Many Accomplishments Listed By Active Limehouse Institute

The annual meeting of Limehouse Women's Institute was held on Thursday afternoon, April 4, in the Memorial Hall. A delicious luncheon was enjoyed.

The business meeting with the president, Mrs. Roughley, presiding opened with the Institute Ode followed by the Mary Stewart Collect. Roll call was payment of fees. The secretary-treasurer gave her yearly report and all conveners gave their annual reports followed by the report of the president.

Mrs. Lymburner at the Conference in Guelph last fall said "it is not a time of self satisfaction, it is a time of achievement. It is a time for re-dedication of principles and practices of our women's institute." As we start a new year we must keep this in mind.

Some of the rules in the W.I. handbook.

Mrs. Noble and the president were delegates to the annual conference in Guelph. They enjoyed this experience. Mrs. Lymburner, the ACWW president, was most impressive. Her ability to speak, her knowledge of W.I. procedures and dedication to the W.I. cause was an inspiration!

Members invited husbands to the Christmas meeting, had a social evening and "out-of-this-world lunch."

They provided along with Silverwood Institute a birthday party at the Manor in Milton, last spring and derived as much pleasure from this, as the elderly residents seemed to.

Keep Up Interest

Members contribute to various projects, CARE, Scott Mission, Music Festival, to name a few. They sell Christmas cards, have banquets, sometimes have eulogies, rent the hall to make money, invite speakers to meetings and each convener tries to keep up the interest by providing a worthwhile meeting.

Same Officers

Following this was the election of officers. It was voted unanimously they all retain their present offices, namely: President, Mrs. J. Roughley; first vice president, Mrs. E. Sanford; second vice-president, Mrs. S. Gishy; secretary-treasurer, Mrs. Ted Brown; assistant secretary-treasurer, Mrs. Ralph Turner.

District director, Mrs. Frank Brown; alternate, Mrs. Jas. Noble; Branch directors, Mesdames C. Meredith, Jas. Noble and Harry Brown; pianist, Mrs. Chas. Merritt; press reporter, Mrs. Jas. Noble; roll call, Mrs. S. Kirkpatrick.

New business was discussion of catering for a banquet in May and arranging for the district annual to be held in Limehouse May 22.

Life Accomplishments

W.I. serves a real purpose in this community and some of its accomplishments and efforts in this past year are listed.

The 441 girls' club is sponsored by the club. Although the club leaders do not have to be W.I. members. The training of young girls to cook and sew, to participate in meetings and to bring their efforts to a summery day, is a worthwhile effort. Eventually members hope they will be W.I. members.

The highlight of the year was helping with a school reunion and evening program at S.S. No. 9 in August, which ended the little schoolhouse era. This was a happy, yet sad time, with former pupils telling of their experiences.

New School

In November, along with other institutes, we served lunch following the opening of the new six-room school in Limehouse, a successful affair and the beginning of a new era in our community.

The local fair needs support and using the theme "Sew to Save Dollars and Make Sense," they planned a display for Acton and Georgetown Fair and won a special prize in Acton. They worked hard to gather fancy work and baking, to take a share of the prize.

Our sick and shut in people are remembered during the year. They have a faithful convener who does a lot of mileage and puts a lot of effort into this satisfying task.

Ontario Hydro put on a demonstration of their modern equipment and "tech talks" in talking. They provided lovely prizes. Other institutes were invited and had a grand social time.

Building Program

Miss Charlotte Turner, the district president, was present at the November meeting and reviewed
