

# Elect Willmott 4-H Prexy

John Willmott, Milton, was elected chairman of the Halton 4-H Club Leaders' Council, at the 1963 annual meeting.

The council held their annual programming meeting at the Extension Branch, Ontario Department of Agriculture, Milton, on Thursday, January 31. At this meeting the 1963 program for 4-H agricultural clubs in Halton was discussed.

The Halton 4-H Club Leaders' Council is an organization of volunteer leaders assisting in the leadership of 4-H club work. The club leader assists the Extension Branch personnel in the 4-H club program.

4-H club projects will be organized in April, during the Easter holiday. Projects are being offered this year in dairy calf, beef calf, swine, forestry, grain, corn, and tractor maintenance.

The principle of the 4-H club program is "Learn To Do By Doing." In addition to attendance at meetings, on management during

the year, the club member takes care of, and keeps copies of production records, on the club project. This project is then exhibited at the Achievement Day.

# At Annual Banquet

## Halton Plowmen Elect S. May

The Halton County Plowmen's Association held their annual banquet and meeting at Bethel United Church, Drummondville, Ontario, last evening.

Secretary of the Ontario Plowmen's Association and presently the manager of the Brampton Branch of Halton and Peel Trust, explained the importance of plowing matches to the members.

Mr. Carroll noted that matches first began with the early settlers and that the first reorganized provincial matches were held in 1913, just outside Toronto. Throughout his speech he stressed the importance of plowing matches to good farming. "As long as farms are needed to supply food," he said, "necessary farming skills must be developed, and through plowing matches these skills are developed."

Step Up Diplomacy  
In closing Mr. Carroll noted the International Plowing Matches do much to improve relations between countries of the world, and he suggested that if nations would step up their diplomacy and cut down on armament, the dangers of war would decrease rapidly.

John Wilson thanked the speaker for his interesting and informative talk.

Secretary J. A. Francis read the minutes of the last meeting and they were adopted. The financial report for 1962 was read by Mr. Francis, showing the Association has a balance of \$447.45. Expenses totalling \$1,520.68 had been paid during 1962.

# LEGION NOTES FOR BRANCH 197

The Dominion Command this year starts a national membership campaign. Last 10 years it will be broken down into five two-year periods, with a total objective of 85,000 new members. The Ontario Command's quota for 1963-64 is a 6 percent increase, or 9,600 new members.

In branch 197 we can start now by maintaining our present membership and then go after recruiting the "fallout" members. This is just a beginning as there are many veterans in Acton and district who have never been affiliated with the Legion.

April is the date set for the beginning of the campaign and more information will be made available in the coming weeks. We can all help to make 1963 a big membership year. Start Now!

**SPORTS**  
Taking home the largest of the red brand steaks from Friday night's euchre was Ron Papillon. The medium-sized T-bone was grabbed up by Joe Soyka, while our president Max Storey walked away with the baby steak.

Harvey Lambert enjoyed a mid-night snack of bologna after coming out on the low end of the score.

Next Friday night ends the second phase of the season's Friday night euchres. A lunch will be served and prizes will be handed out for the best averages, best attendance, etc. over this phase.
