

Ricky Henderson Puts Three Acton Bantams Post 5-1 Win

Showing signs that they are determined not to remain at the bottom of the Tri-County Bantam circuit, Acton Firefighters' Bantams posted a 5-1 decision over the Hopewell in the community center on Friday night.

Ricky Henderson paced the Acton club with three goals for the first period and two for the second. The team's only scoring was taken care of by Henderson. Caswell potted the lone Hesperia goal.

Six penalties were handed out by the referees. Five of them go to Acton.

It was the first win for the Bantams who are beginning to show the results of having ice at home to practice on.

First Period	6-0
Second Period	13-0
Third Period	14-0
Total	33-0

Acton goals were scored by Henderson, Henderson, Henderson, Henderson, Henderson, Henderson, Henderson, Henderson, Henderson, Henderson.

Fire Prevention Bureau Chief Shows Farm Fire Hazard Slides

County Councilors took a half hour from a busy December meeting agenda last week to watch a colored slide show on farm fire hazards presented by the Fire Prevention Bureau chief, Wm. Trudgale.

Trudgale, fire inspector and Bureau president, Dan Cherington, and Trudgale's assistant, Wm. Miller, appeared to inform councilors of their progress with farm and home fire safety slides. Chief Trudgale explained the Bureau had taken pictures of various types of fires, fire hazards and safety precautions across the county and had considerable success in showing them to farm groups.

Bureau president Cherington, informed the councilors that the slides, showing farm fire hazards, were being shown in farm barns. "We are asking the farm people to take some of these

Arena Beehive During Holidays

Adults and children alike are enjoying skating facilities at the arena since the arena had been opened for skating.

The arena has been opened for skating and some skating are taking place in most of the time. But, during the Christmas holidays, child and adult skating are being held at the arena.

HAROLD DOANE of Oakville, Halton's Deputy Chief Instructor for the Emergency Measures Organization, recently completed a Rescue Instructors' Course in Guelph and last week Halton County Warden F. A. Phillips praised the rescue instructor for his interest in E.M.O. objectives and personally commended him for his courage during a recent accident in Oakville, when Mr. Doane put his rescue training to work and freed a truck driver trapped in an overturned truck.

Miss Joan Bosley Honored by Staff

On December 15 a party and presentation was held at the M.Z. Bennett school for Miss Joan Bosley, who married Desmond Doran on December 24 at St. George's Church, Guelph. They are going to live in the University of British Columbia.

People are still having their problems with the dial phones in the University of British Columbia.

Georgetown's Gyro May go to S. America

A quartz-bearing gyroscopes may eventually be used in this device's autogyro first perfected in 1921. The most unusual export product to go to South America.

The two councils of Halton and Waterloo have agreed to purchase a gyro for the purpose of giving it to the Gyro Club in Canada's far southern neighbors. The Gyro Club is a club which uses its plane as a good bet for future motor to rotate the rotor blades.

According to Don Hayward of the Gyro Club, the gyro is now in the possession of the Gyro Club. It is a gyro which was built by the Gyro Club in 1921. It is a gyro which was built by the Gyro Club in 1921. It is a gyro which was built by the Gyro Club in 1921.

Anyone Can Fly

One of the plane's strongest selling points is the claim that it can land itself safely with a crash even if the engine quits completely while it is flying.

OLD SPINACH

A spinach related to the best or conventional 180 h.p. aircraft engine, and do a vertical takeoff and land in a 30-square foot area.

MORE POWER... GREATER SPEED than ever before!

Remington's New SUPER 75 chain saw

Most powerful, fastest cutting chain saw yet. New Power Pulver engine delivers 420 cutting strokes per minute. Now you can cut 4 logs in the same time it used to take you to know it's reliable because it's made by Remington—renowned for product durability since 1816.

St. John's Christmas Program Climaxed by Santa's Arrival

Friday evening was a big evening for the young folks, parents and friends of St. John's Church with their Christmas program of songs and short readings under the direction of Mr. Monte Root, superintendent of the Sunday School.

First part of the program was taken up with selections by members of the junior choir who came with "lighted candles, singing hymns. Other items on the program were tap dancing in program short recitations, recitations, short plays, all pieces of music. Mr. Root showed a few Christmas cards relative to the program with music from a Scholastic program which had been brought to the church by the junior choir.

Many at Church Services on Sunday were well attended in churches when Christmas messages were delivered and special numbers sung by choirs. Presbyterians Churches consisted of candle light programs and carol singing.

Service in St. John's Church Christmas morning was well attended with the Rev. Rev. Allen F. Cook in charge. Choral Communion was celebrated during service with two young men as servers.

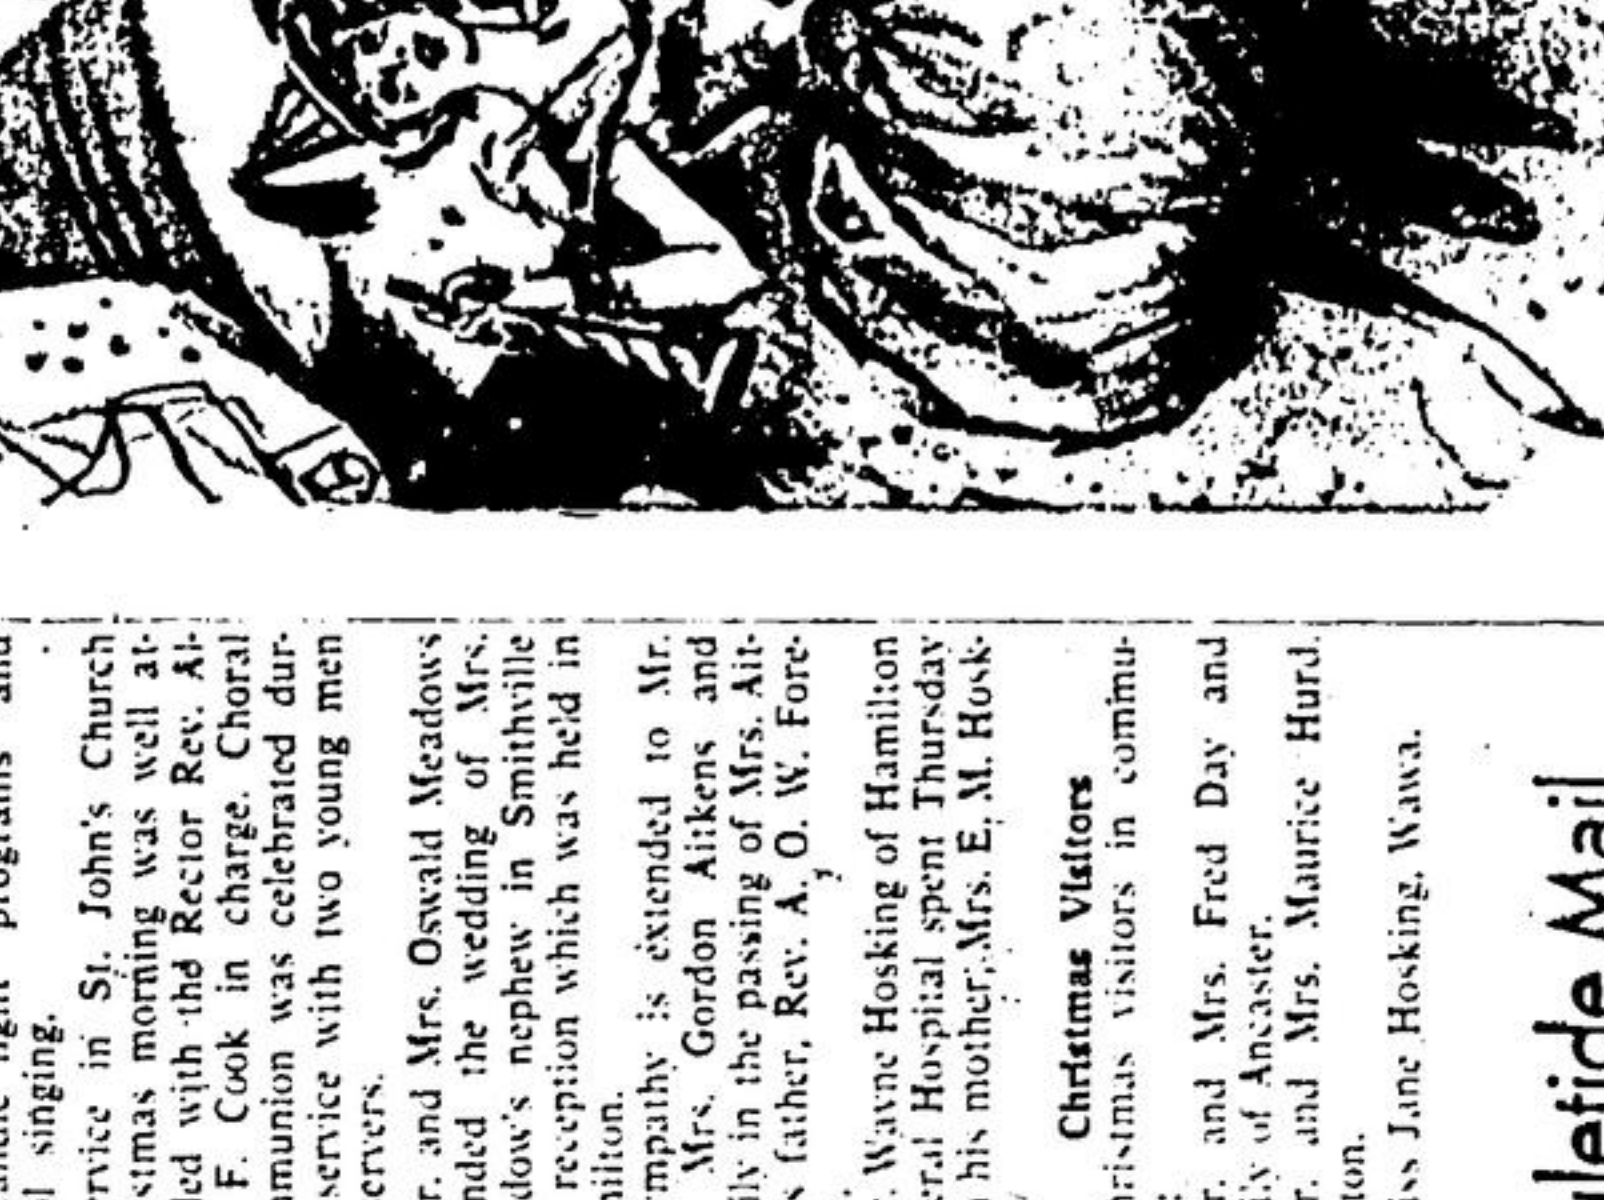

Mr. and Mrs. Oswald Meadows attended the wedding of Mrs. Meadows's nephew in Smithville and reception which was held in Hamilton.

Stymphy is extended to Mr. and Mrs. Gordon Atkerson and family the passing of Mrs. Atkerson's father, Rev. O. W. Foreman, Dr. Wayne Hosking of Hamilton General Hospital spent Thursday with his mother, Mrs. E. M. Honk.
