Acton W.I. Sees Production Of Soap on Annual Bus Tour

The members of the Acton W.I. and many other friends numbering 45, enjoyed a bus trip to Hamilton and Stony Creek recently.

Leaving Acton around 9:30 they visited the Proctor and Gamble plant in Hamilton where they were greeted by general executive members who divided the party in groups to see the various stages in the production of their many products. It was amazing to see what goes into the making of a simple cake of soap. On the completion of the tour each one was presented with a gift package containing several of the products.

Dinner at Inn

The next stopping point was Stony Inn on Grey Road at Stony Creek where a room was reserved for the party to have their dinner.

A pleasant feature of the event was that following dinner four members from the Stony Creek W.I. came to welcome the ladies to this historical spot in the life of Women's Institute. Two of the ladies, Mrs. Leslie Jones president and Mrs. Agnes Jackson, public relations officer, came on the bus to point out the various places of interest. Squire's Hall where the first W.I. was organized, the battle ground and monument in memory of the boys who gave their lives in defence of this country.

From there they went to Stony Creek Mountain and along a winding road to the home of Mr. and Mrs. Frank Lee, son and daughter-in-law of Erland Lee who was instrumental in organizing the first W.I. Mrs. Lee welcomed some of the ladies in to the home where the table was set and Mrs. Lee explained the constitution had been drawn up on that table 65 years ago.

The ladies bade farewell there and already a guide was on to four Hamilton and point out the many places of interest. Late in the afternoon the party broke up into groups to choose their own pleasure. Dinner, bingo and theatre took care of the evening entertainment and they arrived

Mrs. Manes Piano Recital Banquet, Wedding of Interest

By Mrs. J. Henderson

Mrs. Thomas Manes held a piano recital in Nassagaweya Presbyterian Church Sunday School on Tuesday evening. Misses Dorothy and Karen Dredge of Moffat were two of the pupils who took part. They played a duet and also sang a duet.

Mrs. Manes is to be congratulated on the success of her pupils. Miss Doris Robinson spoke a few words to Mrs. Manes on behalf of the pupils and little Nancy McPhail presented her with a bouquet of red roses. Mrs. Manes and the girls served coffee and doughnuts at the close and a social half hour was enjoyed.

There was a banquet in Brookville School last Thursday evening for grade eight pupils and parents. The Nassagaweya W.I. catered for it.

A very pretty wedding took place in Nassagaweya Presbyterian Church last Friday evening when Miss Helen Dredge and Mr. Ken Cameron were united in marriage. Congratulations.

Mr. and Mrs. W. A. Fraser left early in the week for a holiday in Western Canada.

A successful dance was held in Brookville hall last Friday evening. Proceeds were in aid of the Moffat ball teams. A good sum

Good Garden

The warm spring gave gardens a good start. Mr. and Mrs. Darwin Cripps had peas from their garden on June 27. They've been eating lettuce and onions for weeks and should have green beans in a week.

Firefighters are eagerly awaiting a fire call, for once in their lives. Sometime soon a siren will ring to sound the alert for a Halton Mutual Aid practice session. The date, time and place are a secret surprise.

Did you hear about the rum who committed suicide? He heard Frank Sinatra sing, There'll Never Be Another You.

We are told the world population is increasing at the rate of 100,000 persons a day. This means that every morning there are 100,000 new people to make a good-sized city.

Musical Program

Many Renew Acquaintances During 37th Storey Reunion

The 37th annual Storey reunion was held at Brookville Hall, Saturday, June 23, with Grant Allen, president, Edward Thatcher, secretary, in charge.

After many handshakes and renewing old acquaintances, the men played horseshoes while the children's races were held. The ladies set tables in the hall, after which everyone was called in to enjoy a delicious meal.

A program was enjoyed, consisting mostly of violin music,

arranged by committee members Mrs. George Brownlee and Mrs. Dorothy O'Rourke.

Numbers included: two beautiful piano solos by Warren Brownlee, a recent scholarship winner; Karen O'Rourke, violin solo; Susan Kinton, accordion solo; Geena Brownlee, violin solo; recitation, Helen and Bobby McLeod; Dorothy O'Rourke, violin solo; Nancy McCallister, piano solo. Three generations of violin players, Andy Frank, Dorothy O'Rourke and

Dorothy Anne O'Rourke, played a violin trio. Glen Brownlee played the bagpipes.

Among the senior members present were Beale MacDonald, Toronto; Jim Wilson, Tish Brownlee, Agnes Cox and Dave Storey, Eramosa.

All enjoyed films of Ireland and western Canada, shown by Mac Sprout of Acton. The remainder of the evening was spent in dancing.

Speakers, Movies Outline Cancer During Eden Crest W.I. Meeting

How to combat racial discrimination was the roll call at the June meeting of the Eden Crest Women's Institute, which 17 members attended. It was interesting to note that the replies given to the roll were mostly covered by the words of the Mary Stewart Collect, which was used for the opening of the meeting.

It is hoped that two of the members will attend the "Hints for Home Nursing" course to be held some time in October. Five members volunteered to assist at the polio vaccine clinic to be held at Rockwood on Tuesday, July 17.

As the meeting has been cancelled for July, final arrangements were made for the picnic to be held at the ball park on August 15. An invitation is being extended to the ladies of the Eden Mills Women's Institute to attend.

which left all the members with a better insight and understanding of this disease as it concerns us as women.

Mrs. G. McDougall, on behalf of the Institute members, thanked the guests for making the evening so informative.

The meeting adjourned and lunch was served by Mrs. G. Chamberlain, Mrs. N. R. Marshall and the hostess, Mrs. E. Woodhouse.

SHORT MEET

At a brief meeting Monday evening, Nassagaweya Township councillors approved the official closing of the C.P.R. station at Moffat, and passed a by-law increasing this year's road expenditures by \$7,000. Accounts totaling \$214.36 and road vouchers for \$10,407.09 were approved for payment.
