NO FUTURE IN IT
The office sage says that man has a poor life. It consists of 20 years of having his mother ask him where he is going, 40 years of his wife asking the same thing and at the end, having the mourners wondering, too.

Headpin Hillites
Picking off the awards this week, it was Sophie Dehrlisch winning the Streetsville Cleaners' award with a 749 triple. Jack Bullough's tricont of 746 won the Paul's Clothing souther. Vicki Schubert's 300 solo stood up to win the Ledger's IGA award and Don DeForest with 311 can keep his feet warm with a pair of McGregor socks from the Esquire Men's Shop. The sparking bever Seven Up were won by Harry Dehrlisch, Bruce Swift, Monica Dehrlisch, Sandra Vanleet and Heather Buchanan for bowling best over their averages. For what it is worth Acton Combines travelled to Oakville and took on the Oaklows. The A team won two games and the B team won three. Seems as if the Inter-county is due for a revision. The Lakeshore Lynns who were responsible for numerous changes in the league setup have folded and the executive would be well advised to heed wiser and older heads in their league rather than adhere to the radical changes that apparently are causing friction in the smooth running of the league. That amigos, winds it up, Adios.
