

Leo Jamieson President As Institute Elects Officers

The annual meeting of the Halton County Junior Farmers will be held on Wednesday night, April 10, at the Acton Hotel. Leo Jamieson, president of the institute, presided at the meeting which was held with the president, Mrs. Jamieson presiding. The meeting opened with the W. I. song and Mary Stewart's collection. The roll call was followed by paying your dues and stating which month you would like to be honored.

Halton Again to Host Scot Junior Farmers

Halton County Junior Farmers will be hosts to a delegate from Scotland this year, from May 22 to 30. The Junior Farmers' Association of Ontario and the Ontario Department of Agriculture are this year acting as joint hosts to delegations of young farmers from Northern Ireland, England and Scotland. The delegates spend two months in Ontario visiting points of interest and meeting with Junior Farmer Clubs in the province. Each delegate spends a week at a time in a county or district, living with one or two families while in each county.

County Beef Producers Will Attend First Annual Meeting

Defensive or competitive bidding is always interesting and often confusing. To determine which side is right, it is best to have no text book deals. One thing that should be borne in mind in a defensive position is that if there is a possible chance of the opponents making their contract you should think seriously of carrying on in your own suit.

Assessment Relief Protect Bona-Fide Farmers

A bill has been introduced in the Ontario legislature to protect bona-fide farmers whose land assessments have risen because of urban development around their property according to a Canadian Press dispatch from Toronto.

FUNCTIONAL!

Every Acadian can handle loads of luggage. Trunk space has a total capacity of 25.5 cu. ft. . . which is why it's so hard to fill!

6 husky individuals feel right at home in Acadian's super-sized interior. Everyone gets plenty of head, shoulder and leg room.

Acadian's frugal '4' or spirited '6' are both ideal combinations of spunk and savings.

Zinc-O-Bond process guards body. Water-washed, air-dried rocker panels also greatly arrest corrosion.

Sports enthusiasts please note! Bucket seats are one of many options you can add to your ACADIAN.
