LIMEHOUSE

Overflow Congregations Fill Church Hear Guest Speakers, Special Music

Limehouse Presbyterian Church celebrated the centennial anniversary on Oct. 1, with an overflow of congregations, both morning and evening.

Rev. Hugh F. Davidson, M.A., D.D., of Toronto, secretary of the Board of Stewardship and Budget of the Presbyterian church in Canada, spoke on "The Eternal and the Temporal." Mr. Tom Trouten of Georgetown, sang two splendid solos at the morning service.

Evening Service
In the evening Rev. Ross K. Cameron, W.A., D.D., minister of Dovercourt Presbyterian Church, Toronto, who, as the son of a former minister at Georgetown and Limehouse, spent his boyhood in Georgetown, spoke on "Making Religion Real."

Acton Quartette
The Acton quartette of Geo. Muselle, Victor Bristow, John Crensy and Leslie Duff, accompanied by George Hall, rendered two splendid vocal selections. The church choir, under the direction of Mrs. Bert Benton and Mrs. Raughley, the organist, sang a number at each service.

Ladies of the church, served lunch after both services, Rev. F. Norman Young, B.A., the presiding minister was present to conduct both services.

Historical Booklet
A historical booklet, largely due to the work of Mr. K. C. Lindsay, was available on Sunday and copies are still for sale. Many interesting facts and pictures as well as amusing stories of the past century are contained in it. The W.A. ladies had tile plaques

enamelled with the picture of the church for sale also.

Quite a number of pictures of former times were pinned on the entry walls, recalling former pillars of the congregation.

Remodel Church
During the summer months considerable work has been done at the church, when a basement was excavated, a new foundation built and a large vestibule added. Rev. Young rededicated the building at the morning service.

Mrs. Glynn of St. Catharines is visiting her son, Mr. John Glynn and Mrs. Glynn.

Mr. and Mrs. Ben Hurd and family of Parry Sound, visited Mr. and Mrs. Thos. Hamilton, a week ago Sunday. Last Sunday Mr. and Mrs. Vernie Padilch of Parry Sound, were with them. Mr. and Mrs. Gordon Quinton, Mr. and Mrs. Carson Murray and Gail and Mr. Carmen Murray, all of Macford and Mr. and Mrs. John Quinton of Georgetown, were with Mr. and Mrs. Bert Benton on Sept. 24.

Roy McDonald spent a few days in Georgetown and District Hospital due to a leg injury received from a fall.

Plan Fowl Supper, Projects During Knox Ladies' Aid Meet

Knox Ladies' Aid met in the church parlor recently for their September meeting. Mrs. A. M. McPherson presided. Her good thought for the day was "No one is useless in this world who lightens the burden of others."

The opening hymn, "Wonderful Words of Life" was sung and the devotions were in charge of Mrs. J. Dennis and Mrs. F. Anderson.

During the business, the annual turkey supper was discussed and it was decided the usual supper would be held at the anniversary season.

Cater for Wedding
An October wedding to be catered for was arranged and reports on the kitchen were given.

SKY HIGH
Half a cupful of gasoline vaporizing in the bilge of a boat can blow it sky high. So Canada's fire services believe that safety lessons learned in the more delightful adventure. There are now nearly a million small craft plying the waters of the nation, increasing at the rate of 50,000 yearly. You don't easily get a second chance to live in a boat fire.

A GREAT CALAMITY
One single fire in which 566 persons died and \$130 millions of property was wasted (as was our total toll in 1960) would be easily one of Canada's greatest disasters, and indeed one of the world's worst calamities. Only six lives, for example, were lost in the Great London Fire of 1666.

CHRISTMAS SAFETY
A Christmas tree will not flare up if kept standing in water.

Pay Tribute to Former Missionary At Knox Evening Auxiliary Meet

Mrs. John L. Davidson presided at the Alert Evening Auxiliary meeting held at the home of Mrs. Robert Turner, Crescent St., on Wednesday evening.

The worship service included two lovely hymns, "Christ for the World We Sing" and "What a Friend We Have in Jesus". The scripture lesson was read by Mrs. Turner and Mrs. E. Marshall led in prayer. The offering was presented and dedicated by Mrs. Davidson.

Mrs. R. R. Parker was present from the Afternoon Auxiliary and gave a most interesting preview of the new study for the year, explaining the work of the church in British Guiana.

Praises Work of Missionary
The speaker paid tribute to the excellent work done by the late Miss Nellie Anderson, who was a missionary there for many years. The speaker felt the ladies would have a deeper interest in this study through their

memory of Miss Anderson. Mrs. George Young gave a reading to conclude the study period.

During the business, the roll call was answered by naming an elder or manager of the church. Mrs. E. Masters had the gifts for the bazaar on display. Mrs. George Young offered her home for the next meeting, which is the Thankoffering.

"Now the Day is Over" was sung and the Mizpah benediction closed the meeting.

The hostess served lunch, assisted by Mrs. Marshall and Mrs. Davidson and a social time was enjoyed. Mrs. Livemore and Mrs. Cleland were welcomed to the meeting. A vote of appreciation was given the hostess, Mrs. Parker and all who assisted.
