Trooper David Graham of Lord Strathcona's Horse (Royal Canadian) Regiment is visiting his parents, Mr. and Mrs. J. Graham, 247 Mason Blvd., Acton, on thirty days' leave from Camp Sarcee, Calgary. He goes next to Camp Borden for officers' training.

Visiting at the home of Mr. and Mrs. C. W. Mason on the Labor Day holiday were Mr. and Mrs. George Switzer, Bob, Elaine and Kay of Toronto, who have returned from a two month motor trip through the west as far north as the Columbia Ice Fields and on to Victoria, B.C. and San Francisco.

Mr. and Mrs. Don Timmings and their four sons were away last week on a "trip" camping in a Hide-a-Home trailer which collapsed into a stamless steel box for travelling. Turning the compact box into a home each night by dettily raising walls and fixing poles in the canvas roof always brought fascinated on-lookers at campsites.

Mr. and Mrs. John Black and two sons of Toronto stopped briefly to visit friends in town Sunday. Mr. Black, formerly on the Free Press staff, is now assistant mining editor of the Financial Post. He and his family have just moved into a new home in one of the modern subdivisions south of the intersection of Highway 401 and 27.

Several former Acton High school students have decided to attend classes out of town this coming year. Miss Jo-Anne Force and Miss Linda Parker both started the fall term at Haverhill College, Toronto, this week. Ricky Currie and Bob Hinton will be going to Guelph Collegiate and Jack Hinton to John Ross Collegiate. Guelph, Barry Kirkness and Jim Innes will attend Oakwood C.S. in Toronto.

Many who have spent the summer—or at least their two-week vacation and weekends—at their cottages have returned to see the children off to school. Weather will still be pleasant for several weekends yet. Muskoka attracts many Actonians while there are always some from here at Stubbie Beach or Wawa. More than ever before tried camping holidays this year—with varying degrees of success. Heard about the pyjama-clad Acton family who woke in their tent one morning to realize all their clothes and food were locked in the car—in case it rained—with dad's only key still in his trouser pocket?
