### Hunt New Names For Three Roads

There are three streets in town which are split so drastically that council has decided to re-name parts of them. Now Robert Little school students have been asked for six suggestions, and they're to be turned in to principal G. W. McKenzie tomorrow.

He prepared maps showing the offending streets and distributed them to about 100 students who said they would like to conjure up some new names.

**Six New Streets**

Bower Ave. will be renamed in two places—from Main St. to Willow St. past Thompson's Garage and the Anglican Church, and over the C.N.R. tracks past A. F. Green, Blow Press and the Micro Plastic plants to Wallace St.

Queen St. will be renamed from Main St. S. over Cobble Hill to Lakeview Greenhouses.

Agnes St. will be renamed from Maria to Guelph St., past York House and Lorne Young's home.

Guelph St. from Mill St. to Queen St., past Mayor Gov's and Mason Knit needs a new name. Guelph St. on the east side of the Crescent will be renamed too.

She was assisted by her committee of Miss Laura Wiles and Mrs. Ashley Sr. in presenting the worship service.

Mrs. Robert Turner and Mrs. Fred Anderson reported on the Biennial Conference of the Evening Department of W.M.S. which they had attended in New St. James Church in London recently. Over 300 were registered—the largest attendance on record.

The guest speaker on Saturday evening was Miss Sara Perkins of South Carolina who had been in a communist prison camp in China for four and a half years. She relied in God with Faith and prayer for her release and the Bible passage, Wait patiently on the Lord, ever reminded her. She must just do that.

Mrs. John L. Davidson presided for the business of the month. The roll call was answered by one of the Beatitudes.

The treasurer gave the financial report and also the report of the talent sale held in the Y.M.C.A. on May 12. The Spring rally of Guelph Presbyterian will be in Elmhurst on May 30.

The offering was presented and prayer by Mrs. Davidson. Other items of interest were discussed and arranged for. The meeting closed with the Mizpah benediction.

A delightful social time was enjoyed during the lunch period and Miss Bella Mave Roswell expressed the appreciation to Mrs. Inglis and committee.

Our commissioner, Mrs. G. Walby, joined us once again for campfire. Then our meeting concluded with Softly Fall the Light of Day and Taps.

## Bridging P.S.-H.S. Gap Problem for Principals

The final meeting of the Halton No. 4 and Wentworth No. 2 Principals' Association was held at the Robert Little Public School, Acton, on Wednesday, May 17 at 4:30 P.M. Douglas Copeland, vice-principal of the Robert Little School, in the absence of G. W. McKenzie, welcomed the guests on behalf of the board and the staff. During the inspectors' period, W. L. McNeil thanked the principal for the cooperation he had received during the year. Mr. McNeil spent sometime explaining Grade VIII promotion procedures for this year.

The guest speaker was George H. Pew, supervising principal of the Oakville City and high schools. He was introduced by Mr. Bell and thanked by Mr. Johnson. Mr. Pew dealt with the problem of bridging the gap between Grade VIII and IX. These problems he suggested fell into three categories, emotional and personal, procedures and academic. He suggested means by which the public and the high school could each play their part in helping the pupil with his orientation problem.

Elmer Smith presented the report of the text book committee who had studied the approved texts for the various grades and subjects. Each principal was given text book order sheets which contained the books recommended by the committee.

Mr. Porter gave the report of the nominating committee president Mr. McKenzie, secretary Mrs. Sheppard and executive committee Mr. Bell and Mr. Hill.

Dinner was served in the home economics room by a group of Acton United Church Friendly Circle. After Dinner Glenn Banks, Acton's Music Supervisor, led a sing-song.

After dinner many principals accepted the invitation to tour the building which is the largest school in the inspectorate.

## Five-Year-Old Home After Observation

Five-year-old Kenneth Hurten, presumed injured by a runaway car last Thursday, returned home from Guelph hospital none the worse for wear after a day's observation and complete check by doctors.

The son of Mr. and Mrs. Kenneth Hurten, 45 McDonald Blvd., the youngster at first was thought to have been run over by a runaway car owing to the marks on his face and head. Doctors believe the marks may have been made by the side of the tire and the youngster was not under the pressure of the wheels.

The young boy was rushed to Guelph hospital after he had started his father's car in the driveway of a neighbour and the vehicle backed across the road through the fence on the property owned by Mr. and Mrs. James Loutter.

During the movement of the car, the youngster fell out and later collapsed on the roadway. The vehicle continued back through another section of the fence and was stopped in the middle of the road by the child's mother.
