## SIGN OF THE TIMES!

The Medallion Symbol of Electrical Excellence

This Hydro-approved Medallion tells you that progressive builders are providing for extra comfort and convenience through a new high standard of electrical living ... even in modestly priced homes. When you buy or build a new home the Medallion will help to protect your investment in these important ways:

**POWER CONDITIONING.** A 100 ampere service entrance and a "full housepower" distribution panel provide the capacity needed to operate your household services efficiently, economically, and safely ... now and in the future.

**APPLIANCE CONDITIONING.** Circuits and outlets for those work-saving, time-saving appliances are plentiful. Every Medallion Home anticipates your future needs. And at your immediate service is a new fact-

recovery, two-element, flameless water heater ... ready to keep an abundance of hot water "on tap" at the lowest possible cost.

**LIGHT CONDITIONING.** Another important "extra" is the planned lighting which adds charm and beauty both inside and out ... makes work and play areas brighter and safer.

A "Gold Medallion" Home is all-electric, including heating.

Information about the Medallion Electric Home in your community can be obtained from your electrical contractor or your local Hydro office.
