Humorous Reading, Contest Enjoyed During Ladies' Meet

The August meeting of Knox Presbyterian Ladies' Aid was held at the home of Mrs. G. Sumner with a good attendance of members and several visitors present. Mrs. W. Bruce presided and Mrs. G. Sumner read the correspondence and financial report.

Mrs. B. Clarke led the devotional with a paper on "The Tenderness of Drilling," followed by a prayer read by Mrs. D. Winter. The scripture questionnaire was conducted by Mrs. C. Storey.

A paper, "A joyful noise unto the Lord" was given by Mrs. W. Bruce, who stated how carefully people sing the beautiful hymns, with no thought to the message they contained, and she cautioned all to sing with meaning.

Roll Call

The roll call, "A law I'd like to see enforced," brought out several good ideas, mostly dealing with more care in highway driving. "How to do your boy's laundry in 12 easy stages" by Mrs. C. Storey contained more truth than fiction and proved quite humorous.

The closing prayer by Mrs. G. Sumner was followed by a "Free" concert with Mrs. S. Fuller and Mrs. B. Robertson reciting small pieces.

The business and assistants Mrs. R. Clarke and Mrs. G. Gault, served a delectable lunch and a social that was enjoyed.

Complete Summer Courses

Miss Joan Aitken has completed her summer course at Queen's University and John Aitken has also completed his summer training with the Air Force in the West. Last week both accompanied their parents, Mr. and Mrs. George Aitken, to Lake Pepineau for a few days' vacation.

BELL LINES

by C. S. Keith your telephone manager

Mrs. "Len" Lovell of Lovell Bros. Modern Meat Market, gives special attention to folks who shop by phone.

MAKE YOUR PHONE WORK FOR YOU

Every day folks in Acton are finding more and more ways to make the telephone work for them. They call their favourite stores to track down bargains. Many even shop by phone... especially on rainy days or when they are kept at home because of small children. When they feel lonely or just feel like having a little chat, they call their friends or relatives. And we've heard of mothers who talk to teachers by phone concerning any problems they may be having with their youngsters rather than attract unnecessary attention by visiting the school. The anxious mother with sickness in the home keeps in touch with her doctor by phone. When the need arises, just a few words over the phone can relieve anxiety or relay emergency instructions that will relieve the situation until the doctor arrives. These are a few of the many ways the telephone works for folks here. Remember, the telephone is there for your convenience. Use it often and enjoy easier living.

Acton's new telephone directory will be going to press shortly so please check your listing. Is your name spelled correctly? And what about your address and phone number? Have you thought about additional listings? Other members of your family and relatives, roomers or boarders would benefit from having their names listed in the telephone book. If you're a business man, you can use extra listings to show other firm names for your business — to associate your name and residence telephone number with your firm name — or to show after-hour numbers for you and your key employees. Remember, extra listings, at little cost, make it easier for people to find you. For any changes in your listing, or any additions, call our Business Office without delay.
