What it offers! The benefits! The cost!

WHAT IT IS

PHYSICIANS' SERVICES INCORPORATED is a non-profit province-wide service sponsored by the Ontario Medical Association and the physicians of Ontario, as a method of bringing medical, surgical and obstetrical services to the people of the province on a low-cost, monthly payment basis.

- There are no stock holders.
- No dividends or commissions are paid to anyone.

WHO CAN JOIN

Beneficiaries of the Medical, Surgical and Obstetrical Plan of Physicians' Services Incorporated may now be obtained by residents of an approved community. Minimum requirements are 60% of the residents of the community.

WHO MAY BE INCLUDED

- A resident (subscriber) of the approved community.
- Wife or husband of subscriber.
- Subscriber's unmarried children under 19 years of age.

NO RED TAPE

- No medical fees.
- No medical examinations.
- No medical statement of condition of health.
- No age limit for adults.
- No surcharge for chronic or pre-existing conditions.

THIS IS A SERVICE PLAN

Just present your Identification Card to any participating MEDICAL PRACTITIONER who will then refer you directly to Physicians' Services Incorporated for eligible services on an "out-patient" basis.

YOUR AGREEMENT DOES NOT COVER

- Dependent future, mother, brother, sister, uncle, aunt, etc.
- Drugs, vaccines, appliances, biological sera or extracts, hospitalization, dentistry, nursing, ambulance service, physician's mileage or telephone advice.
- Laboratory tests performed other than in a physician's office; physical therapy and similar treatments; non-home based care by the obstetrician; and all services for conditions not detrimental to the patient's health.

YOUR CHOICE OF PHYSICIAN

You have the choice of any duly qualified participating physician. If you wish to be attended by a non-participating physician it can be arranged and the Corporation will pay the same amount as that payable to a participating physician for the same service. Where the annual income of a subscriber without dependents is less than \$7,000.00, or that of a subscriber with dependents is less than \$10,000.00, the subscriber should not receive all or part of the personal eligible services of a participating general physician nor for certain personal eligible services of a participating specialist physician.

YOUR BENEFITS

The personal services of a registered medical practitioner IN OFFICE, HOME OR HOSPITAL with the following features:

- Plan pays right from the first call.
- Eligible dependents are entitled to the same benefits as the subscriber.
- No limit to number of calls for essential medical care during any period of time.

- Diagnosis of disease, injury or condition.
- Medical care for illness by your participating physician.
- Consultations.
- Surgical operations (any cutting procedure).
- Services of anaesthetist.
- Confinement (obstetrics) and pre- and post-natal care.
- Up to two weeks' care after visits.
- Treatment of fractures and dislocations including unlimited diagnostic X-ray services in connection therewith.
- Unlimited diagnostic X-rays.
- Unlimited deep X-ray therapy.
- Ophthalmic and bronchoscopic examinations.
- Injections and vaccinations.
- Referrals — i.e. testing for eye glasses.
- Respectful X-ray tests and instructions.

ADDITIONAL BENEFITS

Where income limits are not applicable subscribers should not receive an account for the personal eligible services of a participating specialist physician for:

- Major and minor surgery.
- Administration of anaesthetics.
- Diagnostic procedures.
- X-ray and radiation therapy.
- Hospital visits for an admitted bed patient.
- Cytoscopic and bronchoscopic examinations.
- Referral consultations.
- One initial conference after visit.

EXCEPTIONS

- Illness or accident provided for by the Workmen's Compensation Board or other Government agency (including illness or condition resulting from service in the armed forces) or care of treatment provided under the Hospital Services Commission Act.
- Tuberculosis, mental illness, alcoholism, epilepsy, drug addiction, when patient is confined to special institutions for treatment, or could so be confined.
- Any service or examination for insurance, school, sports, recreation, visit, entertainment (including safety glasses and group hospitalizations) or similar purpose.

WAITING PERIODS

- Confinement — services for any condition due to pregnancy including pre-natal and post-natal care, except the surgical treatment of miscarriage and ectopic pregnancy, shall not be available until both husband and wife shall be confined for at least 9 full consecutive agreement months prior thereto on the same agreement.
- Eye tests require confinement for 12 full consecutive agreement months prior thereto, and subsequent tests are only available after a 24-month interval.

OTHER IMPORTANT FEATURES

- Provision for newborn children to immediate parental notification is received by P.S.I. within 15 days after birth.
- Newly acquired services may be included for benefits between "group openings" by notification to P.S.I. within 30 days after opening.
- You may now obtain the benefits of the plan if you are a resident of an approved community. If you are a permanent resident or non-home owner—you still qualify.
- If you leave your community you may transfer your coverage for yourself and dependents by notifying P.S.I. of your change of address immediately.
