

**SPILLING FIVE PINS**

**AT ACTON BOWLING LANES**

by KEN HULFORD

**High School**

April 10: Jim Bullough's 304 looked good for Teddy Bears in the first, but Mike Rogers paced Rebels with 236 and it was a Rebel win by 20 pins. Rebels chalked up their second win when Rogers again led Rebels with 236 for a 33-pin margin. Teddy Bears hit the win column in the third with a vengeance with Bullough 288, Wayne Mason 275 trundling big ones. It was enough to let Bears the odd point for totals. Top triples were Bullough 266, Mason 625, Rogers 602. El Ca Bonos hit the win jacks for seven points when they made every game a winning one from Sapphires. Pete Homer's 654 triple headed up the winner's efforts. Russell Murray got a mentionable for Sapphires, a 230 solo. Yegis were 21 pins better than Rocks, with Yegis' Mike Mattocks' 246 taking care of Rocks' Jill Hurst's 206. Don Price had 275 for Rocks in the second, but Yegis had Terry Masales 215 and Mattocks 204 and it was Yegis' second win by 33 pins. Masales' 258 was a bit of all right for Yegis in the third, but it was Rocks for a two and totals win, with Price's 246 heading it up. Best tricones were Terry Masales 649, Mike Mattocks 609. Don Price 694.

**League Standing**  
Teddy Bears 108, The Rocks 106 1/2, Yegis 105, El Ca Bonos 94 1/2, The Rebels 78, Sapphires 75.

**Beardmore**

April 10: Beardmore nipped up for their go with Muskokas and dropped the works although they only lost out in the first game by the narrowest of narrow margins. Beard for triples with Bill Buchanan 659, Steve Flisnik 643, Al Roach 601 (318), Ken Papillon 675. Up on the triconite plateau for Uppers: John Robson 661, Eric Lawson 647. Whirlbirds got back into the playoff picture with a three game win from Devons, Whirling 'em down in triple fashion for Whirlbirds: Roger Murray 631, Bob Brown 677, Devons' bowling fortunes were on the downgrade but Ben Bavliiss 209, Dennis Crooks 221 scored singles. Leatherettes are clinging onto a fourth place tie with a two and totals wins from Super Soles, squeezed out a 12-pin win in the first, dropped a 30-pin decision in

**Legion Ladies**

April 10: Cornhuskers with a two and totals win almost caught and passed Wishful Thinkers for top spot, but Thinkers hung onto it by one point when they won the last game by seven pins. Marie Allan's 614 triple and singles, Marion Briggs 203, Marilyn Hills 209, gave Huskers the edge. Dot Earle's 212 solo, which came in the last game, topped Thinkers' trundling and paced the win. Hopefuls and U.L.S. broke the third place tie when U.L.S. made every game a winning one and barreled ahead of Hopefuls. U.L.S. chalked up singles: Phyllis Angell 262, Elsie Halladay 206, May Cooney 233, Shirley Turkosz 221-211. Hopefuls rated a big 'E' for effort but failed to score with singles or triples.

**League Standing**  
Wishful Thinkers 104, Cornhuskers 103, U.L.S. 96, Hopefuls 89.

**Blue Springs Nursery**

April 11: Violets started out to snip off Mums but after winning the first game, fell by the wayside. Mums, by winning the next two and totals, remain solid first placers. Mugs struck paydirt via singles: Eleanor Gov 227, Adele Nolan 273, Audrey Urquhart 243. Violets' top scoring was all tied up in Millie Stitt's 638 triconite. In the Aster-Carnation affair, Assers by Beryl Jordan's 218 won the first. Carnations got behind Shirley Hunter's 212 and squared games. In the third, Jordan rounded out a 630 triple with 246, but Terry Arbie cinched a triple of 609 with 255. Carnations had the odd point by seven. Glads hoisted themselves into a fourth place tie with a three game win from Roses. Two big triconites, Ivy Martin 698, Alice Pilkington 636 (313), along with singles, Lil Wagner 211, Wanetta Smith

**Service League**

April 11: Wallfords picked on lowly Pickups for a seven point win. Although out of contention, playoffwise, Pickups tried hard for a win with Don DeFure's 617 triple and "Duke" Brown's 240 single heading up the rolling. Ken Hulford 642 triconite, Ray Everdell 203, John Couture 233, "Long Tom" Mullen 206-245 headed up Wallfords' win. Micro Plastics replaced Y's Men in second slot when they handed said Y's Men their "P" game, defeating Y's Men threaten to reverse the issue next week when they hook up with Micro in the playoffs. "Boats" Grischow 238, Leo McGilloy 219, Bob Drinkwater 219, Cyril Leighton 219, in the absence of triples, headed up the win with singles. Paul Lawson made with a 612 triple for Y's Men with Walter Dubois 215, Harry Arbie 208 getting singles.

**League Standing**  
Wallfords 105, Micro Plastics 77 1/2, Y's Men 76, Picqups 33 1/2.

**Industrial-Commercial**

April 12: Reliable Taxi clinched first place when they sank Jolly Rogers with nary a trace of a win. Reliable's reliables were Pete Homer 795, Fred Kentner 669, Ed McGilloy 659. Arlie White closed out the schedule with 637 for Rogers. Al's Snack Bar tried hard to finish in top spot but Ledger's I.G.A. spoiled that by winning the first game. The Snack Bar outfit made sure of the second rung by winning the next two and totals. Al's "Big Three", Bill Williams 780, "Spike" Spires 737 (335), Don Grein 710. Have to mention Bill Johnston's 632 (308) triple. Ledger's tops, Gino DeBartolo 752, Jack Bulough 611, Wayne Ridley 603. Guy's Cartage finished their usual respectable fourth when they went into second gear for an all out win from A-1 Delivery. "Junior" Creasey 685, Earl Goodwin 632 were wheeling for Guy's. Don Forrest delivered for A-1 with 612.

**League Standing**  
Reliable Taxi 140, Al's Snack

Bar 134, Ledger's I.G.A. 127, Guy's Cartage 101, Jolly Rogers 64, A-1 Delivery 64.

**Acton Ladies**

April 12: With Acton Ladies, it will be Lovell Bros., McCallum Services, Corona Shoes and Lamb Real Estate tooting the fourth line to roll off for the league title. Canie about thus. Lamb made sure of fourth place when, paced by Dianne Spielvogel's 702 triple, Jean McPhail 225, Rita Dwyer 233, Elsie Scott 209-210 singles, they made it a two and totals win from Lovell's. Ben Anderson tripled for Lovell's, 672; Stef Percha 234, Norma Robinson 227 singled. McCallum Services really stepped on Benson's Shoes and with a three game win, took over second slot. Bookkeeping Benson's into the card, McCallum's were in upper brackets, Donna Krapek 657, Joan Knight 609, Marlon Storey 205, Kitty Allen 236, Stella Wasowicz 216 hit payoff singles. House Motors' two game win from Corona Shoes failed to get them a playoff spot because Corona's one game win was big enough to grab the odd point for totals. Doris Townsley's 660 triple with Peg Ballentine 200, Charlotte Holmes 208 singles, headed up Proff's effort. C's Men triple shooter was Eva Williams' 669. Singles were forthcoming from Arlene Bruce 200, Nancy Coyle 222, Peggy Lawson 223, Shirley McKeown 203-212. For the record, Norma Robinson had high average 200; Joan Knight, high triple 769; Joan Barr, high single 355.

**League Standing**  
Lovell Bros. 117, McCallum Services 109, Corona Shoes 106, Lamb Real Estate 105, Prouse Motors 97, Benson Shoes 96.

**Thursday Toppers**

April 13: Catchers sharpened up for the playoffs to come with a triple win over Busy Bees. Catchers were in control with Ivy Martin 665 triple, Eleanor Gov 226, Lil Marshall 203 singles. Joan Knight buzzed a couple of singles for Bees, 210-206. Tiger Cats were on the prowl and were handy winners in the first against Hunters. Hunters were doing better in the second but Jean Masales came up with 223 and it was a Cat win by 33 pins. Hunters went point hunting in the third but again Cats snared the win, by 18 pins. Sums up to Cats, finishing solid second placers.

**League Standing**  
Catchers 139, Tiger Cats 122, Hunters 83, Busy Bees 76.

**Acton Major**

April 13: Tiger Cats wound up the schedule with a three game win from Firefighters, who kept their record for sportsmanlike and clean play intact. No one was banished for ball bouncing.

**SPONSOR MEETS** the president as Jim Ledger, right, chats with CFTO president Joel Aldred. Mr. Ledger of Ledger's I.G.A., Acton, and his fellow I.G.A. dealers who sponsor the Best of the Post series on CFTO Channel 9 met recently with station executives and were given a close insight into the operations of the station.

Certainly their gentle nudging of the pins left no reason for complaint. They'll probably wind up winning the Lady Bing-Bang trophy. On the best triple theme, it was: Tiger Cats, Jack Bullough 767, Don Grein 684, Mike Bennett 645; Firefighters, Herb Dodds 668, Jack Pink 668, Bob Martin 620. Dominion Hotel took the first game from Acton Billiards by three pins, then wound up behind the eight-ball for the next two and the "Cue Boys" two and totals win broke the second place tie with Billiards remaining in sole possession. Top rolling in this affair was: Billiards, Fred Kentner 751, "Shanny" Shannon 703, Wayne Spires 650; Dominion, "Red Bear" Anderson 741, Hank Earle 613, TenPro, by their clean sweep from Casarin Flyers, not only knocked the Flyers from second place, but finished up in third place. Not bad at all, considering TenPro went in with a completely revamped team with the exception of the old pro, "Filip" LeSueur. TenPro's win was sparked by LeSueur 728, Gordon Coulighan 723, Ralph Barton 505 double, "Da Preem" Rigo, Italy's ambassador of goodwill

to Acton, was Flyers' best with 678.

**League Standing**  
Tiger Cats 157, Acton Billiards 111, TenPro 108, Casarin Flyers 106, Dominion Hotel 89, Firefighters 59.

**Acton Friends**

April 13: Don DeForest 671, Harry Rogers 667 and Beth Ritchie 226 single put Satellites into orbit and it was a zero count for Sugar Jets. John Cunningham 203-204, Ray Atkinson 201-208 had mentionables for Jets. Freon-Easies are hanging onto fourth playoff spot like cliffhangers. A three game win from spitterin' Sputniks did them no harm. "Beaver" Baxter and Had DeForest had triconites for Easies, 619 and 616. Stu McConnell's 225 solo didn't come amiss. Uke Zajac 225, Harold Ferguson 203 nipped out Sputnik's singles. Triples went 'a'beginn'. Sad Sacks, paced by Lila Atkinson's 616 triple, kept playoff hopes alive with a two and totals win from Rarebits. First two games were close—Sad Sacks won the first by five pins, dropped the second by three, then walked away with the third. Al-

most forgot, Hart Cotter totted a 603 triconite for Rarebits.

**League Standing**  
Sugar Jets 126, Sputniks 112 1/2, Satellites 103 1/2, Freon-Easies 88, Sad Sacks 84, Rarebits 74.

**Acton Mixed**

April 14: Beryl Jordan's 633 triple and Blackie Gaeton's 263 single couldn't pace Wanderers to more than a one game win from last place Stragglers, who, although out of the playoff picture, gave it the old college try and set the leaders-back on their heels. Cheryl Morton 208, Marlon Pope 233 singles brightened up Stragglers' score sheet. Bandits went all out to try and grab off fourth place and their three game win from Saucers, who were not doing any flying, would have paid off except Eagles powerhoused themselves a three game win from Atoms and clinched it for themselves. In the Bandit-Saucer go, Bandits came up with big ones: Max Casarin 851 (312), Millie Stitt 721, Les Gidman 637 triples; Bob Brown 216, Helen Yateman 221 singles. Bob Martin went well with 607 for Saucers. Ron Whitham should've hit a triconite with 219-210 but his third game was slightly off. Don Price Matheson met with a 225 solo. Eagles didn't tool with Atoms in their bid for a place in the sun. Don Grein 734, Sophie Dehrlsch 637, plus Martin Oelrich 211, Don Thompson 221 singles gave them the edge pinwise. Phil LeSueur 645, Gil Malcolm 626 were Atoms' best. Joe Vostry was in for a 214 solo.

**League Standing**  
Wanderers 135, Saucers 109, Atoms 101, Eagles 101, Bandits 95, Stragglers 89.

**Teen-Under**

April 15: Rough Riders were a little rough on Rebels. They took 'em for a one and totals ride. Almost won both games but Rebels

shared the last canto by 16 pins. Black Hawks scored and scored better than the Flyers and tucked away both games for a double win. Stooges had Vogt's Bears' number in the first but lost it in the second. Yogi Bears wound up with a one and totals win. Double honors went to Jim Cooney 191-224 (415), Jackie Bullough 204-142 (348), John Dunn 164-131 (295), Barbara Gibbons 129-123 (252), Bob Anderson 129-142 (271), Lorna Macpherson 144-145 (289), Ricky Henderson 126-163 (289), Bill Briggs 122-174 (294), Terry Churchill 146-108 (254), Steve Goy 135-120 (255), Willy Prop 136-123 (259), Anne Vale 161-127 (288), Joan Palmer 118-171 (289).

**League Standing**  
Rebels 90, Rough Riders 84, Stooges 83, Flyers 68, Yogi Bears 54, Black Hawks 39.

**Headpin Hittes**

Fifth annual O'Connor Bowl "Open" goes May 13. This five pin match singles is one of the big money tournaments. An estimated \$15,000 will be on the line for the bowlers to vie for. With weekly award winners, it was Alice Pilkington coming up with a neat 313 single to win the Ledger's I.G.A. edibles. Ivy Martin turned in a 733 triple, pick up Acton Dry Cleaners' voucher. "Momo" Casarin's 851 topped some torrid triple trundling. He wins Paul's Clothing voucher as a result. Wes Laughlin of the C.F. staked out a claim on both triple and single high? He lost out on the triple but his 372 single stood up and he clicks for Gordon's Hardware award. Inter-county banquet with Streetsville gang as hosts will be May 19 at Streetsville Legion. Will be a dinner dance and Streetsville promise it will be one to remember. And that, amigos, winds it up. Adios.
