The competition is part of a provincial competition sponsored by the Farm Safety Council of Ontario. The program is one of many presently conducted by Farm Safety Councils throughout Ontario to assist in reducing farm accidents.

**EYES FOR A LIFETIME**  
The eyes should last for a lifetime, with perhaps the assistance of visual aids in later years. Every care against injury or strain should be taken. In glaring sunshine or when the sunlight on snow is too bright, sunglasses should be worn. Regular check-ups by an eye doctor will ensure that none of the eye diseases will develop without warning.

Labor strikes in Canada in 1961 involved 98,000 workers, with a loss of 1,340,000 man-days of employment nearly twice the time loss of 1960.
