12 TON PRESS is unloaded from a float truck Wednesday afternoon as the first part of equipment begins to arrive for Frank Heller's new inclusiry. The lastest development to Acton's industries is located at the rear of Dills Printing and Publishing plant. Expected operation of the plant is expected to begin around September 15. The piece of equipment is known as a Sheridan Press and was moved from a plant at Blyth, Ontario. Other pieces of machinery which arrived included a measuring machine, staking machine and a smaller press.
