

Spilling Five Pins

AT THE ACTON

Bowling Lanes

by Ken Hillford

High School

April 9: Electras needed their two and totals win from Hot Dogs to stay on the top rung. At that, they have to share it with Comets, who won three games from Rockets. Turning on the winning switch for Electras, were Terry Masales 629 and Donna Pendleton 273. Donna's single, incidentally, is a new single record for the girls. Keith Andrews with a hot 716 tricoats was a one man gang for the Comets in their triple win. Gary Masales fashioned a 207 single for the Rockets. Dunblowins made it a two and totals win from Foulers sans triples and singles. Foulers annexed the middle chukker by 10 pins when Murray Smith by name, unleashed a 207 solo.

Boardroom

April 9: Ermo Favro 607 and Eddie Jank 602, plus Lyle Cripps 219 solo, paced Hep Cats to a two and totals win over the Hi Hoppers who, on the strength of Phil LeSueur 686, Ben Bayliss 243 and Harry McFadden 210, had to be content with winning a single. Primroses hung onto a second place with a two and totals win from Lucky Seven. Almost won three but missed out in the third game by 16 pins. Arlie White 654, Frances Crooks 653, Helen LeSueur 205 tripled and singled for Primroses. Pat Waldie 626, John Dennis 221, Helen Yatesman 226 and Jake Vanderkooy 232 were in a like category for the Seven. Mugwumps bumped Strike Aheads out of second place when they came off best in a 52-80. Timmie Masales 778 (315), Bert "Fireman" Fowler 666, Ben Anderson 220-205 and Sonny Townsley 200 headed up the Mugwumps' win. Strike Aheads were not amiss for triples and singles. Roger Murray 650, "Big Al" Pavi 615, "Wild Bill" Howell 210 getting 'em. Johnny's Crew cake-walked to a seven point win from the short-handed Untouchables, with Howie Janks' 282 solo standing out. Archie Pappillon 208 and Chuck Sumter 239 gave it the old college try for the losers.

Legion Ladies

April 9: Flip Flops cut Watch Outs down to size when, after dropping the first game by nine pins, they swung into high gear and won the next two and totals. Helen Jocke's 233 solo was Flip Flops' best. Phyllis Angell tripled for Watch Outs with 656. No Blows were also on the two and totals kick, with Jets being the victims. Ivy Martin's 685 triple and Doris Angell's 211 solo, along with Jean Bullough's 213, blew up the No Blows' pinfall. Jets' third game win was headed up by the solos of Marg Coker 207 and Fern Shultis 208.

Blue Springs

April 10: Carnations are still leading in the stretch run, two and totals win from Violets keeping them three points ahead of the Mums. Jennie Clendenning and Millie Stitt were the top-fighters for Carnations with 612 and 691 in that order, with Wanda Smith singling a 221 for good measure. The Gough girls did their sister act for Violets, with Maxine getting a 216 and Marj a 272. Cheryl Phillips rounded out the trio of solos with a 236. Glads are still making a bid for the fourth playoff spot. They won the first from Mums, but Mums shut them out in the next two off the big share of a 5-2 go. Adele Nolan's 687, Audrey Urquhart's 620 and Nancy Jensen's 280 for Mums didn't give Glads much of a chance. Sophie Oehrich 636 and Verna Churchill 209 tripled and singled for Glads. Asters did their best to chip the Roses, but after winning the first game, fell by the wayside, and it was Roses for two and totals, with Joanne Inscoc 208, Shirley Hunter 200 and Jan-

ice Withers 210 sparking the win. Asters' top scores did not make the "mentionables".

Micro Plastic

April 10: Hi Impacts are in high gear for their first place finish and a two and totals win from Die Beaters keeps 'em rolling. Mary Cooney 635, Kurt Haefner 246, Herman Bessum 7 and Elsie Macke 238 were Impacts' highs. Herb Schubert 234-208, Cyril Leighton 211 and Bill Elling 258 were on the single plate for Die Beaters. Elsie Schmidt's 229 solo was Flexibles' top score, but they made it a two and totals win from Geons. Geons had the scores but not the pins. Joan Knight 681 and Bob Drinkwater 223, Bell Ringers rang the win-bell for two games against the Scrappers, but Scrappers had the pinfall for the odd totals point by 29 pins. Lea McGilloway winged a 797 (358) for the Ringers, with Bob Altonby soloing a 204. In a like vein for Scrappers were Hank Earle 657, Ena Gibson 250 and Hugu Schmidt 206.

Industrial-Commercial

April 11: It was a rip snorting finish with the Industrial-Commercialists. Ledger's I.G.A. grabbed off seven points from the Firefighters to finish in a top spot tie with Al's Snack Bar, who went for a two and totals win from Reliable Taxi. A-1 Delivery and Paul's Men's Wear, who started off the night in third and fourth spot respectively, finished all snarled up in the second spot when the "Haberdashery Boys" slammed the A-Oners down for a no count loss. This necessitates a special roll-off to decide first, second, third and fourth spot. Seems as there is some financial rewards in the order of the finish. In the Ledger's I.G.A. 3320 pinfall to 3044; third place, A-1 Delivery beat Paul's Men's Wear, 3091 pinfall to 2727.

Action Ladies

April 11: It's still anybody's race in the Action Ladies and Cameos regained the top spot with a two game win from McCallum Services. Cameos grabbed the second chukker by two pins and McCallum's, with a big first game, annexed the odd point for totals. Pat Frizzell 656, Marion Storey 216, Peg Ballentine 219 headed up the "Macs" scoring. Cameos went on a solo hop, Marie Mellor 200-217, Jean McPhail 249, Marg Toth 246-223. Prouse Motors did a little free wheeling at the expense of the Vets with Nan Hurst 200, Stef Pescha 218-200 singling. Verna Arbie soloed for the Vets with 214. This'll please Sydney K. Lamb—his "little lambs" were the big winners of the night with a seven-pointer from Lovell Bros. Ina Mellon

655, Dianne Spielvogel 231, Kitty Allen 210 and Stella Wasowicz 201 paced the win. Norma Robinson got a "mentionable" for Lovell's, a 226.

Action Major

April 12: Action Billiards already had first place sewn up, but that didn't stop them from winning a two and totals go from the Firefighters. The "hose toters" surprised the "cue boys" when they won the first canto by seven pins. Fred Kenner 680, Leo McGilloway 682 and Jeff Fryer 675 were the top-fighters for Billiards. John Krapek 720 and Jack Pink 625 were up for Firefighters' triples. Tiger Cats made it a two and totals win from Ten-Pro, with Bill Williams 814, Jack Bullough 666 and Norm Morton 640 heading up the win. Ten-Pro were not adverse to the triples, with Phil LeSueur 711, Gord Cunningham 706 (301) and Ken Johnson 608 getting 'em. Larry Nolan gave his Soccer Club a show of leadership with 669, but it was to no avail. They dropped the works to Dominion Hotel, who had Hank Earle with 660 pacing the win.

Teen-n-Under

April 14: Flintstones were a 13-pin winner over Devils in the first, then Devils came up with the big one, to make it one and totals in their favor. Mavericks plucked a few feathers from the Eagles in the first, seven pins deciding the issue, then completely defeated them in the second, to win all the marbles. Reptiles finally found themselves and came up with a double win from the Lucky Strikes, who were wondering what it was all about. Our "Big Ten" rollers this week

Action Friends

April 12: Popovers are popping off the points and they picked up another seven points at the expense of the Yakkety Yaks. Had-DeForest 247, Beth Brears 200 and Stella Brunelle 205 singled up the win. Ernie Lawson soloed a 209 for Yaks. Bell Buys were a two game winner from Untouchables, but they dropped the odd point for totals by 20 pins. Harold Ferguson with 276 was top soloer and the only one for Bell Buys. Untouchables did better. They had Bonnie Blackley 207, "Beaver" Baxter 272 and Ray Atkinson 206-219. Sugar Jets grabbed a 22-pin win from Slowpokes in the first, won the second by plenty and then dropped the third. John Cunningham 630 and Anne Thomson 242 tripled and singled for the Jets. On the solo kick for Slowpokes were Gary DeBruyn 203 and Ken Thomson 225.

Thursday Toppers

April 12: Tiger Cats' three game pinfall of 2409 gives them a nice edge to carry into the final three games. Verna Arbie 616, Nancy Jensen 224-203 and Marg Guest 225 highlighted the roll. Cameos, with 2307, hold down second spot. Ada Peal's 203 solo topped Cameos' efforts. Wishful Thinkers, sans the triples and singles (big ones, that is) are in the third slot with 2211. Happy Hopfuls' 2040 roll gives a slight edge for the fourth place. Ivy Martin's 212 single headed up their trundling. Not too far behind are Blowers with 2020, who failed to crack the triple or single barrier. Last, but not least, are Busy Bees with a 2015 count who, if they can only get the triples and singles they are capable of, will give a better account of themselves in the final three games.

Acton Mixed

April 13: A close finish in the Acton Mixed — seven points difference between top and bottom. Raiders grabbed the top spot with a two game win from Clippers, who added the odd point for totals to their one game win. Sparking the Raiders' win were Sophie Oehrich 643, Gerry Funk 624, Les Gidman 212-224, Pearl Jackson 215. Spotting the Clippers' bowling were John Foley 729 (308), Don Earle 206, Jerry Martin 214 and Don Thompson 213-208 took care of Forbes Cole's 203 and Stragglers made every game a winning one. They had a close shave in the second, six pins being the winning margin. Eagles were doing some high flying, winwise. They won the first two from Turtles, but missed the brass ring in the third. George Gidman 663, Bob Lazenby 633 tricoated for the Eagles, with Betty Cole getting in for a 208 solo. Up for the Turtles' scores were Ron Whitham 654, Ben Rody 246, Pat Gidman 214 and Bob Martin 205-212.

Headpin Hilites

April 12: The Editor: Holiday time will soon be here and we of the North Halton Association for Retarded Children are making arrangements for pupils of the Sunshine School to attend summer camp. Previously we have shared the facilities of Camp Bellwood.

Letter to the Editor

Dear Sir: As everyone is aware the Association is presently engaged in furnishing the new school which is now under construction on the Seventh Line. Due to these circumstances pray I, on behalf of the Association make a plea to all service clubs, church groups and individuals to make a donation. If full sponsorship for one child is not possible any contribution no matter how small will be greatly appreciated.

Seek Donation to Send Retarded Off to Camp

This year, for the first time, we are invited to send as many pupils as we wish to Camp Westall, Ayr near Paris, Ontario. This Camp boasts a water front for safe bathing and a sandy beach. Excellent supervision is provided with one counsellor to every three campers. Activities include swimming, crafts, dramatics, games, and nature study. There is plenty of free time and rest. Chalet type accommodation is available, with all bed linen being supplied by the camp. Laundry is done when necessary and good food in plenty at an inclusive cost of \$60. for a three week period. It is our intention to send as many pupils as we can afford.

Hold Annual Banquet

Members and supporters of the Halton Junior Farmers' Association attended the annual banquet and dance held in the Masonic Hall, Milton, on Friday, April 13. This was one of the highlights of the year for the association, where everyone enjoyed a turkey dinner and selections from the celebrated Halton Junior Farmer Mixed Quartette, the Male Quartette and the Ladies' Trio. Bill Wilson, as his last official duty as 1961 president, acted as chairman and toastmaster for the banquet. Following the banquet, Raspberry's orchestra supplied music for dancing. Will you please help? (Mrs.) P. Hurst, Public Relations, Chairman for N.H.A. for R.C. P.S. Contributions may be sent to the above address.
