Four Originals Attend Final Meeting for W.A.

The W.A. held their final meeting at the home of Mrs. Tom Given, the president, who opened the meeting with the Ode, the Creed and the Lord's Prayer in unison. Mrs. Frank Smith had charge of the devotional; Hymn 55 was sung. Mr. Beaton was present to talk about the new organization, the United Church Women.

A roll call was answered by an exchange of gifts and remembering the unknown friends. All items of business were dealt with and the books were closed. Plans were made to end the organization with a hot beet supper.

Four members were present who were charter members when the W.A. was organized April 4, 1927. Mrs. Robert McEneery, who was the first secretary, was again secretary this year. Mrs. E. W. Shorrell, Mrs. Donald McLean and Mrs. Henry Hills were also charter members.

The meeting closed with the Benediction. Lunch was served by Mrs. Robert McEneery. Mrs. Henry Hills and Mrs. Edmunds assisted by the hostess.

White Gift Service

A white gift service was held in Ballinladd United Church on Sunday morning, with Mrs. Black at the organ and Mrs. Ernie McEneery at the piano to play "Silent Night".

Mr. Beaton, who was in charge of the service, told the story of a little boy who sent some of his clothes to another little boy who was struck by a London man's need them, which provided a good lesson.

G. Addison Heads Retarded Executive Group Plans New School by Spring

Gerry G. Addison of Milton, a former president of the North Halton Association for Retarded Children, was returned to that office Thursday evening to guide the Association through what may prove to be its biggest year—1962, when a new school for retarded children will be erected at Hornby.

Taking office, Mr. Addison said that with a new school to be constructed this year, the new executive would be required to work harder than ever before.

Need \$2,000

The school will cost approximately \$40,000, and will be erected on a site a mile from Hornby on the seventh line to serve retarded from all over northern Halton County. There are presently 16 pupils using cramped quarters in a converted garage at Milton.

About 30 per cent of the funds, approximately \$12,000, will be provided by the Department of Education and a further grant of \$4,000 representing \$150 per square foot of land, will be provided by the County of Halton council.

This left \$24,000 to be raised through public donations in the affected communities. About \$17,000 has been raised, and with a loan of \$5,000 from the CFTO-TV telethon fund, the association is still short \$2,000.
