

76 TROMBONES? Not quite! But two members of Acton Citizens' Band, Gordon Ramsden and John McHugh, puffed out as many notes during the concert in the park recently. Band members played a variety of numbers and delighted a small gathering.

A 1929 EAGLE TRACTOR, restored to near-perfect condition, was entered in Milton's big steam and antique reunion over the weekend by Ron McEachern of Acton. The ancient tractor took part in many of the parades at the three-day reunion at Milton Fair Grounds. Gord Brooks of Acton is the driver.

ROCKWOOD

Ball Games, Accident, Visitors Highlight District News Events

In connection with play-off ball games between Rockwood and Dorchester here on Saturday, the final score was 2-1 in favor of the visiting team. Monday, Labor Day, the Rockwood Bantams motored to Dorchester for a return game and lost 8-6.

Last Wednesday, two men in a car travelling along Valley Road got into some difficulty, with the result that the car hit a telephone pole opposite the cave, breaking it off. The car left the road and came to rest on the river bed, knocking off a door. One man sustained a broken arm.

Sympathy Extended
Sympathy is extended to Mr. Frank Taylor in the passing of his father, Mr. John Innes Taylor, in his 89th year. Mr. Taylor had only been in Guelph General Hospital about a week. Funeral service was held Friday in the United Church, with Rev. R. R. Connor officiating. Interment was in Rockwood cemetery beside his wife, the former Catherine Bernard.

The many friends of Mrs. McLeilan, formerly Julia Lynch who lived in Rockwood with her mother and members of the family, will regret to learn of her husband's death in Nova Scotia last Monday. Mrs. McLeilan, in company with her brother Mr. Clarence Lynch, left by plane the next day to be present at the funeral Thursday.

Visit from B.C.

Mr. and Mrs. Stanley Harris of Victoria, B.C., were in Rockwood last week renewing acquaintances. They had been taking in the Shakespearean Festival in Stratford, then going on to Toronto to attend the C.N.E. In company with Rev. C. Gordon Harris of Dixie, they were in Rockwood last Tuesday to look around the former home of Mr. Stanley Harris. He, in company with his brother Howard, left Toronto at the beginning of present century and settled on Pendur Island. They did some farming and also went into keeping turkeys.

Mr. Elgin Crispin, who figured in a motor mishap the latter part of June along Valley Road, when the car went off the road hitting a tree and rock wall with the result that he suffered serious injuries to his knees and his brother Donald injuries to face and fractured ribs, was able to re-

turn to his brother's home on Valley Road last week, from General Hospital.

Mr. and Mrs. Fred Day and members of family of Ancaster were holiday visitors with Mr. and Mrs. Arthur K. Thomas. Schools re-opened Tuesday after the long holidays. New stands for bicycles are in place in the day.

MISS HARASSMENT

Last summer an harassed man went to spend the day at the beach, leaving the children in the hands of Grandma. But, after a while at the beach the father became restless.

His wife asked: "What's the matter, aren't you enjoying yourself?"

He answered: "Yeah, but I miss the kids. Throw some sand in my face."

Mr. and Mrs. Daron and son Wesley returned home Sunday evening from a fortnight's holiday for bicycles are in place in the day.

350-Mile Trip -- By Bicycle

Teen-ager Gordon Allan didn't speed on the highways when he went to visit his brother and sister in Ottawa. He made the trip—350 miles each way—by bicycle! He started out from his farm home Friday, August 24, and it took him 51 hours.

At Ottawa, he stayed with his brother, Laverne Allan, Mrs. Allan and their daughter Tracy, and his sister, Mrs. Allan Lang, and Cpl. Lang. He enjoyed a trip to Lake Philippe in the Gatineau Hills—by car. The trip back didn't take so long—just 47 hours—and he arrived back at 8 o'clock last Sunday morning.

He is the son of Mr. and Mrs.

Chester Allan and attends Erin high school.

The trip was an unusual experience for him. Different people including truckers and policemen helped him find a spot to eat and sleep.
