

Fire Prevention Week

Fire Prevention Bureau is Active

Halton County Fire Prevention Bureau had another successful year in 1962. Chairman George Sundby, Deputy Chief of the Milton Fire Brigade, said today in his annual report on the Bureau's activities.

Firefighters from the various Halton fire departments are members of the Bureau and work year-round to prevent fires and cut down on the county's mounting fire toll and property damage.

"It is hard to evaluate the good that is done through the Bureau," remarked the chairman. "But we hope that our constant reminders in newspapers, radio and television, plus pamphlets and special programs will reach the people in homes, towns and industries."

During 1962, the bureau carried out numerous fire hazard inspections across the county with a concentrated "drive" in Oakville.

Oakville Students Top County Public Speakers

Two young Oakville public school pupils were chosen as top orators during the Robert Little public school in Acton. Braden, Caroline Baker, who placed first, received a trophy and Douglas Stratton a book for placing second.

Other competitors included Tom Burst, Ron Linda, Dennis and Pat Lance, Georgetown, Nancy Saunders and Marc Rose, Kelly Milton and Susan Morris, Oakville.

The two top speakers will compete in the Ontario High School competition during Easter holidays at Pickering. Administrators Canon Frank Mason, retired Anglican rector, Irvin Milton, Alex Danson, Georgetown high school teacher, and Douglas Palmer, guidance director at Blakelock school, Oakville, praised all speakers for the high calibre of their speeches and admitted their difficulty at choosing a winner.

Caroline Baker received the Halton Women's Institute trophy for Sunnvalle school, Oakville. It was presented by Mrs. Campbell Sinclair, county president. Second place winner Douglas Stratton received his book prize from Douglas Sinclair, president of Halton Men Teachers' Federation.

AUCTION SALES (Continued)

COMPLETE DISPERSAL AUCTION SALE

OF 30 Head of Holstein Cattle, Vaccinated, in a Brucellosis Free Area

The undersigned has received instructions from

WILLARD BRITTON

To sell by auction at his farm lot 23, con't 2, Twp. of Esquerring, situated on the First Line, 3 miles south of Acton on

TUESDAY, APRIL 16th, 1963

Commencing at 2 o'clock sharp

33 DAIRY COWS - 4 Holstein

heifers due before sale day, red

Holstein cow fresh in Jan., bred

March 11, Holstein cow fresh in Feb., with calf at foot; Holstein

cow fresh in Jan., bred Feb. 17,

Holstein cow, fresh in Dec., bred

Jan. 15, Holstein heifer, fresh 2

months, Holstein cow in full flow, bred Jan. 6, Holstein heifer

fresh in Jan., bred Feb. 15,

Holstein cow, fresh 6 weeks,

Holstein cow in full flow, bred

Nov. 7, Holstein cow, in full

flow, bred Nov. 24, Holstein

cow, in full flow, bred Nov. 25,

Holstein cow, in full flow, bred

Dec. 1, Holstein heifer, fresh

March 16, Holstein heifer, fresh

in Dec., bred Feb. 28, Holstein

cow, fresh March 1, Holstein

cow, fresh March 17, Holstein

heifer, fresh 6 weeks, Holstein

cow, fresh 2 weeks, red Holstein

heifer, bred Dec. 10, Holstein heifer, bred Feb. 17, Holstein Jersey

cow, fresh in Dec., bred Feb. 8,

Holstein Jersey, cow, in full flow,

Nov. 21.

REG & GRADE JERSEY COW

REG & GRADE JERSEY COW, fresh

March 10, reg Jersey cow, fresh

March 4, reg Jersey cow, fresh

in Nov., bred Feb. 23, Jersey cow

in full flow, bred Nov. 3, Jersey

cow, due May. This is a choice

young herd of home bred cattle

of good condition. There have

been 14 young calves born since

Jan. 1. All cows tested for preg-

nancy.

YOUNG CALVES - Holstein

bull, 12 years old, 4 young calve-

s, 3 weanling heifers

weaning steers, Jersey heifers

ready to breed; 7 last tall Hol-

stein heifers

DAIRY EQUIPMENT - LAVING

HENS, PRED - 75 De Kalb year-

ling hens, in full production;

2 Surge milking units; Wood's milk-

ing unit; spray type cream milk

cooler; pails; 3 ft. of corn silage

In 12 ft. 3000 strawbins.

TERMS: Cash with clerk day

of sale.

No reserve as dairy is going

bulk and we're not going.

commercial section during Fire Prevention Week. In the industrial and commercial inspections, 60 per cent of the hazards the inspectors noted out were storage, heating and electrical maintenance, with 40 per cent poor housekeeping.

Electrical hazards accounted for 60 per cent of the farm fire hazards and poor housekeeping 40 per cent. In dwellings, overfusing and poor housekeeping made up 60 per cent of the hazards found, while overloaded outlets accounted for another 20 per cent and flammable liquids 20 per cent more.

A scrapbook of bureau activities was maintained throughout the year and was submitted to the National Fire Protection Association's annual contest. Halton received an honorable mention for an outstanding county-wide fire prevention program. The bureau has compiled sev-

eral series of colored slide presentations, available for showing to groups and schools. The program was a success, and the chairman, that other fire departments around Ontario have asked to see them and the idea is being copied by other bureaus.

The Electrical Bureau of Canada paid tribute to the work of the Halton Fire Prevention Bureau, when it compiled a slide presentation outlining the bureau's many projects. It will be distributed free across Canada as an example of a good county-sponsored fire prevention program.

Each year, the bureau conducts a poster contest for grade students in all Halton schools. Winners from the 500 entries in 1962 were Martha Morgan, Glenview P.S., Burlington, and David Down, of Denys P. S., Milton. The winners and their families were honored at a banquet in November and their posters will be entered in a new Ontario-wide fire poster contest this month.

Literature is an important phase of the bureau's work, the chairman explained, and during the past year over 20,000 pieces of literature were distributed, including posters, baby sitters cards, home inspection check sheets, spring cleanup reminders and restaurant place mats.

Member fire departments supplemented the work of the county bureau by their own local fire prevention programs. These included work with the Junior fire departments, film showings, open houses at the fire halls, equipment displays and instructional classes and examinations for Girl Guides and Boy Scouts.

Hilton's firefighters were

plagued by grass fires during

the spring of 1962 and in one

two-week period answered 345

grass fire calls at a cost of over

\$30,000. The bureau will wage a

special campaign against grass

fires this year.

Campaign posters dot the

North Halton area, both urban

and rural, but there has only

been one reported instance of

signs being torn down. As hap-

pened last year, a poster for

Sacred Wilson was removed

from the crooked tree on High-

way 2, just north of Milton. His

fellow tackers tacked one up there

despite warnings last year that

this was a "hallowed" spot and

a well known attraction of the

district.

By far the biggest campaign

signs belong to N.D.P. candi-

date Ellis Fullerton, and they

grace three poles on Ontario St.

south near the Ontario School

for the Deaf in Milton. The

Scouts are making a phone

canvass for hot cross

buns.

"WAR ON GRASS FIRES" was declared this week by members of the local fire department. This engraving is being used on 25,000 pieces of literature being circulated throughout the county by the Halton Fire Prevention Bureau—pointing out that most of last year's spring grass fires were caused by faulty or uncovered incinerators and careless burning of rubbish. Grass fires cost Halton taxpayers \$30,000 last Spring, and the firefighters hope this waste of time and money won't be repeated this year.

Signs Up and Down

The Halton election race seems more bitter in the south of the county, where election posters placed on trees and posts by Social Credit candidate Irving Wilson and Independent candidate Henry Timmins, have been torn down.

Both charged goon squads from opposition parties did the removing.

Timmins said he was "shocked" that the other parties would resort to tearing down his Burlington signs instead of putting up more of their own. He called for higher principles and morals in the campaigning.

Wilson said his were torn down in Oakville between 10:30 Saturday night and 8:30 Sunday morning — even though some were in remote areas along Highway 2. Children were not to blame, he said, for some posts were eight or nine feet off the ground.

Campaign posters dot the North Halton area, both urban and rural, but there has only been one reported instance of signs being torn down. As happened last year, a poster for Sacred Wilson was removed from the crooked tree on Highway 2, just north of Milton. His followers tacked one up there despite warnings last year that this was a "hallowed" spot and a well known attraction of the district.

By far the biggest campaign signs belong to N.D.P. candidate Ellis Fullerton, and they grace three poles on Ontario St. south near the Ontario School for the Deaf in Milton. The

Scouts are making a phone canvass for hot cross buns.
