

### I.G.A. Wallops Hotel Club 22-0

Four home runs from the bats of Jeff Fryer, Terry Waterhouse, Stu McDonald and Brian McCristall powered a 15-hit I.G.A. attack on hapless Dominion Hotel Monday night as the grocery boys won a convincing 22-0 victory in an Acton softball association contest.

Three of the round-trippers came in a 10-run fourth frame that saw the hotelers commit three costly errors and generally fold up at the rough treatment they received from I.G.A.'s bats. The winners collected three runs in the first, one in the third, 10 in the fourth, one in the seventh, three in the eighth and four in the ninth.

Dominions, throwing three pitchers into the fray, could manage only one hit.

# Acton Splits with Dundas Rap Out 16 Hits Saturday

The booming bats of the Lawson brothers, Peter and Paul, picked Acton Merchants to an exciting 16-5 win over third place Dundas in Halton County intermediate baseball here, Saturday afternoon.

It was the second meeting between the two clubs in the week. Dundas squeaked out a narrow 8-7 victory Thursday night in the valley town by overcoming a 7-4 Merchant lead in late innings.

Saturday it was strictly an Acton contest. Paul Lawson with four hits in four tries that included a triple, two doubles and a single, spearheaded the 16-hit Acton onslaught while Pete coded

out the first home run of the season for the Merchants at home as well as hitting a two-bagger.

**Defiant Drift**

Backing the vigorous Acton attack was the pitching of Bob Lindsay, nominated by Duke Lindsay to start against the tough Dundas hurler Howie Cain in the fifth when he issued three consecutive bases on balls.

Between them the Acton batsmen allowed seven hits, three of them batted from Lindsay, Tom From Cain.

Brattain also wielded a potent bat for the Merchants by doubling and tripling in two appearances at the plate. His three-bagger would have stretched into a home run except for a tall maple which played the leger around the park.

**Big Hit Production**

It was the biggest hit production yet for the Acton club and was accomplished at the expense of two Dundas moundsmen. Anderson started on the hill for the Merchants but was relieved by F. May in the second when the Merchants pulled away with a six-hit barrage that yielded five runs.

Other Merchants who were hitting the sphere Saturday were Mel McPhee who tripled and singled, Andy Williams who drove

## MINOR BASEBALL

McMullen's Hustling Bantams also sharp behind the plate, and set a minor league endurance in the last week squaring four games into 4 nights. The young stars met Horby Rockwood and Waterdown at home, Thursday Saturday and Tuesday and travelled to Oakville Monday.

Thursday's contest against Horby saw the bats go deep 138 only to once again reverse the decision by default. It seems that Manager Ted Tappay Cronin spotted a couple of mid-pitchers in the opposing lineup, suspended this to the attention of the officials and then they demanded a recess. Highlights of the game was a spectacular running catch by Rogers in the center field.

**Rockwood at Acton**

Saturday's feature saw the bats come from behind behind Rockwood took an early 1-0 lead in the second inning as a walk away from the startled Rocker in a big third inning and away the park with a 2-1 victory back Anderson p. May p. m.

**Acton at Oakville**

The third inning rally started such singles by Henderson, Heikamp and Cronin to lead the bats. Henderson scored on Harry's accidental bunt single. Riddall angled to lead the bases again and Marz carried the bat to the plate behind a clean triple, working all three of the mates. Walker doubled to score. Marz got put out at second and Cronin and Anderson were down in order to restore the advantage. Henderson started for Rockwood with two of his trademark coming in relief.

**Acton at Oakville**

Monday's action in Oakville saw McMullen's Bantams lose 4-1 to a hard-hitting Oakville side. The locals rallied in the fifth but a tremendous one-hand stab by Inglehardt robbed Riddall of sure extra bases and broke the back of the Acton contingent. Big bats for Acton were Walker 1 for 1

**LAST THURSDAY** when Acton Junior Farmers up and smote Beardmore Tanners with their second straight loss and Monday when I.G.A. swamped Dominion Hotel 22-0, a few of the softball filberts sat up and took notice.

Fewer eyebrows were raised Tuesday when the league leading Firemen dropped a much improved Legion club 8-5. However it was apparent to even the most prejudiced observer that a new pattern was evolving in the six-team Acton softball association.

Four things were apparent:

1. Beardmore's club, either through overconfidence or shaking a slump, are going to have to shift into high gear if they hope to end up on the top of the six-team league.
2. The Fire Fighters, no more than given second place at the start of the season, are now odds-on favorites to take all the matches.
3. Dominion Hotel, once a league power, now signs of trouble, and are slowly sinking in the cellar, probably to replace a Legion club which has been replaced with new blood since Ray West took over the coaching duties.
4. I.G.A. a young vigorous preparation is going to shake up the standings in the six-team league.

Then he contacted a pitcher named Sammie from somewhere in the suburbs. He had some difficulty acquiring a receiver who could hold the strikes. Sammie was chucking in practice in spite of the fact that four volunteers offered their services. He seemed to have solved that thorn in his problem by Tuesday.

Against the firemen the Legionnaires did right well. They lost by three runs but it was a big improvement over the first couple of games they played this season when they showed signs of becoming the league's patois.

**RESULTS OF PRACTICE SESSIONS** and the transfusion of young blood into the roster is beginning to show in recent games of the baseball Merchants.

Duke Lindsay has been juggling the lineup to get the most power out of the players he has on hand. With six positions filled by high school students Saturday, the Merchants unleashed some of the most potent hitting the league has seen this season.

Campbellville, giants of the baseball in other years, seem to have gone beyond their palmy years. The vagabonds slipped into their second loss, Oakville Oaks climbed into first by virtue of the win.

Milton, meanwhile, one of the better defensive clubs split with Georgetown and tied Dundas in three outings. Georgetown upped their win column total to two with the win over the Sox.

There is a good chance that Acton, now in fourth position, will climb to third and possibly second before the schedule is completed. The locals will not be satisfied with second, however. They're aiming at first.

**Men Confer**

Guest preacher Sunday at the United Church was the Rev. Joseph W. Pratt B.A. of Kitchener who said he preached his first sermon 61 years ago. He and Mrs. Pratt were guests of Mr. and Mrs. Lorne Youngblut, whom he married. The Rev. Dwight Engel was attending a United Church men's conference at Elgin House with Frank Prouse, Wesley Beattie, Bern Veldhuis, Allan Lauder and Jack Creighton.

**FIREFIGHTERS' BANTAM** hockey players were feted Friday evening in the Fire Hall when they were presented with trophies during a bean feed. Most valuable player award went to Phillip Wedge. Pictured front row left to right are Steven Townsley, Doug Beattie, Jan Riddall, Phillip Wedge and Glenn Holmes; second row left to right Frank Morton, Kevin Hall, David Sproston, Phillip Marzo and David Garrett; back row, Harold Townsley, coach, Phillip Drysdale, Ricky Henderson, Henry Heikamp, Doug Garrett, and Herb Dodds, manager. ### Firemen Going Like Blazes Defeat Legion 8-5 Tuesday

League leading Fire Fighters increased the gap between themselves and the rest of the softball league when they parlayed a five run first inning outburst into a 8-5 win over an improved Legion team Tuesday evening.

Sporting a revamped lineup which is loaded with young talent, Legionnaires couldn't overcome the lead the hose toters built up but it wasn't for lack of trying. Firemen added two more runs in the fifth and a single in the eighth for their victory margin.

The Legion plated their first run in the fifth, added another in the sixth and pushed in three in the top half of the eighth.

Fred Archibald, pitching for the firemen, was credited with the win. He allowed five hits, struck out five and walked three over the nine innings.

Sharon hurled for the Legion giving up 11 hits, whiffing four and issuing nary one base on ball.

The big blow for the hook ladder crew was Johnny Kraepke's two-run homer in the fifth, one of two hits he registered for the winners. Herb Dodds banged out three safeties to lead the fire

### Tinny's Tanners Topped By Hustling Jr. Farmers

Smarting from a shut-out administered by the firemen on Tuesday, last year's champion Tanners faced the Junior Farmers the following Thursday in a chastened frame of mind. Despite one big inning in which they plated six runs the leatherworkers went down to their second straight defeat 8-4 at the hands of the plough jockeys.

Winning hurler was Don Hall of the Jr. Farmers who allowed only six hits to the usually robust Tannery swatters. Five of them came in the seventh. They struck out eight and walked four over the distance.

Opposing them on the Tanners' hill was bespectacled Bruce Cargill who also threw a fine game limiting the plough jockeys to eight hits, issued one base on balls and hit one batter. Six errors thrown in by jittery team-mates aided his cause little and figured in several of the winners' runs.

The Junior Farmers went ahead in the first frame as R. Hall walked and was driven in by brother Don. They added four more runs in the second when Barry Insoe was safe on an error in the right garden. Ken Dodds was safe on a boot at short, Bob Skidmore singled and then Roy Hall smack
