The most tender cuts are those from the center of the back," Miss Patterson stated.

Informative Meeting

LIGHTING CANDLES
Candles at Christmas symbolize the coming of Christ as the Light of the World. Since earliest times, man has used light—torches, watchfires, beacons—on occasions of joyous celebration. The custom of placing a candle in the window on Christmas Eve is usually attributed to the Irish. It was thought that Christ wandered the earth on that night and a candle would show Him a home where He was welcome or help to light Him on His way.
