. A two minutes silence was observed followed by the Lord's prayer in union in memory of two charter members of Greenock branch, Mrs. Jennie McKeown and Mrs. Robert Allan who passed away suddenly last month.

Minutes of 1893, TV Show On Program at W.A. Meeting

On March 22, 32 ladies of the W.A. of Acton United Church enjoyed a Pot Luck supper at the church. After supper with Mrs. D. J. Engel pianist, all joined in a sing song. Mrs. Earl Lambert conducted two contests. Both were won by Mrs. Bessem.

Two cards were signed by all to be sent to two members, Mrs. G. Simpson and Mrs. S. Holmes who recently celebrated their 40th wedding anniversaries. Mrs. B. Veldhuis and Miss D. Simmons sang the beautiful old hymn, "Softly and Tenderly Jesus is Calling."

A highlight of the evening was the reading of the minutes of the first, middle and last meetings from the Ladies' Aid Minute Book of the year 1893 by Mrs. C. L. Poole.

Mrs. Earl Masales conducted a version of the TV panel program "I've got a secret" which was most amusing. Panelists were Mrs. Engel, Mrs. Evans, Miss Simmons and Mrs. H. Burns of Alliston, a former president whom all were very pleased to have back. Mrs. McAuley's secret was the arrival of twins in her family; Mrs. Harris, something she has been doing—Stimulants with TV.

Seven Join Church At Easter Service

Seven join church in Easter W.C. The church was nicely decorated by lovely plants on Sunday morning, one being placed there by Mrs. Wain in memory of her parents Mr. and Mrs. Frank Binzle.

Mr. Beaton gave a fine Easter sermon. The junior choir sang under the leadership of Mrs. Beaton who is making a wonderful improvement with these children. The senior choir also sang during the service.

Scouts Rough Outdoors During Weekend Camp

(Continued from Page One) All was not sunshine during the weekend camping trip. In fact, the sun failed to shine at any time. Heavy snow continued to fall and temperatures dropped to new lows. In spite of inclement weather, the ardent campers persevered and lived under canvas beneath the open skies.

Their destination was reached around 10 p.m. Friday evening and immediately the party was split into two groups. Group number one began setting up three tents and the other group built a fire and started to cook a late evening snack.

They had a fine Easter service. The junior choir sang under the leadership of Mrs. Beaton who is making a wonderful improvement with these children. The senior choir also sang during the service.

Seven young people were received into church membership, Miss Louise Snow, Mary Baker, Mervin White, Billy Smith, Mr. and Mrs. David McHenry.

The many friends of Miss Kate McKay were sorry to learn she had fallen, breaking her hip and is in Guelph General Hospital.

Mr. and Mrs. Ari Willets returned from Florida on Monday night and Mrs. Willets is now in Guelph Hospital undergoing treatment.

Mr. S. H. Lindsay who is in Guelph Hospital, at last report is slightly improved.

Easter visitors with Dr. and Mrs. Clifford Reid were Mr. and Mrs. Reid, Niagara and Mr. and Mrs. Patella of Toronto.

Mr. and Mrs. Frank Wilson with the latter's parents, Mr. and Mrs. Tom Gibson.

W.I. Euchre Group one of the W.I. held a euchre at the home of Mr. and Mrs. Tom Gibson. Winners were Mrs. Duncan Gibson, Tom Gibson lucky draw, Eric McInerney, carving prizes, Mrs. Archie Lawr, Norman Sinclair.

Car is Total Wreck Four Slightly Hurt

Four persons were treated for minor injuries early Thursday morning of last week after their car crashed into guardrails and rolled down an embankment on Highway 25 near Speyside.

O.P.P. report the driver was Michael Smith, 22, of Queen Mary Drive, Oakville. His 1956 model car was classed a complete wreck.

Besides the beans and bacon, hamburgers and vegetables were cooked in foil over the fire. After mealtime, the leaders set out in earnest to teach the boys the fundamentals of their badge requirements.

Signalling, wood carving and many other tests were passed before the going ramp again for supper time. "What's brewing over the fire this time?" seemed to be the thought running through everyone's mind but curiosity was soon satisfied as a huge roast of beef with all the trimmings appeared before the famished scouts.

Roast in Foil When the roast was first handed to the cooks, they scratched

Experience is dangerous. Experience shows us what cannot be done. It shows us all the reasons for not doing it.

Credit Fred Euringer With Players' Success

Play director Fred Euringer has been given plenty of credit by Toronto Star critic Wendy Michener. The young actor-director, son of Mrs. Sophie Euringer of Acton, directed "The Chorus" by Eugene Ionesco and "The Sandbox" by Edward Albee in a comic double-header given by the University Alumnae Dramatic club in Toronto.

She writes: "The greatest credit for the evening's success must go to the director, Fred Euringer (author of "Blind Man's Buff" which had a studio production at Stratford last season). Here is a director who knows staging and playwriting and the performance, showed he also knows how to get what he wants from actors."

A first step in bookkeeping is to stop lending your favorite books to forgetful folk.

View Colored Slides At Rotary Meeting

Acton Rotarians were treated to a preview of the Georgetown club's minstrel show Tuesday evening, when Eugene Green and John Ingle of the neighboring club showed colored slides complete with taped sound effects.

During the meeting 12 names were proposed for prospective membership and the men will be approached to join the club during the membership drive.

Easter Seal campaign chairman Bill Pendleton reported returns for the opening week were very encouraging and the club is looking forward to reaching the anticipated goal.

Insurance means PEACE OF MIND

Insurance means PEACE OF MIND

For Trade and Industry: Few people today would be able to risk the hundreds of millions of dollars needed for factories and equipment if insurance were not available to protect their investment.

Few would dare to take the risks of transporting their product to market without insurance. Few merchants and dealers could take the chance of stocking merchandise if there were no recourse against overwhelming disaster.

Back of practically all our trade and commerce is the Peace of Mind which comes from insurance. Last year, the companies writing fire, automobile and casualty insurance paid out more than 500 Million Dollars in claims across Canada—real evidence that insurance indeed means Peace of Mind.
