

Bazaar Planned by W.A. Griffins Winners at Royal

(Intended for last week.)
The monthly meeting of the W.A. met at the home of Mrs. A. Dam on Wednesday afternoon, November 8. The president opened the meeting with a poem. The minutes of the last meeting were read.
The roll call, "a definition of a friend" was well answered by members. Mrs. Ralph Denny led in devotions with the theme "Peace" in connection with Remembrance Day. Scripture reading was from 1 Chronicles, chapter 28, verses 2 to 8, followed by prayer.
More plans were made for the bazaar which is to be held the last of the month. The committees were picked out for the different tables. Some good used clothing was handled in to be marked for the bazaar.
Mrs. Ralph Denny and Mrs. Harold Griffin were chosen to contact women to stand for nomination for the official executive. The meeting was closed and the hostess and committee served lunch. A vote of thanks was given.

Up Front

Acton Y.M.C.A. in Action

By Secretary Sid Saltz

We read much these days about the ultimate weapon — one so fearsome it can bring a nation to its knees at the push of a button. We read too, of frantic efforts to find the ultimate defense — one so foolproof it can frustrate even the most fiendishly clever missile. And so the desperate race goes on: Weapon against defence, defence against weapon.

All the while mankind has at hand the means to save itself. Mankind need not install Christian character in its young with some measure of the skill it shows in creating new ways of destruction — with some portion of the fervor it puts into mistreatment of man. But Christian character cannot guide the world until it guides nations. And it cannot guide nations until it guides men in their daily lives.

Christian character cannot be stockpiled. Nor can it be controlled by pushbuttons. It must be constantly renewed. That is the reason your YMCA — along with YMCAs in 76 other countries — has but one goal: the building of sturdy Christian character in young people. Christian character is more powerful than anything which can ever be devised by man. Truly, it is the world's ultimate hope for peace and brotherhood.

Your Acton YMCA is trying, within the limits of its capabilities, to play its part in building Christian character amongst Ac-

ton Youth by providing healthy recreation and physical exercise.

This year again, as in previous seasons, quite a number of Acton boys and girls have registered for the Gym-Program and enjoy the activities which the program offers. As in the past two seasons part of the program is again supervised by Gen. Secretary Sid Saltz. A girl's gym group meets on Wednesday nights under June Davidson's leadership. Jack Blundell instructs interested boys in woodwork, and dance instruction is available to young women. The ballroom under the direction of Mrs. Ladouceur. Special instructions in Badminton, Basketball and gymnastics are held Saturday mornings by Paul Lawson, Art Cooper and Doug Copeland. Our Weightlifting group under Allan Holmes is active — but could do with a few more members.

Mrs. Buckner's Ladies "Keep Fit" Group has, unfortunately, had to be cancelled because of her many other commitments. Another item which had to be dropped — at least temporarily — from our program is the weekly swim of the Acton Water Y's. Due to the amalgamation of the Guelph YMCA and YMCA their program had to be extended to include more time in the pool for girls — and for this reason the Acton Group could no longer be accommodated. There is some hope, however, that in the New Year different arrangements can be made so that our Water Y's

will be able to resume their activities.

At the first Board meeting of this season Mr. Hob Foyers Sr. assumed the office of President, whilst past-president Bill Wilson now holds the position of vice-president. Elmer Smith continues as treasurer. Other members of the board are: Mr. Clarence Roggvoldson, Mrs. Kay Graham and Mr. G. McKenzie.

The Acton Y's Men's Club who — through their work in supporting the YMCA — play a leading part in the operation of the Acton Y's, are engaged in a membership drive, and there is hope that by the end of this year the membership will be up to 30. One member who is wishing for this to happen pretty soon is Y's Men's president Bill Wilson who, at a recent meeting, was sentenced to wear a white Dunce hat until such time as the membership reaches the desired goal.

The Y Ladies' Auxiliary has been busy in organizing church drives at the Y, and the Y's Men's Auxiliary has been very successful in raising funds.

A group of high school students are now re-organizing the Acton Hi-Y Club, and hope to be able to present a program which will be of interest to their fellow-students.

12 for 12 Good Shooting But Bear Evades Hunters

An even dozen was the final tally when an Acton hunting party took stock at the end of a week's deer hunting last week. The party hunted in the Muskoka district and reported plenty of game sighted.

Good hunters are like good fishermen—they always report about the one that got away! In this case it was a black bear. Apparently the animal was wounded but managed to keep a few strides ahead of the marksmen. Enjoying the trip last week from Acton were Willard Dostal, Jr., Theo and Archie Papillon, Herb Dadds, Grant Withers, Charlie Allen, Don Anderson, Mike Bennett and Tom Elliott. Three hunters from the Muskoka area joined the party for the week.

The heaviest animal brought home tipped the scales at 238 pounds and was estimated to be around four years old.

Groups Join

Acton United Church Young People's Society joined with Balmat United Young People's on Sunday evening. The guest speakers were Rev. Emil Lange and Mrs. Lange and they told of their experiences and showed slides of India. They spent five years there as missionaries.

New "Night-Economy" Plan and Other Long Distance Reductions

Now you can call your out-of-town family and friends in Ontario and Quebec on our new Night-Economy Plan and save money! On any Bell Company station-to-station call within Ontario and Quebec, placed after nine p.m. any evening, you will be charged at low night rates for the first five minutes. Then—keep talking! There is no additional charge for the next five minutes. (You get ten minutes of Long Distance time for the price of five.) From then on, every two minutes you talk will only be charged as one minute. On Long Distance calls where the basic rate is ten cents, you can now talk up to ten minutes on the Night-Economy Plan for ten cents and each additional six minutes for five cents. While the new plan is the lowest-cost Long Distance plan ever offered to our customers, there are considerable REDUCTIONS in most day and night "station-to-station" calls over 48 miles—the direct result of the economies that arise from the expanding use of automatic dialing equipment (Direct Distance Dialing).

Increased automation enables us to pass along to our customers the economies on station-to-station calls, but Long Distance calls requiring the more time consuming services of an operator are more costly to handle; rates for such calls will more closely reflect their actual costs. For example, PERSON-TO-PERSON calls have become somewhat more expensive over distances up to 276 miles, with noticeable REDUCTIONS FOR GREATER DISTANCES. The discount rates for person-to-person calls at night and on Sunday have been eliminated. The small surcharges for calls charged to a third number or for "collect" calls have been increased from ten cents to 20 cents.

Here it is November with Christmas just around the corner! Yes, it's time once again to go over that old Christmas list and make sure no one is forgotten. Speaking of remembering folks at Christmas, one of the finest ways to make a lasting impression on your loved ones is to provide them with a thing of beauty that will give them year-round convenience and pleasure—a constant reminder of your thoughtfulness. May we suggest that an extension phone in colour in the bedroom, kitchen, den or basement workshop would give this sort of pleasure and convenience. Why not provide someone dear to you with extension telephone service this Christmas? It's something that's sure to be well used and appreciated throughout the year. And, as an added feature, this year we will CHRISTMAS-WRAP the extension phone of your choice—Princess, wall or table phone—to put under the tree. One of our installers will come after Christmas to connect it where it's wanted. If the extension service is for relatives or friends, you can arrange payment on your own phone bill. To order, just call our Business Office at ZE 2-6980 or ask the man in our green truck.
