

300 Prove Couple's Popularity

Friends, neighbors and relatives proved to Mr. and Mrs. Percy Kitching of R. R. 1, Moffat, just how well they are liked in the community on Sunday, October 21.

Close to 300 guests jammed into the home of their grandson John Kitching to help them celebrate a very happy golden wedding anniversary, lavishing the popular pair with many cards, gifts and messages of congratulations.

Letters, Telegrams
A table in one room of the home was filled with congratulatory cards, as well as telegrams and letters from Prime Minister

John Diefenbaker, Governor-General Georges P. Vanier, national Liberal leader Lester B. Pearson, Ontario Liberal leader John Wintermeyer, and Wellington M.P.'s Harry Wharton and Alf Halcox, plus a scroll from the Provincial Government. Numerous gifts and a beautiful floral arrangement from their neighbors adorned the table.

Ebenezer United Church Women served a lunch to the guests who came from near and far to join in the happy occasion, and talk over old times with the bride and groom.

Six Generations
Mr. Kitching was the third of

six generations of Kitchings living on the farm on 20 Sideroad two and one-half mile west of the Guelph Line. His grandfather came there in 1835 and the beautiful big stone home was erected in 1839.

His wife was the former Ella Johnston of Malton, and they were married at her home October 23, 1912, by Mr. Kitching's two brothers, Rev. George Kitching and Rev. John Leslie Kitching. An honored guest at the Sunday "open house" was Mrs. John Leslie Kitching, 93 years of age. Another special guest was Mrs. Cook (nee Lena Moffat) of Corinna, Michigan, who was a bridesmaid at the ceremony 50 years ago.

New Home
Mr. Kitching worked on the farm until 1953, when he built a new home on a corner of the farm and retired. The couple have been active in Ebenezer United Church, where he is an elder and a trustee, and his wife is active in the U.C.W.

They have one son Harold, one grandson John (who now runs the farm), and two great-grandchildren.

SCOOPS

From Speyside School

(Intended for last week)
ROOM 1 REPORT — In September we had a Junior Red Cross meeting and we played some games. Grade one has learned to read some new words. Grade two knows their arithmetic very well and are still improving. We learned how to sing several songs with the help of Mrs. Kidney.

ROOM 2 REPORT — Each row in our class worked together to make paper flower bouquets. We enjoyed using all colors of paint to make pictures. Grade two has been trying to do good work in reading, subtracting, printing and spelling. Grade three has been gathering seeds from fruit, vegetables and weeds for taping in Science books. We have some of

the seeds growing in a class flower pot.

ROOM 3 REPORT — At Speyside School in September they put pavement around the school. On the weekend they planted shrubs in front of the school. The girls use the pavement to dance, skip, and play ball. Room three uses it for P.T. We learned a new game called "Call Ball".

ROOM 4 REPORT — During September we have had several meetings for Red Cross and have elected executives. We have decided to do several things to help the Red Cross. In social studies, grade six studied the Spaniards, Cortes and Ponce de Leon while grade five has taken about Marco Polo.

ROOM 5 REPORT — September was a busy month. Grade seven has made a leaf collection and grade eight is assembling a seed container collection.

We held two Junior Red Cross meetings this month and we hope to make a large amount of money for this cause. History is very interesting this year. Grade eight is learning about the Glengarry Settlement. Cabot is the grade seven topic at this time.

FORGING AHEAD
A teacher once had the son of the town's outstanding citizen, a banker in her class. The boy cheated constantly in his daily work and on his examinations and yet she was afraid of telling his father. Finally she wrote this remark on his report card: "Forging his way steadily ahead."

PROBLEM SOLVED
A Tokyo department store has a new idea for doing away with the white elephant wedding gift. The bride-to-be registers at the store. Friends instead of making their own selections, deposit the money they planned to spend. Ten days before the wedding the store shows the bride and groom a list of gift-givers with the total amount. Then they pick out what they really want.

MOFFAT

Hydro Off Three Hours Hunt Out Oil Lamps

Last Thursday's fall of snow is a reminder that winter is just around the corner. Many of the local citizens found themselves stuck in the snow and the trees and hedges were loaded with snow, bending and breaking for three hours. The early risers had to hunt out the old coal oil lamps.

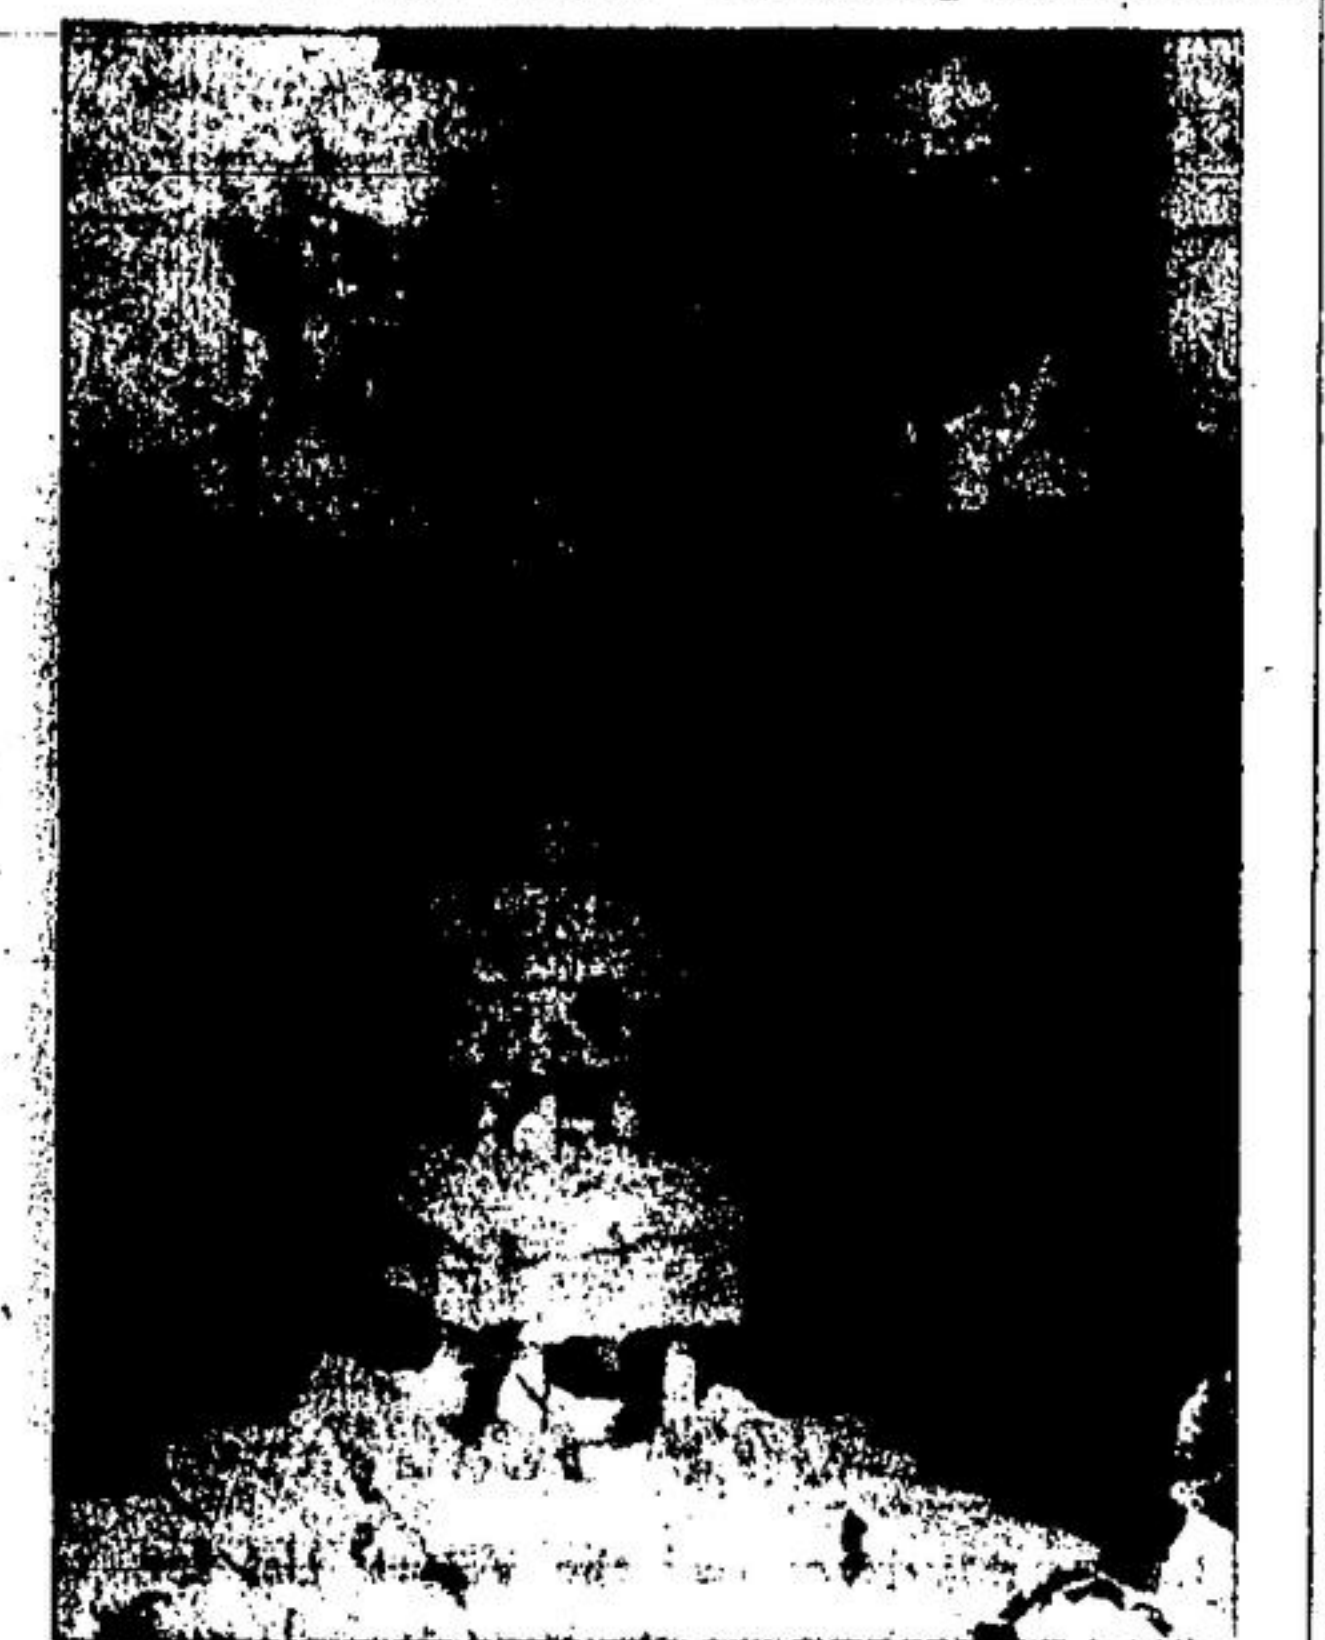

Hallowe'en Party
The descendants of the late Jeremiah Smith held their annual dance and Hallowe'en party on Friday evening in Brookville. Curdie's orchestra supplied the music and Jack Reynolds was floor manager.

Prizes were given to Mr. and Mrs. Santa Claus for best couple. They were Mrs. Malcolm Moffat and Mrs. James Robertson. Best dressed lady was Mrs. Mike Slawson, best dressed man, Billy Robertson, youngest married couple, Mr. and Mrs. Mike Slawson.

This committee in charge of the dance was Miss Carol Henderson of Port Credit, Larry McPhail of New Toronto and Larry McGlaughlin of New Toronto. Guests were present from Guelph, Acton, Toronto, Niagara Falls, Campbellville and Moffat.

Speaker from Ryda
The Busy Bee Institute is planning a social evening at the home of Mr. and Mrs. Murray Hayward the latter part of November. The main part of the program is to be a film and speaker from the Hydro office in Guelph on "Safety with Electricity in the Home".

USED THE DIRECTIONS
"Did you find that pamphlet on the extermination of flies useful, sir?" asked the hardware shop assistant. "Yes, thank you," said the customer. "I must have killed hundreds of 'em with it!"

HAPPY 50th ANNIVERSARY was celebrated by Mr. and Mrs. Percy Kitching of R.R. 1, Moffat, when close to 300 friends, neighbors and relatives gathered to offer their best wishes to the popular couple. He is the third of six generations of Kitchings occupying the 20 Sideroad farm. They are shown cutting the cake.

McConnell, secretary-treasurer. Other executive are Bill Wilson, Dave Izatt, Terry Slaven, Dr. Buckner, Bob Currie and Mr. McConnell. Mr. Izatt reported that the instruction nights were found to be successful, particularly with the younger set. The evening came to a close with a special lunch including the "Haggis" served by Mrs. Buckner and her daughter. Another executive meeting is planned for this week at the home of Mr. McGeachie.
